The American Scholar A Study In Literai Inhumaniores:

Prospects for the Study of American Literature Richard Kopley, 1997-08 What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain *The American Scholar* William

The American Scholar (Classic Reprint) Theodore Parker, 2016-06-27 Excerpt from The American Scholar Into this volume have been collected a number of Theodore Parker s more scholarly and critical essays originally published in the various reviews with which he was connected in one or another capacity To these have been added three or four studies of great preachers The title of the initial essay at first used as a college address has been thought an appropriate one for the whole volume The essays on Follen Beecher and Macaulay have not before been reprinted from the reviews in which they first appeared That on Dr F ollen was printed in The Dial and was the first of Parker s remarkable series of character studies As the work of a young man it will be found worthy to lead the way to the studies of Adams and Webster The essay on Macaulay appeared in the Massachusetts Quarterly Review and by what oversight Miss Gobbe failed to include it in her edition it is impossible now to say Parker s only contribution to The Atlantic Monthly in its first volume was the essay on Henry Ward Beecher It was his last work of this kind and probably concluded his many contributions to magazine literature It shows how highly he appreciated the great Brooklyn preacher About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important

EMERSON FROM THE AUTHOR S PREFACE NEARLY half the matter in this volume has been printed elsewhere The Rational Study of the Classics Literature and the College and On Being Original are reproduced with immaterial changes from the Atlantic Monthly Two papers in the Nation are combined with a great deal of new material in the essay on Literature and the Doctor s Degree Portions of the essays on Ancients and Moderns and Academic Leisure are taken from two articles in the Harvard Graduates Magazine I wish to thank the publishers of these periodicals for permission to reprint I have often been forced in these essays to tread on burning ground at the risk of giving offense to some of my readers I may at least say that my aim has been to define types and tendencies and not to satirize or even label individuals Individuals are usually not easy to label especially at a time like the present A highly unified age may offer examples of highly unified personalities but there is likely to exist in the individual of to day the same confused conflict of tendencies that we see in the larger world What I try to show is not that our contemporary scholars are lacking in humanistic traits but that the scholars in whom these traits predominate are few rari nantes in gurgite vasto I would also remind the reader that my treatment of certain eminent persons of the past and present is limited by my subject and makes no claim to completeness It was for example inevitable in dealing with college education that I should discuss the role of President Eliot It was also inevitable in the case of one who has exercised so many sided an influence on his time that I should fall very far short of a rounded estimate I desire to take this opportunity of expressing my sense of obligation to Professor Charles Eliot Norton Those who during the past generation have felt the need of a more humane scholarship are indebted to him many for direct aid and encouragement and all for an example To Mr Paul E More literary editor of the New York Evening Post and the Nation who read several of these essays in manuscript acknowledgments are due for various criticisms and suggestions
