

PRELUDE

A Lyric Road To Yesterday

A few years ago, at the time of the short-lived *Harvey* over a very young soprano in New York, an estimable institution of lofty aims and traditions was host to a banquet sponsored in its recognition of the American singer. One of the speakers had the hardihood to remark that the banquet was, in reality, in recognition of the recognition of the American singer.

Over several decades, and with increasing emphasis on the novelty as well as the pride of it, the American public has been discovering and rediscovering the American singer, as if he and she were a new apposition in the operatic heavens. This has worked no considerable ill, save as it may have affected the temper or the digestion of the historically-minded. It is fair to assume that living American artists who retired before, or between, these discoveries and rediscoveries have had the awareness of spirit and the humor of outlook to smile indulgently on the successive revelations of something new under our western sun. Though at almost any time within a half-century, the roster of those American singers living in retirement would have made a showing which, for national and even world fame, could scarcely be challenged by any particular year's discoveries, that circumstance could hardly be expected to divert an up-to-the-minute public from the celebration of its own hour. The listening ear, of course, is for those who sing today, as the ear of memory is for those who sang on a yesterday. But the American singer of any given day is not to be regarded as the product of something that miraculously came into being overnight; and if he now stands on a plane of equality with the European artist, with no such need, real or imaginary, to Italianize, Germanize or Frenchify a homely American name as was true of

The American Singer A Hundred Years Of Success In Opera

E. Douglas Bomberger

The American Singer A Hundred Years Of Success In Opera:

The American Singer Oscar Thompson,1937 **The American Singer. A Hundred Years of Success in Opera ... With 108 Illustrations** Oscar Lee THOMPSON,1937 *A Hundred Years of Music in America* William Smythe Babcock Mathews,1889 *The American Singer* Oscar Thompson,1969 **Strong on Music** Vera Brodsky Lawrence,1995-12-18 In this second volume of Strong on Music Vera Brodsky Lawrence carries into the 1850s her landmark account of the nineteenth century New York music scene Using music entries from George Templeton Strong's famous journals most published here for the first time as a point of departure Lawrence provides a vivid portrait of a vibrant musical culture Each chapter presents one year in the musical life of New York City with Lawrence's extensive commentary enriched both by excerpts from Strong's diaries and a lavish selection of little known music criticism and comment from the period The reviews written by an often truculent sometimes venal tribe of music journalists cover the entire world of music from opera to barrel organ salon to saloon In this New York operas performed by renowned artists are parodied by blackface minstrels performances of the Philharmonic Society are drowned by the raucous chatter of flirtatious adolescents who turn concerts into a noisy singles hangout and irate critics trash the first performances of Verdi operas calling the plots indecent and the scores noisy and unmelodic In this volatile atmosphere a native musical culture is born its whose first faltering efforts are dubiously received and the first American composers begin to emerge *Brainard's Biographies of American Musicians* E. Douglas Bomberger,1999-11-30 The series of biographical sketches published by Brainard's Musical World between 1877 and 1889 is notable for the diversity of the musicians profiled and for the entertaining personal information provided This period witnessed the establishment of musical institutions and attitudes toward music that have shaped American music to the present day The biographies present a cross section of American musicians in the late 19th century including singers instrumentalists writers teachers and composers Among the musicians included are some of America's most prominent conductors such as Theodore Thomas and Leopold Damrosch composers such as John Knowles Paine and George F Root writers such as John S Dwight and Amy Fay teachers such as William Mason and Erminia Rudersdorff and performers such as Emma Abbott and Maud Powell Scores of less familiar musicians who were also instrumental in shaping America's music are included as well Originally intended for general readers the biographical sketches not only shed light on musical topics but also include personal information that is seldom found in a traditional dictionary and which speaks to the attitudes and concerns of the late 19th century society This work will be of value to scholars and researchers of 19th century American music and to those interested in the development of popular song Entries are alphabetically arranged and include select bibliographies A general bibliography and index are also included *Geraldine Farrar* Elizabeth Nash,2012-09-18 From 1906 until 1922 Geraldine Farrar was the Metropolitan Opera's most popular and glamorous prima donna Convinced that music must always serve the drama she often sacrificed tonal beauty to dramatic effect and her acting was noted for its

intensity and realism Nevertheless Farrar was a superb singer possessing a beautiful lyric soprano voice Farrar was also a star of the silent screen appearing in 14 films from 1915 to 1920 In retirement she was mentor and friend to the African American soprano Camilla Williams enabling Williams to become the first African American to have a regular contract with a major American opera company This biography and critical analysis of Farrar s career provides a detailed account of her major contributions to the history of opera

