*The Kingdom and the People; Or, the Parables of Our Lord Jesus Christ Explained and Illustrated. With a Preface by the Rev. Edward Garbett*, 1863      The Kingdom Years of the Chosen People Daniel Charles, 2009-01-01 Charles writes a

fascinating account of the chosen people the only ethnic group in the world whose history is saturated with God's indelible imprint      The Will of the People Albert Weale, 2019-03-05 Democracies today are in the grip of a myth the myth of the will of the people Populist movements use the idea to challenge elected representatives Politicians content to invoke the will of the people fail in their duty to make responsible and accountable decisions And public contest over political choices is stifled by fears that opposing the will of the people will be perceived as elitist In this book Albert Weale dissects the idea of the will of the people showing that it relies on a mythical view of participatory democracy As soon as a choice between more than two simple alternatives is involved there is often no clear answer to the question of what a majority favours Moreover because governments have to interpret the results of referendums the will of the people becomes a means for strengthening executive control the exact opposite of what appealing to the people's will seemed to imply Weale argues that it's time to dispense with the myth of the will of the people A flourishing democracy requires an open society in which choices can be challenged parliaments strengthened and populist leaders called to account      The People's Bible: John Joseph Parker, 1893      The

Barnard, Kim Duistermaat, 2012-12-31 The last quarter century has seen extensive research on the ports of the Red Sea coast of Egypt the road systems connecting them to the Nile and the mines and quarries in the region Missing has been a systematic study of the peoples of the Eastern Desert the area between the Red Sea and the Nile Valley in whose territories these ports roads mines and quarries were located The historical overview of the Eastern Desert in the shape of a roughly chronological narrative presented in this book fills that gap The multidisciplinary perspective focuses on the long term

history of the region The extensive range of topics addressed includes specific historical periods natural resources nomadic survival strategies ancient textual data and the interaction between Christian hermits and their neighbors The breadth of perspective does not sacrifice depth for all authors deal in some detail with the specifics of their subject matter As a whole this collection provides an outline of the history and sociology of the Eastern Desert unparalleled in any language for its comprehensiveness As such it will be the essential starting point for future research on the Eastern Desert Includes a CD of eleven audio files with music of the Ababda Nomads and six short videos of Ababda culture **The Kingdom of God**

Christopher W. Morgan, Robert A. Peterson, 2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series Hints to the People of the United Kingdom, in General, and of North Britain, in Particular,

on the Present Important Crisis, and Some Interesting Collateral Subjects William Dickson, 1803 **Hong Kong's New Constitutional Order** Yash Ghai, 1997-05-01 This is the first systematic analysis of the constitutional legal economic social and political systems of Hong Kong as a special administrative region of China It examines the Basic Law against its historical and socio economic contexts including its international and domestic foundations and the loss and the resumption of sovereignty by China The author offers a conceptualization of the Basic Law and locates it within China's constitutional political and legal systems The book explores the balance as well as the tensions between the autonomy of Hong Kong and the sovereignty of China which are aggravated by the necessity to accommodate contrasting economic and political systems It also identifies key legal and political problems that are likely to arise in implementing the Basic Law and suggests an approach to its interpretation The Basic Law provides a fascinating example of the interaction of widely different traditions of law politics and economy and a novel system of autonomy Its study is therefore of great interest to scholars of comparative law and politics This new edition covers significant political constitutional and legal developments since the transfer of sovereignty in July 1997 Introducing the New Testament Joe Blair, 1994-06-07 Helps students understand the New Testament by introducing its contents and principles for its interpretation The 99 Beautiful Names for God for All the People of the Book David Bentley, 1999 In a bridge building exercise between Christians Muslims and other people of the book David Bentley traces the Semitic pre Islamic origins of Islam's 99 names of God He points the reader to Old Testament counterparts of these names as well as to Jesus comparable representations of Himself **The People Called** Paul D.

Hanson,2001-01-01 In this unique work Paul Hanson traces the concept of community from its early biblical origins through the end of the apostolic age This edition includes a chapter devoted to the contemporary implications of this concept and in his new introduction the author further explores the importance of this theme      **The Chinese Classics** James Legge,1875

**WHEN THE ANGEL SPEAKS, LISTEN** ,Mara-Yanka,2024-10-29 When the Angel Speaks Listen is an inspiring book that tells us God has not abandoned us He loves us God knows we sin and now is the time we as sinners need to know that we learn to love with a pure heart We learn to listen to the words of faith salvation and love We learn about the saints who hear our prayers the angels who guide us and many prayers that give us hope There are poems that inspire us quotes that tell of truth and narration that tells stories with divine words from the angel of the Lord God      **Servant Leaders of the People of God** Robert Morris Schwartz,1989 A spirituality of the American priesthood based on the documents of Vatican II and the teaching of the U S bishops      **An Alarum to the People of Great-Britain and Ireland** N. Archdall,1751      **The Messenger** Joseph F. Girzone,2002-05-14 From the bestselling author of Joshua and A Portrait of Jesus comes a moving eye opening parable about a messenger sent to reawaken faith love and compassion in a world that has strayed from the lessons of the Gospels In this Image paperback original Joseph Girzone once again weaves a story that will transform readers understanding of Jesus teaching and change the way they put that teaching into action in their own lives The Messenger is the story of the Kingdom of Light created by God on Earth This kingdom started as a small community and grew to encompass vast numbers of people of every race and nation transcending the boundaries of all worldly realms But with the passage of time the message of peace and forgiveness love and joy preserved in the book is forgotten overwhelmed by the selfish interests of its leaders Watching over his people God resolves to send a special messenger to renew the spirit of compassion and freedom among the rulers of the world Francis who became attached to God as a young boy and never lost the beauty and joy of that friendship is entrusted with the precious mission As Francis travels throughout the United States Girzone brings to life the conflicts hostility and pain of our times and points the way toward peace and understanding With humility and a strong sense of purpose Francis teaches leaders to break through the crushing letter of the law and restore its spirit to reunite groups torn apart by prejudice and hatred through love and to show compassion to the less fortunate by welcoming them back home to the kingdom Under the guidance of a new ruler well versed in the book fear and skepticism give way to the sharing of ideas and the bringing together of people of different beliefs And the miracle that begins in one part of the world soon spreads touching the hearts and of transfiguring the lives of the people across the globe
