The Perfection of Wisdom ,2000 At the heart of Buddhism lies the doctrine of the perfection of wisdom The foremost principles of this teaching are the bodhisattva ideal of the religious life and the essential emptiness of all existence The sutras known as The Perfection of Wisdom in 8 000 Lines are the oldest version of this important Buddhist text dating some two thousand years and are the basis for the present translation The message of The Perfection of Wisdom is as applicable to the modern reader as it was to the monks who first studied the text two millennia ago through an understanding of the perfection of wisdom it is possible for all of us to detach from the suffering that binds us to the material world and so move toward enlightenment This important text is illustrated with extraordinary images taken from the earliest surviving Indian and Nepalese illustrated manuscripts of The Perfection of Wisdom most of which have never been reproduced before

Receptacle of the Sacred Jinah Kim,2013-04-12 In considering medieval illustrated Buddhist manuscripts as sacred objects of cultic innovation Receptacle of the Sacred explores how and why the South Asian Buddhist book cult has survived for almost two millennia to the present A book manuscript should be understood as a form of sacred space a temple in microcosm not only imbued with divine presence but also layered with the memories of many generations of users Jinah Kim argues that illustrating a manuscript with Buddhist imagery not only empowered it as a three dimensional sacred object but also made it a suitable tool for the spiritual transformation of medieval Indian practitioners Through a detailed historical analysis of Sanskrit colophons on patronage production and use of illustrated manuscripts she suggests that while Buddhism s disappearance in eastern India was a slow and gradual process the Buddhist book cult played an important role in sustaining its identity In addition by examining the physical traces left by later Nepalese users and the contemporary ritual use of the book in Nepal Kim shows how human agency was critical in perpetuating and intensifying the potency of a manuscript as a sacred object throughout time

On Divine Revelation: The Teaching of the Catholic Faith Vol. One Fr. Reginald Garrigou-Lagrange,2022-05-27 In On Divine Revelation one of Garrigou Lagrange s most significant works here available in English for the very first time he offers a classic treatment of this foundational topic It is an organized and thorough defense

of both the rationality and supernaturality of divine revelation He presents a careful yet stimulating account of the scientific character of theology the nature of revelation itself mystery dogma the grace of faith the powers of human reason false interpretations thereof rationalism naturalism agnosticism and pantheism the motives of credibility and much more Though written a century ago On Divine Revelation will restore confidence in theology as a distinct and unified science and return focus to the fundamental questions of the doctrine of revelation It also serves as a salutary corrective to contemporary theology s anthropocentrism and concern with what is relative in revelation and religious experience by reorienting our theological attention to what is most certain central and sure in our knowledge of divine revelation the Triune God who has revealed his inner life and salvific will Readers will see the great splendor of the gift of divine revelation radiant with credibility before the gaze of reason and drawing our supernatural assent to the mysteries through the gift of faith As Fr Cajetan Cuddy O P observes On Divine Revelation is a stunning work of inestimable value No other subsequent work on this topic has come close to meeting it much less surpassing it

Many of us fail to recognize that obtaining the seven gifts of the Holy Spirit is absolutely essential to getting to heaven We often block their reception through our own faults We fail to see how they are passed on or strengthened in the sacraments And sadly we forget to petition God in prayer to bestow these gifts upon us In these pages Dr Kevin Vost best selling author of The One Minute Aquinas provides us with a substantive yet readable introduction to the seven gifts and how we can humbly submit our wills to the stirrings of the Holy Spirit As Dr Vost explains these God given gifts help us to conform our lives to His image intellect and will They prevent us from being drawn into frustration and possibly self destruction by following our own sensual appetites Indeed the gifts of the Holy Spirit are the only path to being fully happy on earth and in the life to come With St Thomas Aquinas and St Bonaventure as his guides Dr Vost introduces you to the special charism of the Holy Spirit before explaining each gift one by one You ll discover the special meaning behind each of the natural and theological virtues and you ll learn the indispensable link between the seven gifts and the Beatitudes You ll also learn How the seven gifts differ from the fruits of the Holy Spirit The three ways to perfect fear of the Lord The one sacrament that helps you fortify fortitude it s not the one you think How the gift of knowledge differs from the gift of understanding The seven steps to unwrapping and sharing each of the Holy Spirit s gifts The greatest of the seven gifts and why you must possess it to attain heaven Are the seven gifts habits we must develop or does the Holy Spirit instill the habits in us Don t let another year go by without unwrapping and enjoying the gifts of the Holy Spirit Read this book and then accept the seven gifts the Holy Spirit so

desperately wants to give you
