GOD'S GOLDEN BOX Gayle A. McCoy,2010-08-23 Read this exciting story of the early Israelite people You can almost hear the men of Israel as they cut and plane the hardest and heaviest wood in the world to make the Ark of the Covenant the most fabulous piece of cabinetmaker s art ever conceived No nails in this ark only wood and to top off this wooden masterpiece the ark was covered with 100 percent twenty four karat gold The total weight of the ark came to over two tons

Ark of the Covenant Dee Kyalo,2017-02-14 God created us to dwell among us and have fellowship with us He used the ark of the covenant to bring great assurance to His people Israel that His

presence was among them regardless of their sinful ways How does the ark of the covenant translate to us today How does the ark of the covenant transition to the promise for the new covenant believer that the Lord is in our midst despite our sinful ways Ark of the Covenant Moving With God s Presence attempts to demonstrate just like God accompanied Israel in their wandering in the wilderness as well as in their return from exile so too He is with us in all our life s situations This book is designed with both the Christian and not yet saved in mind It shows in a straightforward way how God s presence is a two way operation depending on which side one is on How we describe our moving with the presence of God is basically how we relate with the cross The ark just as it was an emblem of God s presence before the cross is an emblem of God s grace What role does it play in your life *Sacred Quest* Howard H. Schack,2003-07 **Readers of the Lost Ark** Kevin M. McGeough,2025-04-08 The sacred chest said to have been built by the Israelites to house the stone tablets on which the Ten Commandments were written the Ark of the Covenant has long captured the popular imagination According to the Bible the Israelites carried it with them as they wandered in the wilderness and entered the promised land After the Temple of Solomon was built the Ark was kept in an inner sanctum where God made his divine presence felt to the Israelites The Hebrew Bible is unclear about what happened to the Ark after the destruction of the temple and offers vague accounts of its function Despite or because of this ambiguity the Ark continues to hold an important place in Jewish and Christian tradition even in its absence and has led to much popular speculation Widely imagined and re imagined it is perhaps today best known in popular culture as the object sought by Indiana Jones in the 1981 film *Raiders of the Lost Ark* In *Readers of the Lost Ark* Kevin McGeough explores the different ways people have interpreted and made sense of the Ark from ancient times to the present in biblical literature theological discourse art popular film travel souvenirs toys faith healing events and alternative histories The book recounts stories of people who have sought to find the Ark of the Covenant and examines how the Ark takes on new meanings in Europe North America East Asia Ethiopia and the modern Middle East *The Discovery of the Ark of the Covenant* Alan Wilson,Grant Berkley,Barum Blackett,2007-08 The Ark of the Covenant was never lost It was placed in a secure location In AD 562 the guardians were killed in a natural disaster and no one read the records *The Ark of the Covenant Opened, Or,* Patrick Gillespie,2018-09
