**China's Air Power and Maritime Strategies Towards the Indian Ocean Region** Joshy M. Paul,2025-02-03 This book examines China s naval and airpower strategic direction towards the Indian Ocean region It discusses China s military modernization program along with naval and airpower capabilities including expeditionary nature It analyses China s attempt to gain a strategic dominance in the IOR by means of investments and trade with the littoral countries military diplomatic relationship with friendly countries permanent presence of naval systems in the Indian Ocean and delivering public goods throughout the region A comparative analysis of People s Liberation Army Air Force PLAAF expeditionary capabilities and Indian Air Force s IAF deterrence mechanisms is also included Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan     **China, an Analytical Survey of Literature** United States. Department of the Army,1978     **World Military History Bibliography** Barton Hacker,2003-06-01 Preclassical and indigenous nonwestern military institutions and methods of warfare are the chief subjects of this annotated bibliography of work published 1967 1997 Classical antiquity post Roman Europe and the westernized armed forces of the 20th century although covered receive less systematic attention Emphasis is on historical studies of military organization and the relationships between military and other social institutions rather than wars and battles Especially rich in references to the periodical literature the bibliography is divided into eight parts 1 general and comparative topics 2 the ancient world 3 Eurasia since antiquity 4 sub Saharan Africa and Oceania 5 pre Columbian America 6 postcontact America 7 the contemporary nonwestern world and 8 philosophical social scientific natural scientific and other works not primarily historical     China's Foreign Relations and Security Dimensions Geeta Kochhar,2018-03-19 China is the world s second largest economy and a key player in world politics This book looks at China s foreign policy from a macro perspective It analyses China s peripheral and regional policy as well as its relations with other major powers India and Russia It offers insight into the historical security concerns of China and the linkages of internal domestic issues with external diplomacy which reshape its relations with neighbouring countries The volume also examines President Xi Jinping s foreign policy orientations and aspirations for future In face of growing global concern on China s hegemonic ambitions in the region the book gauges the tensions between China and Japan in the South China Sea as well as the apprehensions of several smaller Asian countries that may perceive China s strategic and geo economic advantages and military strength as a threat This book will be useful to scholars and researchers of China studies politics foreign policy international relations military and strategic studies defence and security studies area studies and political studies     **The Chinese Communist Armed Forces** Kenneth R. Whiting,1974 Although the history

and present state of the Chinese Communist military forces are not as well covered as those of the Soviet Union nevertheless there is a relatively large number of books articles and source collections available in English Then why this study The answer is simply that this is an attempt to tell the story of the Chinese Red Army in as concise a form as possible without compressing the narrative to the point of distortion The study may seem overstuffed with facts or what pass for facts but the author can assure the reader that he did his best to eliminate all but those he considered essential The historical approach has been used for the simple reason that like any other organism the Chinese Red Army is a melange of strengths and weaknesses rooted in its evolution

**Naval Race Or Arms Control in the Indian Ocean?** Alvin J. Cottrell, Walter F. Hahn, **Chinese Strategy and Military Modernization in 2015** Anthony H. Cordesman, Steven Colley, 2016-01-12 China's emergence as a global economic superpower and as a major regional military power in Asia and the Pacific has had a major impact on its relations with the United States and its neighbors China was the driving factor in the new strategy the United States announced in 2012 that called for a rebalance of U S forces to the Asia Pacific region At the same time China's actions on its borders in the East China Sea and in the South China Sea have shown that it is steadily expanding its geopolitical role in the Pacific and having a steadily increasing impact on the strategy and military developments in other Asian powers
