the situation In addition the Guide attempts to identify the full array of practices available for use in complex arbitrations which can be adapted and streamlined for simpler cases Formed in 2001 the College of Commercial Arbitrators is a non profit organization composed of prominent experienced commercial arbitrators who believe that a national association of commercial arbitrators can provide a meaningful contribution to the profession to the public and to the businesses and lawyers who depend on arbitration as a primary means of dispute resolution Its mission includes promoting professionalism and high ethical practice in commercial arbitration adopting and maintaining standards of conduct providing peer training and professional development and developing and publishing best practices materials This work is the College s principal vehicle for fulfilling several aspects of its mission Many seasoned and knowledgeable practitioners generously contributed their time and insights to the creation of this Guide