Strong on Music Vera Brodsky Lawrence,1999-02 In *Strong on Music* Vera Brodsky Lawrence uses the diaries of lawyer and music lover George Templeton Strong as a jumping off point from which to explore every aspect of New York City s musical life in the mid nineteenth century This third and final volume ranges across opera orchestral and chamber music blackface minstrels military bands church choirs and even concert saloons Among the many striking scenes vividly portrayed in *Repercussions* are the rapturous reception of Verdi s *Ballo in maschera* in 1861 the impact of the Civil War on New York s music scene from theaters closing as their musicians enlisted to the performance of *The Star Spangled Banner* at every possible occasion and open air concerts in the developing Central Park Throughout Lawrence mines a treasure trove of primary source materials including daily newspapers memoirs city directories and architectural drawings Indispensable for scholars *Repercussions* will also fascinate music fans with its witty writing and detailed descriptions of the cultural life of America s first metropolis Formerly a concert pianist Vera Brodsky Lawrence spent the last third of her life as a historian of American music she died in 1996 She was editor of *The Piano Works of Louis Moreau Gottschalk* and *The Complete Works of Scott Joplin* On Volume 1 A marvelous book There is nothing like it in the literature of American music Harold C Schonberg New York Times Book Review On Volume 2 A monumental achievement Victor Fell Yellin Opera Quarterly

Verdi in America George Whitney Martin,2011 The operas of Giuseppe Verdi stand at the center of today s operatic repertoire and have done so for more than a century The story of how the reputation and wide appeal of these operas spread from Western Europe throughout the world has long needed to be told This latest book by noted Verdi authority George W Martin *Verdi in America* Oberto through *Rigoletto* specifically details the changing fortunes of Verdi s early operas in the theaters and concert halls of the United States Among the important works whose fates Martin traces are *Nabucco* *Attila* *Ernani* *Macbeth* in its original version *Luisa Miller* and one of Verdi s immortal masterpieces *Rigoletto* denounced in 1860 as the epitome of immorality Martin also explores the astonishing revival of many of these operas in the 1940s and onward including *Macbeth* in its revised version of 1865 and the first American productions sometimes in small opera houses outside the main circuit of some Verdi operas that had never previously managed to cross the Atlantic Extensive quotations from newspaper reviews testify to the eventual triumph of these remarkable works They also reveal the crucial shifts in tastes and expectations that have occurred from Verdi s day to our own Publisher description

The American Singer; a Hundred Years of Success in Opera, by Oscar Thompson. With 108 Illustrations Oscar Thompson,1969 **Volume of Proceedings of the Music Teachers' National Association ...** Music Teachers National

Association,1938 With the report of the 16th meeting 1894 was issued The secretary s official report of the special meeting Chicago 1893 containing a r sum of the reports of meetings from 1876 to 1892 Thomas Eakins Elizabeth

Johns,1991-02-01 Why did Thomas Eakins now considered the foremost American painter of the nineteenth century make portraiture his main field in an era when other major artists disdained such a choice With a rich discussion of the cultural and vocational context of the late nineteenth and early twentieth centuries Elizabeth Johns answers this question

Wisconsin Library Bulletin ,1935 Hollywood Diva Edward Baron Turk,1998 Based in large part on the author s exclusive access to MacDonald s private papers including her unpublished memoir this vivid often touching biography details the actress s fearless efforts to break down the distinctions between high art and mass consumed entertainment 60 illustrations Hearst's International ,1909 **Current Encyclopedia** Samuel Fallows,Edmund Buckley,Shailer Mathews,1909 Current Encyclopedia, a Monthly Record of Human Progress ,1909 *World Today* ,1909 *The World To-day* ,1909 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries,1979
