The Pictorial History of England: a History of the People as Well as of the Kingdom George Lillie Craik, 1856 *Diana: The People's Princess* Lisa Owings, 2012-09-01 This informative title covers the life of the People's Princess Diana Princess of Wales. Readers learn of her childhood, her parents' divorce and her father's remarriage, her trip to boarding school and the affects of these events on her life. Diana's first meeting with Charles Prince of Wales in 1977 is detailed, as is their whirlwind courtship, fairytale wedding, the birth of the Princes William and Harry and the couple's acrimonious divorce. Diana's struggle with bulimia, her suicide attempts as well as her compassion for others in her service for AIDS, homelessness and land mine awareness are also discussed. The positive changes in her life after her divorce and the events leading to her tragic death at age 36 are also examined. This book includes details of Diana's life and covers the controversies surrounding her life and death. Aligned to Common Core Standards and correlated to state standards.
