Herbert Lockyer

The Apostle:

The Apostle John Pollock, 1994-01-07 The Acclaimed Authentic Biography of the Early Church's Greatest Evangelist the Apostle Paul Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him As you turn the pages you'll sense Paul's motives his aims and priorities what mattered to him and what he was willing to die for **All the Apostles of the Bible** Herbert Lockyer, 1988-09-27 These studies on the character of the Apostles form a complete series on the lives times and ministries of those men chosen by God to declare his message to the world Peter the Apostle William M. Taylor, 1876 **The Apostle Paul** Marion L. Soards, 1987 This dynamic new consideration of Paul addresses the three basic subjects that make up Pauline studies Paul's life letters and theology and argues that these elements must be treated together since to do otherwise risks distorting one or more of the arguments Discovering the Apostle's Doctrine James F. Disbrow, 2005-03-21 Discovering the Apostles Doctrine is sure to inflame the Christian community and will be considered a very controversial read by those who study God's word with an inflexible understanding of Christian theology Once the pages of this book and the minds of the readers are opened the comments of the author intertwined with biblical truth of scripture will bring a new enlightenment and a deeper understanding of God's will In Christendom over the last 2 millennia there has been a departure from the true gospel of Jesus Christ as was presented by his apostles In fact the doctrines that were expressly taught by the apostles of Jesus Christ and that are presented in the New Testament are for the most part not followed by Christendom today This book will bring the readers attention to the many warnings which God has given mankind through his prophets the apostles and His son Jesus Christ These warnings were given that mankind then and now might be made aware that there exists in the world false prophets wolves in sheeps clothing false Christs traditions of men and doctrines of devils with one purpose to destroy man's hope of any relationship with God In the spirit of the Watchman on the Wall it has been the writer's effort to not only warn the reader but to give biblical direction to the saving grace that is found in Jesus Christ alone This book will be the cause of much debate and will be considered heretical in many corners of Christendom However a closer look at the scriptures and with the help of the authors comments the reader will uncover the fundamental truths of God and embrace the eternal hope that is in Jesus Christ Jesus tells us that it is the broad way that will lead humanity to destruction and unfortunately many people will follow that path Broadway is known for its bright lights its glamour excitement and its many opportunities to indulge oneself The broad way is also the way of deception distraction discouragement destruction and death Jesus further explained that the road or pathway to eternal life is a narrow passage and few people will find it It is the writer's prayer that this book will provoke the reader to study their bible with a receptive mind comparing scripture with scripture Jesus died for everyone of us but the bible tells us that heaven itself is not for everyone Revelation 21:27 states that there shall in no wise enter into the city of God any thing that defiles neither those who have an abdominal life style or those

who are filled with deception liars however those who have believed the truth of the scriptures will have found eternal life and their new home A person must be born in to the family of God through faith in Jesus Christ The apostles of Jesus have given us the road map to eternal life through their writings found in Gods word Discovering the Apostles Doctrine will reassure the reader that Jesus is the way the truth and the life Every professing Christian and every soul looking for Gods truth needs to read this book with their Bible at least once This book is not fiction and it is not meant to be read for entertainment This book is a sincere look into the word of God as it was brought to humanity by Gods prophets and the apostles of Jesus This book is meant to help the reader think pray and secure their eternal salvation The History of the Apostle's Creed Lord Peter King King,1738 **The Epistle of Paul the apostle to the Ephesians** John Owen Farquhar Murray,1914 *Paul The Apostle* Robert E. Picirilli,1986-10-08 Except for the Lord Himself no single figure has done more for the Christian faith If you want to understand Christianity you need to understand Paul But with so many books on the apostle where do you start Paul the Apostle is the ideal choice if you want a solid understanding of Paul s life ministry and writings without getting weighed down with minutia Author Robert E Picirilli who taught college courses on Paul for over twenty five years found that most books on the apostle were either too technical or too basic so he wrote a book that strikes a happy medium It offers A profile of Paul in his historical and cultural context Outlines and explanations of his missionary journeys Introductions and brief analyses of each of his epistles Useful for individual study or as a textbook as it is in many universities today Paul the Apostle is a great one stop study of the man who wrote half the New Testament spread the gospel to the heart of the known world and gave his life for the Kingdom **The Apostle** John Pollock,2012-01-01 Enter the world of ancient Rome through the eyes of one of history s most transformative figures The Apostle by John Pollock seamlessly weaves together drama scholarship and historical accuracy in this book about the apostle Paul s extraordinary life Starting with the dramatic death of Stephen you ll witness Paul s incredible transformation from persecutor to preacher Follow him on his daring missionary journeys that took him to the far corners of the Roman Empire where he spread the teachings of Christianity Through detailed maps and a study guide readers can choose to look deeper into the historical and New Testament aspects of Paul s life or simply enjoy it as a compelling true life story Originally published in 1969 and later revised this newer edition breathes fresh life into a timeless tale As you immerse yourself in this rich narrative you ll find yourself on a journey of discovery uncovering the complexities of Paul s character his unwavering faith and the profound impact he had on the world The Holy Bible: Acts of the Apostles, Epistles to the Romans and Corinthians I & II ,1817

