Merrill, 2008-03-01 From the origins and exodus to the restoration and new hope Kingdom of Priests offers a comprehensive introduction to the history of Old Testament Israel Merrill explores the history of ancient Israel not only from Old Testament texts but also from the literary and archeological sources of the ancient Near East After selling more than 30 000 copies the book has now been updated and revised The second edition addresses and interacts with current debates in the history of ancient Israel offering an up to date articulation of a conservative evangelical position on historical matters The text is accented with nearly twenty maps and charts **The Serpent's Seed** Joel H. Emerson, 2011-05-25 THE SERPENTS SEED expounds upon a Biblical doctrine that is essential for the proper understanding of both the Scriptures and the present day but which has remained obscured for the past fifteen hundred years And the doctrine is this that since the creation of man we have been at war not only against Satan and his corruptive influences but against the literal offspring of fallen angels and mortal women These hybrid creatures reigned during the days of Noah and Abraham battled Joshua and King David for control of Israel tormented the Jews during the time of Jesus and continue to roam the earth even today Our society even our church has fallen under the sway of these ancient and terrible beings Thus The Serpents Seed was written so that we might not depart from the faith giving heed to seducing spirits and doctrines of devils 1st Timothy 4 1 **There Were Giants Upon the Earth** Zecharia Sitchin, 2010-05-05 The crowning work of the best selling Earth Chronicles series Reveals the existence of physical evidence of alien presence on Earth in the distant past Identifies and describes the demigods such as Gilgamesh descended from these visitors Outlines the tests of this physical evidence of alien presence that could unlock the secrets of health longevity life and death In whose genetic image were we made From his first book The 12th Planet on Zecharia Sitchin has asserted that the Bible s Elohim who said Let us fashion The Adam in our image and after our likeness were the gods of Sumer and Babylon the Anunnaki who had come to Earth from their planet Nibiru The Adam he wrote was genetically engineered by adding Anunnaki genes to those of an existing hominid some 300 000 years ago Then according to the Bible intermarriage took place There were giants upon the Earth who took Adam s female offspring as wives giving birth to heroes of renown With meticulous detail Sitchin shows that these were the demigods of Sumerian and Babylonian lore such as the famed

Mesopotamian king Gilgamesh as well as the hero of the Deluge the Babylonian Utnapishtim Are we then all of us descendants of demigods In this crowning oeuvre Zecharia Sitchin proceeds step by step through a mass of ancient writings and artifacts leading the reader to the stunning Royal Tombs of Ur He reveals a DNA source that could prove the biblical and Sumerian tales true providing conclusive physical evidence for past alien presence on Earth and an unprecedented scientific opportunity to track down the Missing Link in humankind's evolution unlocking the secrets of longevity and even the ultimate mystery of life and death
