The Armalite Maiden:

The Armalite Maiden Jonathan Kebbe, 1990 *Demons, Hamlets and Femmes Fatales* Jayne Steel, 2007 The book provides a lively discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It looks at how authors recreations or transformations of Irish republicanism might reveal self referential images that are ultimately a product of national identity and or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry s Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer Johnston Shadows on our Skin Deidre Madden One by One through the Darkness **The A to Z of the Northern Ireland Conflict** Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone s problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject **If It Was Not For Terrorism** Banu Baybars Hawks, Lemi Baruh, 2011-07-12 If It Was Not for Terrorism Crisis Compromise and Elite Discourse in the Age of War on Terror aims to investigate questions regarding the hegemonic power that is exercised by elites and mass media through the discourse of War on Terror The chapters in the volume provide case studies from a wide variety of geographies to debate questions regarding the construction of the meaning of terrorism communication of collective identities and otherness and media frames regarding the War on Terror civil liberties and government restrictions In bringing this collection together it was the editors intention to provide a venue for discussion of expressions and diverse concerns around the themes of media and terrorism from international and interdisciplinary perspectives The edited volume is divided into two parts The first part focuses on elite discourse about the definition of terrorism and discursive strategies involved in construction of us vs others The second part of the volume investigates issues related to media framing of the compromises that are deemed necessary for success in the War on Terror At the same time several chapters of this part also identify opportunities for resistance to hegemonic discourse *The Thriller and Northern Ireland since 1969* Aaron

Kelly, 2017-03-02 For the past 30 years the so called Troubles thriller has been the dominant fictional mode for representing Northern Ireland leading to the charge that the crudity of this popular genre appropriately reflects the social degradation of the North. Aaron Kelly challenges both these judgments showing that the historical questions raised by setting a thriller in Northern Ireland disrupt the conventions of the crime novel and allow for a new understanding of both the genre and the country. Two essays on crime fiction by Walter Benjamin and Berthold Brecht appear here for the first time in English translation. By demonstrating the relevance of these theorists as well as other key European thinkers such as Antonio Gramsci, Louis Althusser and Slavoj Žižek to his interdisciplinary study of Irish culture and the crime novel, Kelly refutes the idea that Northern Ireland is a stagnate anomaly that has been bypassed by European history and remained impervious to cultural transformation. On the contrary, Kelly's examination of authors such as Jack Higgins, Tom Clancy, Gerald Seymour, Colin Bateman and Eoin McNamee shows that profound historical change and complexity have characterized both Northern Ireland and the thriller form.

Historical Dictionary of the Northern Ireland Conflict Gordon Gillespie, 2017-03-16 The second edition of the *Historical Dictionary of the Northern Ireland Conflict* provides an accessible and comprehensive study of the conflict and peace process in Northern Ireland from the 1960s to 2016. The second edition of the book expands on the references relating to individuals, organizations and events of the Northern Ireland Troubles and adds material on significant subsequent developments. This work provides a unique view of developments since the signing of the Good Friday Agreement in 1998. While widely heralded as the end of the Northern Ireland conflict, the agreement instead witnessed the beginning of a new series of political difficulties to be addressed. The *Historical Dictionary of the Northern Ireland Conflict* is the first significant reference work to examine many of the issues related to political and cultural conflicts and dealing with the past which have grown in intensity since 1998. Many of these themes will be relevant to students of post conflict societies in other areas of the world. This second edition of *Historical Dictionary of the Northern Ireland Conflict* contains a chronology, an introduction and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on important personalities, politics, economy, foreign relations, religion and culture. **Traitor's Honor**

Jonathan Kebbe, 1999-10-18 *Arrivals & Departures* Leslie Thomas, 2011-02-15 Fresh from Los Angeles, Mrs Pearl Collingwood and her daughter Rona arrive in the frenzied no man's land of Heathrow airport from the nearby village of Bedmansworth. Edward Richardson jets in and out of it faster than his marriage can tolerate. Yet precisely where village and airport overlap, there exists a world bubbling with intrigues and assignations with wit, pathos and excitement that all readers of Leslie Thomas will recognize as his alone. **Stepping Stones** Mark Carruthers, Stephen Douds, 2001 The troubles of 1971 to 2001 saw Northern Ireland catapulted into the headlines across the world, yet during the dark years of violence there was an impressive but much less reported flourishing of creative energy. In this work, a panel of writers comment on the artistic accomplishment of this extraordinary period. Inspired by Causeway, Michael Longley's powerful collection of essays
