

The Apostles

Gotthard Victor Lechler

The Apostles:

Lives of the Apostles of Jesus Christ David Francis BACON,1846 *The Apostles After Jesus* David Criswell,2013-02-01
The book of Acts ends with the Apostle Paul sitting in prison awaiting trial But what happened to Paul afterwards Was he acquitted Did Nero execute him What of the other apostles Early church writings contain many works of historical fiction which embellish the histories of the great apostles to such an extent that they are seen performing greater miracles than Moses Elijah and Jesus put together Andrew for example is depicted as resurrecting a great multitude including children and cattle What are we to make of such wild embellishments Can we separate history from tradition Dr Criswell best known for his Biblical Controversies series sets out to answer that very question Within these pages the various histories traditions and legends are presented and then evaluated and debated The reader will thus be able to make his own determinations as to what really happened to the apostles as well as their companions including men such as Barnabas Luke Mark Aquila Barsabas Apollos and many others The Apostles After Jesus also contains many maps charts and art to help the reader better understand the history of the disciples of Christ **The Acts of the Apostles** Ellen G. White,2015-08-24 Volume 4 of the Conflict of the Ages book series The Acts of the Apostles covers from the Great Commission to John the Revelator on Patmos This key Seventh Day Adventist text explains in detail the SDA understanding of the conflict between God and Satan and their understanding of the Bible and much of world history White wrote the series based on her research of other authors and special information which she claimed to receive through visions from God The books thus include unique insights and concepts not found in other works of the time **All the Apostles of the Bible** Herbert Lockyer,1988-09-27 These studies on the character of the Apostles form a complete series on the lives times and ministries of those men chosen by God to declare his message to the world **The Acts of the Apostles** ,1888 *The Acts of the Apostles* Lyman Abbott,1876
The Acts of the Apostles Joseph Rawson Lumby,1916 *The First to Follow* John R. Claypool,2008-04 By studying those whom Jesus selected as apostles and what he did for them to them with them and through them we can learn much about how we experience the holy in our own day This book is about those apostles their relationships with Jesus and with each other and what the dynamics of that community can teach us *The Acts of the Apostles in the Proclamation of the Gospel of Jesus Christ* Ellen G. White,1911 After Jesus was victorious over Satan and returned to heaven the enemy turned his attention to Jesus church on earth Here are thrilling stories of fierce persecutions and unswerving loyalty to God *The Acts of the Apostles* Luke Timothy Johnson,Daniel J. Harrington,1992 *The Acts of the Apostles* Henry J. Ripley,1859
The Literary Construction of the Other in the Acts of the Apostles Mitzi J. Smith,2011-01-01 Too often the negative characterization of others in the biblical text is applied to groups and persons beyond the text whom we wish to define as the Other Otherness is a synthetic and political social construct that allows us to create and maintain boundaries between them and us The other that is too similar to us is most problematic This book demonstrates how proximate characters are

constructed as the Other in the Acts of the Apostles Charismatics Jews and women are proximate others who are constructed as the external and internal Other **The Acts of the Apostles, with a comm. by F.C. Cook** Frederick Charles Cook,1866

Biblical Commentary on the Gospels, and on the Acts of the Apostles Hermann Olshausen,1860 **The Holy Bible: Acts of the Apostles, Epistles to the Romans and Corinthians I & II** ,1817 Notes, Explanatory and Practical, on the Acts of the Apostles Albert Barnes,1857 **Theological and homiletical commentary on the Acts of the Apostles, from the Germ. of G.V. Lechler and K. Gerok, ed. by J.P. Lange, tr. by P.J. Gloag** Gotthard Victor Lechler,1864

The Twelve: Lives and Legends of The Apostles Frances Spilman,2017-01-04 What were the Apostles of Jesus really like This book will examine the Gospels the Fathers of the Church Apocryphal writings encyclicals and other sources to search out the Apostles personalities and history Along the way we will look at the prayers poetry music and architecture the Apostles inspired and see how these twelve men are still teaching us today almost 2 000 years after their deaths We will see how the faith spread throughout the Roman Empire and even beyond its borders and how each Apostle met his death You will be surprised at the many different paths of the Apostles as they witnessed for Christ *Stories of Early Christian Leaders in the Days of the Apostles* Episcopal Church. Diocese of New York. Sunday School Commission,1905 **The Acts of the Apostles and the epistles of Paul, arranged in the form of a continuous history. With notes critical and explanatory** Thomas Morrison (LL.D.),1888
