**The Peoples of Israel** H. Arthur Klein,1986      **The Publishers' Trade List Annual** ,1988      Jesus' Death and the Gathering of True Israel John A. Dennis,2006 Taking seriously the Gospel as a unified narrative and the Gospel s late first century Jewish setting John Dennis investigates the Fourth Gospel s appropriation of Jewish restoration theology Employing John 11 47 52 as the starting point the author argues that one of the primary functions of restoration theology in John is to interpret Jesus death in the light of Jewish restoration expectations A new angle on Jesus death in the Fourth Gospel emerges from this study Jesus death effects the restoration of Israel the restoration that was engendered by the Prophets and expected by many Jews of the Second Temple period In the course of the study it is also argued that John was primarily concerned with Israel s restoration and not with a mission to the Gentiles In this light a fresh interpretation of the children of God 11 52 is offered      **Bible Review** ,1992      Jews and New Christians in the Making of the Atlantic World in the 16th-17th Centuries Henryk Szlajfer,2023-11-13 Amsterdam Jews appeared up to the mid 17th century as Braudelian great Jewish merchants However the New Christians heretic judaizantes in the eyes of the Inquisition dispersed around the world group sui generis were equally crucial Their religious identities were fluid but at the same time they and the new Jews from Amsterdam formed a part of economic modernity epitomized by the rebellious Netherlands and the developing Atlantic economy At the height of their influence they played a pivotal albeit controversial role in the rising slave trade The disappearance of New Christians in Latin America had to be contextualised with inquisitorial persecutions and growing competition in mind      **Social Critique by Israel's Eighth-Century Prophets** Hemchand Gossai,2006-05-01 This is an exhaustive and perceptive analysis of the use of mishpat and sdq in the Hebrew Bible and in particular the Eight Century Prophets The author focuses on the social critique of these prophets and the role of mishpat and sdq in this development Further the book offers an insightful exploration of chosen texts and provides a daring platform for contemporary society to discern the intrinsic connection between worship and social justice      *The New-century Bible* Walter Frederic Adeney,1904

*They Shall See God* H. Allen Hanson,2010-05 Jesus said Blessed are the pure in heart for they shall see God Matthew 5 8 The Bible progressively reveals a glorious description of God the Father beginning with Moses in the book of Genesis and ending with what John saw in the book of Revelation The author has done massive research showing that the Bible is full of descriptions of the glory of God This is a unique book one of kind about the visual glory of God It is incredible that nothing has been written about this aspect of the glory of God since one of the basic meanings of glory is visual brilliance and splendor It is true that no man has seen God because He has hidden him Himself for several reasons Man would die if he saw Him Man would make an idol of Him God desires that man have faith in an unseen God Many theologians maintain that God cannot be seen that He has no face or form because He is spirit invisible and omnipresent The book addresses these concepts Jesus however said that He has seen God and that angels see His face This book should be in the shelves of every seminary

Bible school minister's study and in the hand of every person as a help in Bible study or in seeking to know more about God May it inspire every Christian to anticipate that day in heaven when they shall see Jesus and God the Father **British**

**Women Poets of the Long Eighteenth Century** Paula R. Backscheider, Catherine E. Ingrassia, 2009-10-30 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R Backscheider and Catherine E Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded **Jews and Christians in the First and Second Centuries: Mapping the Second Century**, 2024-09-16 The second century is a crucial period for the formation of both Judaism and Christianity but remains in important ways terra incognita This volume brings together specialists in Jewish studies and Christian studies two closely related disciplines that nonetheless continue to operate in relative isolation Taking into consideration the full panoply of Jewish and Christian identities the volume proposes fresh ways to map the interrelated histories of Jews and Christians Contributions by leading scholars offer new insights into this period informed by a rich variety of perspectives including theoretical literary thematic and material approaches **ISRAEL AGAINST ALL ODDS** Christopher H. K. Persaud, 2019-07-19 The Jewish people have been and are indisputably the most persecuted people in the annals of history Today 53% of all hate crimes in the United States of America are directed at the Jewish People At the source of Jew hatred in its myriad forms is anti-Semitism a sinister and vile mindset that has existed since Old Testament times or for thousands of years Anti Semites pervade social religious economic and political confines even mainstream Christianity and their dislike for people of Jewish ancestry often translate into mindless persecution and slaughter such as the atrocities perpetrated by the Nazis and their collaborators during the Second World War in the mid twentieth century whereby over six million Jews met their deaths in the Holocaust Anti-Semitism instead of diminishing after the horrors of World War II showed no sign of abatement and it seems as though the entire world with a few exceptions like the Jewish nation of Israel itself and

