The American Presidency An Interpretation:

The American Presidency Harold Joseph Laski, 1943 **The American Presidency** Harold Laski, 1980-01-01 With its call for new revitalized presidential leadership The American Presidency is as relevant and timely today as when it first appeared in 1940 as a Book of the Month Club selection In addition to providing innovative ideas about the American presidency Laski's book examines such contemporary critical issues as the deadlock between the president and Congress the crucial need for a coherent presidential direction of foreign policy the relative unimportance of the president's cabinet and the weaknesses of America's power system in dealing with special interest groups The American Presidency Harold J. Laski, 2024-09-02 First Published in 1940 The American Presidency is the first full length study of the presidency in action in America to be written by an Englishman It explains the working of the complicated system over which the President presides and particularly the vexed question of the dual control of foreign relations in the United States Professor Laski offers a new theory of the place of the presidency in American life and incidentally throws light on the inner nature of the other great Anglo Saxon democracy His Book is more than a formal description It is essentially a novel interpretation of the greatest elective office in the democratic world This is a must read historical reference work for students of politics American politics and American history *The American Presidency* Harold Joseph Laski, 1980-01-01 **The American Presidency [braille] : an Interpretation** Harold Joseph Laski, 197? **The American Presidency** Harold Joseph Laski, 1940 What Does the American Presidency Mean? Richard Holtzman, 2025-06-27 What Does the American Presidency Mean The Need for Interpretation in Presidency Studies makes a compelling case for how interpretivism contributes to our understanding of the American presidency This brief book is accessible and inviting regardless of a reader's background in presidency studies or interpretivism Part I explores several dimensions of interpretivist and positivist methodologies Chapters discuss the characteristics of interpretivism genealogically trace positivism's dominance in presidency studies and identify how attributes of the presidency that raise methodological challenges for positivism are the same that make it fertile ground for interpretivism Part II explores a wide range of interpretive scholarship on the American presidency including studies of presidential meaning making the institution's historical political development presidential symbolism the construction of the presidency and the presidential spectacle It concludes with an interpretation of recent developments emphasizing the timeliness relevance and importance of methodological pluralism in presidency studies The book is written for anyone interested in the meaning of the presidency whether scholars or graduate students in American political science or those from other disciplines within and outside the United States It is appropriate for courses on the American Presidency Executive Politics Political Communication Rhetoric and Social Science Methods among others *The American Presidency* William G. Howell, 2023-02-21 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly

and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world's most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy

The American Presidency Irwin L. Morris, 2010-08-15 Presidential scholars increasingly turn to science to address the fundamental issues in the field but undergraduates are rarely taught the skills to do the same *The American Presidency* introduces students to new insights produced by the scientific study of the presidency and the scientific endeavor itself After chapters on the scientific study of the presidency and background information on the presidency the text discusses prominent theories of presidential power Chapters on presidential elections the president's relationship with other political actors such as Congress and the Supreme Court the president's role in foreign and economic policy and presidential greatness include guided research exercises that provide students with the opportunity to apply the scientific method to empirical questions with significant theoretical content *The American Presidency* provides students with the opportunity to learn about the presidency and enables them to draw their own reasoned conclusions about the nature of presidential power

The American Presidency, 1972

The Constitution and the American Presidency Martin L. Fausold, Alan Shank, 1991-01-01 In this unusual and provocative volume historians examine the presidencies of Jefferson Jackson Lincoln Theodore Roosevelt F D R and Truman while political scientists assess the contemporary presidency and suggest a range of reforms from modest to radical including fundamental alterations to the balance of power between the presidency and the Congress

The Representation of the American Presidency in Recent Hollywood Movies Marie Axland, 2009 Thesis M A from the year 1998 in the subject American Studies Culture and Applied Geography grade 1 0 LMU Munich language English abstract In Hollywood film history the U S president has had many images a brave leader an incompetent fool a lovable hero One thing is for certain No matter what era Presidents whether fictional or real are frequent fodder for filmmakers After Vietnam and the revelations of Watergate however the number of films with presidential portrayals steadily decreased and the depictions that did appear generally cast a corrupt or inept Chief Executive It is therefore more than surprising why filmmakers today have

decided to produce such an incredibly large number of films as compared to the last two decades Presidents have been portrayed as minor characters in dozens of Hollywood films either for inspirational purposes or simply to keep the plot moving. Lately not only the number of President films has increased significantly but there is also a clear tendency to let the Presidents move towards center stage and they are now often pictured as the protagonists. This phenomenon opens up a whole range of questions: How are the Presidents depicted? Is there a certain trend in the portrayals? Or are those portrayed all different from each other? Are there differences or similarities to older characterizations? What does this tell us about Hollywood's view of the Presidency? Has it suddenly changed? And what are the reasons for such a sudden boost in the number of films? By taking a closer look at a selection of Hollywood productions this paper provides an attempt to find answers to these questions. Of the string of fictional Presidents that American filmmakers have recently created some are more loathsome than their real life counterparts others more heroic. Both types seem designed to connect with audiences' hopes and fears what the Hollywood dream factory does best. Interestingly the portrayals have been all over.

The Unsustainable Presidency W. Grover, J. Peschek, 2014-12-16 The Unsustainable Presidency develops a structural theory of the office by challenging and redefining the twin imperatives upon which the modern chief executive was constructed and by applying the theory to the three most recent presidents Bill Clinton George W Bush and Barack Obama.

The American Presidency Fenton S. Martin, Robert Goehlert, 1987 **The Development of the American Presidency** Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution. The Development of the American Presidency pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus. Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change. All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts. Ellis's own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages. Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept. A wealth of photos figures and tables allow for the visual presentations of concepts. A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book's lessons.

Constitutional Ambiguity and the Interpretation of Presidential Power Richard W. Waterman, 2025-02-01 Examines the role of constitutional ambiguity across the entire spectrum of American history and how it impacts our interpretation of presidential power. While the rise of autocratic presidential powers has been widely noted by scholars in recent years with calls by some for a stronger or more

accountable presidency Constitutional Ambiguity and the Interpretation of Presidential Power is among the first entirely dedicated to a study of the impact of this ambiguity on how scholars judges and presidents have understood executive power Embarking on a detailed examination of legal historical and political science literature across the broad scope of American history Richard W Waterman examines the concerns of the Constitution s Framers regarding the fear of monarchy and a tyrannical president He then discusses the writing and ratification of the Constitution and by drawing on insights from the time of the Framers to the present day he provides a unique historical timeline related to the discussion and analysis of constitutional ambiguity Over the course of several chapters he finds that no sole theory defines presidential power and ambiguity rules the day allowing presidents to find power in the Constitution s silences as well as its various nooks and crannies which has led to the very real danger of an autocratic presidency

The Oxford Handbook of the American Presidency George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today

The Development of the American Presidency Richard Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special

attention to Trump's border wall declaration Review of Biden's and Trump's impact on the judiciary Assessment of Biden's and Trump's place in political time **President Nixon's Executive Order 11605 Relating to the Subversive Activities Control Board** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Separation of Powers, 1971

The Presidencies of William Henry Harrison & John Tyler Norma Lois Peterson, 1989 On balance Peterson concludes Tyler demonstrated exemplary executive skills and his presidency deserves more credit than it received for what was accomplished and preserved under difficult circumstances
