Entrepreneurship Education in Asia Donna Kelley,Hugh Thomas,2011-01-01 The continuing success of the Asian Miracle relies on an entrepreneurial revolution that has increased the productivity and flexibility of economies across the region Yet this revolution has largely been necessity driven traditional and vulnerable to erosion as the region becomes increasingly prosperous and well educated How to educate the next wave of entrepreneurs is a pressing Asian question that resonates around the world and is the subject of this volume Hugh Thomas and Donna Kelley

draw on 24 scholars from 15 institutions to report on regional entrepreneurship education They identify problems encountered by educators and describe solutions that stimulate students to create value The approaches are hands on project based and multidisciplinary geared to develop educator to business entrepreneurial ecosystems The entrepreneurial programs described in this book involve inter cultural experience working with major corporations consulting to small and medium sized enterprises travelling to distant lands addressing environmental and social problems and reaching out to the disadvantaged Social entrepreneurship is combined with for profit entrepreneurship in programs that extend the concept of value creation to activities This book eloquently and expertly describes how entrepreneurship education whether in Vietnam Malaysia Korea Japan China or elsewhere on the globe can combine with community to help youth create a better world Students and scholars the world over along with administrators researchers and all those with an interest in education and entrepreneurship will find much of interest in this enlightening volume *Claiming Knowledge* Olav Hammer,2021-11-08 This volume deals with the transformation of unchurched religious creativity in the late modern West It analyzes the ways in which the advance of science globalization and individualism have fundamentally reshaped esoteric religious traditions from theosophy to the New Age This publication has also been published in paperback please click here for details [Self-Help Books](#) Sandra K. Dolby,2005-04-06 Understanding instead of lamenting the popularity of self help books Based on a reading of more than three hundred self help books Sandra K Dolby examines this remarkably popular genre to define self help in a way that is compelling to academics and lay readers alike Self Help Books also offers an interpretation of why these books are so popular arguing that they continue the well established American penchant for self education they articulate problems of daily life and their supposed solutions and that they present their content in a form and style that is accessible rather than arcane Using tools associated with folklore studies Dolby then examines how the genre makes use of stories aphorisms and a worldview that is at once traditional and contemporary The overarching premise of the study is that self help books much like fairy tales take traditional materials especially stories and ideas and recast them into extended essays that people happily read think about try to apply and then set aside when a new embodiment of the genre comes along [The Active Society Revisited](#) Wilson C. McWilliams,2006 The Active Society published in 1968 is the most ambitious book in Amitai Etzioni's remarkable career In this new collection of essays Wilson Carey McWilliams brings together scholars in a range of disciplines to analyze the significance and shortcomings of this important work **Handbook of Contemporary Japanese Religions**,2012-09-03 Representing work by some of the leading scholars in the field the chapters of this handbook survey the transformation and innovation of religious traditions and practices in contemporary Japan Readers will find lively scholarly studies about changes in the traditional institutions of Buddhism and Shinto vivid examples of social activism as well as the so called new religions examination of the relationship between religion and the state and analysis of the religiosity of individuals encompassed by spirituality pilgrimage and tourism and the marketing of religions This groundbreaking

collection of scholarly papers helps to map out the fascinating complexity and dynamism of religion in contemporary Japanese society and culture

Beauty is in the Street Joachim C. Häberlen, 2023-10-05 A rich and readable account of left wing activism in the West and opposition to Soviet style communism in the East Katja Hoyer *The Spectator* A dream perhaps but one that still sounds worth fighting for even beautiful Stuart Jeffries *The Observer* An ambitious and masterly account of utopian protest in Europe Fast paced with an eye for telling detail and written with a light touch Robert Gildea In post war Europe protest was everywhere On both sides of the Iron Curtain from Paris to Prague Milan to Wroclaw ordinary people took to the streets fighting for a better world Their efforts came to a head most dramatically in 1968 and 1989 when mass movements swept Europe and rewrote its history In the decades between Joachim C H berlen argues new movements emerged that transformed the nature of protesting Activism moved beyond traditional demonstrations from squatting to staging happenings and camping out at nuclear power plants People protested in the way they dressed the music they listened to the lovers they slept with the clubs where they danced all night New movements were born notably anti racism women s liberation gay liberation and environmentalism And protest turned inward as activists experimented with new ways of living and feeling from communes to group therapy in their efforts to live a better life in the here and now Some of these struggles succeeded others failed But successful or not their history provides a glimpse into roads not taken into futures that did not happen The stories in H berlen s book invite us to imagine different futures to struggle to fail and to try again In a time when we are told that there are no alternatives they show us that there could be another way
