Yoga, Fascia, Anatomy and Movement, Second edition Joanne Avison, 2021-05-28 From Anatomy to Architecture from Biomechanical to Biomotional and from Classical to Connected speaks to all bodies in all modalities in a world seeking unity and connection more than ever Yoga Fascia Anatomy and Movement was written partly as an appeal for Yoga Teachers to appreciate the depth and breadth of Yoga as a science a movement practice and a philosophy that fundamentally espouses wholeness as the basis of living anatomy and form Yoga calls for unifying who and how we are and as teachers how we can help our clients who are all different move better Classical Anatomy in the West divides the body down into its component parts and traditionally unchanged for 400 years reduces its functionality to those parts usually described in a 2D iconic forms and founded in lever based mechanics In the East such reductionism was never espoused and Yoga Fascia Anatomy and Movement covers two huge bases to bridge the difference and upgrade understanding of Yoga to

21st Century anatomy The first is to recognise that the leading edge of Fascia Science changes all those reductionist views anatomically and biomechanically It is carefully explained in the first part of the book and shows how the New Science of Body Architecture actually makes perfect sense of yogic philosophy of union and wholeness The second is to take this paradigm shift and apply it in practice to the subtle understanding of the fascial architecture and how that helps us move better Yoga Fascia Anatomy and Movement attempts to ask questions find suitable research and make all this practical and applicable to teachers and practitioners of all types Indeed it teaches posture profiling and creating Class Mandalas to support this It is a contemporary yoga teacher s bible Awakening Artemis Vanessa Chakour,2021-12-28 A healing resource that blends practical plant based knowledge with spiritual reconnection to show how respect for and communion with our natural world guides us toward healing Combining Vanessa s story of her own healing journey with practical plant based knowledge Awakening Artemis is rooted in the belief that healing happens through reclaiming an intuitive connection to ourselves to the natural world and to our own inner wild Having experienced a series of physical traumas growing up including chronic asthma a car accident that fractured her back and neck and sexual trauma Vanessa pursued various approaches to therapeutic movement from martial arts to yogic practices and explored traditions honoring the mind body connection while forging a path to recovery Twenty years now into her journey to reconcile her daily routines with her yearning for greater purpose and connection Vanessa shares the eclectic mix of elements that have brought her deeper self awareness a richer understanding of her place in the world and the confidence and clear boundaries to truly connect with her loved ones Organized into five sections that move from the present moment to the forest edge and into the healing darkness each chapter focuses on a single plant on their power to connect us to our bodies and our environment Using storytelling from her own life Vanessa connects the plants power and characteristics to issues we all grapple to heal from and even to understand from the alienating consequences of cultural appropriation to the intersection between a forest s mycelial network and the neural pathways of our brains For those seeking to recognize the power and omnipresence of the natural world from the mugwort sprouting in the city sidewalk to the majesty of a three thousand year old yew in rural Scotland and harness that to push into new realms of self discovery Awakening Artemis is an intimate unforgettable resource capturing one woman s journey to heal her traumas that opens up a world of potential growth and healing for us all Yoga Therapy for Digestive Health Charlotte Watts,2018-08-21 Yoga is an increasingly popular way of treating the digestive issues which have become common in the western world and now affect one in five people in the UK By combining scientific evidence with traditional yogic practices Charlotte Watts reveals how yoga can be used to alleviate digestive problems such as IBS IBD and more **Anatomy Trains** Thomas W.
