The Angel And The Eagle:

The Angel and the Eagle J. E. Milliner, 1998-08-01 **The revelation of St. John** Irma Korte, 2020-01-03 Could the Revelation of St John inspire us even today in our own spiritual quest Yes answers Dr Korte an author of several books and articles interpreting myths and the Bible as she reads man s spiritual transformation in St John s visions Irma Korte questions the common view of Revelation as a prophesy of horrors and God s revenge and instead invites the reader into man s inner world Here St John contemplates in pictorial mythical language the most essential problems in religion such as the nature of man reality and evil As the visions proceed St John himself experiences a profound inner change He gives up alienating religious beliefs and moves toward ever deeper spirituality culminating in the final illumination Interpreting the visions much like myths are analyzed in Jungian thought Dr Korte compares the images in St John s visions to those from other religious texts psychological and philosophical theories mythology and yoga literature as well as from dreams and experiences of present day men and women The many quotations from the works of Occidental and Oriental mystics testify that they have used images similar to those of St John in recounting their own experiences These mystics include among others St Teresa of Avila St John of the Cross and Paramahansa Yogananda The Angel and the Eagle Joseph E.
