The Art And Times Of The Guitar:

The Art and Times of the Guitar Frederic V. Grunfeld, 1974 **The Art and Times of the Guitar : an Illustrated History of Guitars and Guitarists** Frederic V. Grunfeld, 1971 **The Art and Times of the Guitar** Frederic V. Grunfeld, 1974 **The Art and Craft of Making Classical Guitars** Manuel Rodriguez, 2010-01-01 Guitar Reference 100th anniversary updated edition Rich in beauty sound and history Manuel Rodriguez and Sons classical and flamenco guitars have been handcrafted in Madrid since 1909 and the company's creations are still acclaimed today This book presents master luthier Manuel Rodriguez's thoughts on the history of the instrument he loved including how the guitar attained its prominent position among musical instruments Filled with fabulous historical photos memorabilia and more this book is essential for all admirers of the guitar A special new section on Music with World Leaders sponsored by the King of Spain promotes the importance of music for children and much more [The New Guitarscape in Critical Theory, Cultural Practice and Musical Performance](#) Kevin Dawe, 2017-07-05 In The New Guitarscape Kevin Dawe argues for a re assessment of guitar studies in the light of more recent musical social cultural and technological developments that have taken place around the instrument The author considers that a detailed study of the guitar in both contemporary and cross cultural perspectives is now absolutely essential and that such a study must also include discussion of a wide range of theoretical issues literature musical cultures and technologies as they come to bear upon the instrument Dawe presents a synthesis of previous work on the guitar but also expands the terms by which the guitar might be studied Moreover in order to understand the properties and potential of the guitar as an agent of music culture and society the author draws from studies in science and technology design theory material culture cognition sensual culture gender and sexuality power and agency ethnography real and virtual and globalization Dawe presents the guitar as an instrument of scientific investigation and part of the technology of globalization created and disseminated through corporate culture and cottage industry held close to the body but taken away from the body in cyberspace and involved in an enormous variety of cultural interactions and political exchanges in many different contexts around the world In an effort to understand the significance and meaning of the guitar in the lives of those who may be seen to be closest to it as well as providing a critically informed discussion of various approaches to guitar performance technologies and techniques the book includes discussion of the work of a wide range of guitarists including Robert Fripp Kamala Shankar Newton Faulkner Lionel Loueke Sharon Isbin Steve Vai Bob Brozman Kaki King Fred Frith John 5 Jennifer Batten Guthrie Govan Dominic Frasca I Wayan Balawan Vicki Genfan and Hasan Cihatter [Music, Art and Performance from Liszt to Riot Grrrl](#) Diane V. Silverthorne, 2018-10-18 Opening with an account of print portraiture facilitating Franz Liszt's celebrity status and concluding with Riot Grrrl's noisy politics of feminism and performance this interdisciplinary anthology charts the relationship between music and the visual arts from late Romanticism and the birth of modernism to postmodernism while crossing from Western art to the Middle East Focused on music as a central experience

of art and life these essays scrutinize the musicalisation of art focusing on the visual and performing arts and detailing significant instances of intra art relations between c 1840 and the present day Essays reflect on the aesthetic relationships of music to painting performance and installation sound and silence time and space The insistent influence of Wagner is considered as well as the work and ideas of Manet Satie and Cage Thomas Wilfred La Monte Young and Eliasson What distinguishes these studies are the convictions that music is never alone and that a full understanding of the isms of the last two hundred years is best achieved when music s influential presence in the visual arts is acknowledged and interrogated