the United States of America is at loggerheads with Jews Even international peacekeeping and monitoring organizations like the United Nations and its numerous spinoff groups are known to discriminate sometimes barefacedly against Jews and Israel Middle Eastern Arabs and Muslims harbor intense loathing for Israel and Jews and notwithstanding their occupancy of over ninety nine percent of Middle Eastern territories seek to covet the less than one percent of land in which Israelis reside by any means necessary Despite the seemingly insurmountable hardships and challenges Jews have faced throughout the centuries they persist and even progress in today s societies They leave their enemies awe struck at their resilience and their will to survive It seems as though Israel and Jews in general enjoy a kind of divine providence ISRAEL and Jews around the world continue to stand tall today against all odds

**Jewish Studies and Israel Studies in the Twenty-First Century** Carsten Schapkow,Klaus Hödl,2019-08-21 Jewish studies has been a vibrant academic discipline for many decades and since the establishment of the Association for Israel Studies in 1985 to engage in research on the history politics society and culture of the modern state of Israel the two disciplines have worked along parallel tracks in universities This book focuses on the vibrant academic field of Israel studies and its complex and dynamic relations and intersections with its older sibling Jewish studies Scholarly contributions from around the globe illustrate that the ongoing and growing interest in Israel studies in particular since the early 2000s must be analyzed and understood in its relationship to Jewish studies Only this will allow scholarship to reflect on not only the intersections between the two fields but also on the prospects of cross pollination between the disciplines for research and teaching This will become ever more vital in an increasingly globalized world with shifting concepts borders and identity concepts

**Official Records** ,1997      **We the People** Tommy Givens,2014-10-01 We the People explores John Howard Yoder's account of peoplehood and develops an appreciative revision that considers the politics of Jesus in relation to the people of Israel This revision articulates the theopolitical stakes in relation to the modern nation state's claims to peoplehood and the observable effects of its exegetical and historical moorings in self assertion as the new and purified Israel Tommy Givens then undertakes a critical engagement with Karl Barth's account of God's election and a theologically sensitive exegesis of key biblical texts in dialogue with Carl Schmitt Jacob Taubes and N T Wright      **Dirk Philips, A Sixteenth-Century Dutch Anabaptist** Insung Jeon,2022-03-18 The purpose of this book is to shed light on the thought of Dirk Philips who was a Mennonite leader in the sixteenth century and to argue that his various doctrines including his Christology ecclesiology soteriology and anthropology are interrelated with his view of the visible church This book explains that Dirk Philips' view of the visible church is much closer to the ecclesiology of Augustine's tradition rather than to the ecclesiology of the Donatists' tradition Although Dirk Philips had excellent theological abilities and he was a leader who made a significant contribution to the development of the Mennonites' camp he did not receive much attention in the study of Anabaptists and there has not been much research on this sixteenth century Mennonite leader Thus this book will help you discover a great sixteenth century leader who has been forgotten in church history Is it true that the Radical Reformers are disciples of Donatus that the Anabaptists thought that the failed believers cannot be forgiven because the church is a gathering of pure souls This book will probe the idea that the Radical Reformation is closer to the ecclesiology of Augustine's tradition than to the ecclesiology of the Donatists' tradition      **The Jewish People in the First Century, Volume 2** Shmuel Safrai,Stern,David Flusser,W.C. van Unnik,1988-01-01 Series Compendia Rerum Iudaicarum ad Novum Testamentum Section 1 The Jewish people in the first century Historical geography political history social cultural and religious life and institutions Edited by S Safrai and M Stern in cooperation with D Flusser and W C van Unnik Section 2 The Literature of the Jewish People in the Period of the Second Temple and the Talmud Section 3 Jewish Traditions in Early Christian Literature      *The Hebrew Bible in Fifteenth-Century Spain* Jonathan Decter,Arturo Prats Oliván,Arturo Prats,2012-06-22 The articles of this volume present instantiations of the Hebrew Bible's deployment in textual and visual forms by Iberian Jewish Christian and converso exegetes translators philosophers artists and literary authors between the anti Jewish riots of 1391 and the Expulsion of 1492