St. Paul the Apostle Irving Brittle Jr.,2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Pauls contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission

to spread the new theology that would later be known as Christianity In St Paul the Apostle author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ St Paul the Apostle also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today *Homilies: On the Acts of the apostles. 1851-52 Saint John Chrysostom, 1851*

The Acts of the Apostles and the epistles of Paul, arranged in the form of a continuous history.

The Acts of the Apostles Averky

Taushev, 2017-09-01 Writing in the tradition of biblical exegetes such as St John Chrysostom Blessed Theophylact of Bulgaria and St Theophan the Recluse the work of Archbishop Averky Taushev provides a commentary that is firmly grounded in the teaching of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Using the best of prerevolutionary Russian sources these writings also remained abreast of developments in Western biblical scholarship engaging with it directly and honestly In this second of three planned volumes the author explains the significance of the Church s earliest history as recorded in the Book of Acts Questions of authorship and time of composition are also addressed Archbishop Averky s commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim This present volume is the first translation of these texts into English it is an indispensable addition to the library of every student of the New Testament *The Apostle's Concern*

for the Believers Witness Lee, In this booklet compiled from Life study of Philippians Witness Lee presents the matter of being like souled I treasure the expression like souled used by Paul in Philippians 2 20 This short phrase opens a window through which we can see the secret for us to experience Christ in a way which issues in a true concern for the churches I hope that we all will come to know this precious secret *The Original Aramaic New Testament in Plain English* Rev. David

Bauscher, 2009-12-06 This is a rare New Testament 3rd edition from the Aramaic language of Jesus and his countrymen of 1st century Israel in a prose English translation Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Eeshu Pronunciation of Jesus in ancient Aramaic as He originally spoke them in a literal yet idiomatic English rendering Much evidence is presented in notes demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text making this a unique scholarly study Bible

in elegant Lucida Calligraphy font 539 pages 6x9 Black hardbound *Lessons from the Apostles* Glen A. Blanscet, 2021-03-19 We often think of the apostles as spiritual giants men who were uniquely qualified to walk with Jesus and carry on His mission to the world But the reality is they stand out more for their lack of qualifications They were not trained religious scholars they often misunderstood what Jesus told them and sometimes they simply failed to live up to Jesus's expectations Not only did they lack qualifications but they also encountered many of the same fears and issues we experience They struggled with doubts cowardice ambition faithlessness pessimism and greed In other words the apostles were people just like us Yet Jesus chose them to change the world And they did *Lessons from the Apostles* describes the struggles and personalities of these ordinary men reveals the transformation Jesus made in their lives and identifies specific lessons you can apply in your own life You will also find brief accounts of the stories and legends regarding what happened to the apostles after the Bible As you read about each of these men you will likely recognize your own personality in one or more of them And you will find encouragement from knowing that you too are the type of person God can use to change the world **Stories of Early Christian Leaders in the Days of the Apostles** Episcopal Church. Diocese of New York. Sunday School Commission, 1905 *The Mass of the Apostles* Joseph Husslein, 1929 **The Believers' Fellowship in the Apostle's Need** Witness Lee, 2024-03-29 The believers in Philippi sent material supply to the apostle Paul when he was in need and they also ministered life to him Thus between the believers and the apostle there was the fellowship of life and the mutual ministry of life In this booklet compiled from Life study of Philippians Witness Lee presents the Philippians fellowship in the apostle's need and fellowships concerning our own giving in such a fellowship of life and ministry of life
