**Origen's Revenge** Brian Patrick Mitchell, 2021-10-11 Is the difference of male and female to be completely shaken off so that men and women are no longer men and women but merely human beings The great seventh century saint Maximus the Confessor said yes but such thinking is difficult if not impossible to reconcile with much else in Christian tradition that obliges men and women to live as either men or women Origen's Revenge contrasts the two main sources of early Christian thinking on male and female the generally negative view of Greek philosophy limiting sexual distinction to the body and holding the body in low regard and the much more positive view of Hebrew Scripture in which sexual distinction and reproduction are both deemed naturally good and necessary for human existence These two views account for much of the controversy in early Christianity concerning marriage and monasticism They also still contribute to current controversies over sex roles gender identity and sexual ethics Origen's Revenge also develops the more Hebrew line of early Christian thought to propose a new understanding of male and female with a firmer grounding in scripture tradition theology and philosophy and with profound implications for all human relationships whether social political or spiritual The United States Catalog, 1904 The Cumulative Book Index, 1902 **Forthcoming Books** Rose Army, 2001 *Down On My Knees* Victor McGlothlin, 2008 A down to earth inspirational novel in which a single mother takes a vow of celibacy and discovers that trying to be good will make her want to be so bad With a little counsel from the church minister's wife and a little inspiration from the sight of her son's handsome English teacher Wallace Peters advertising executive Grace decides to keep her mind open and her clothes on no matter how hard the Devil chases her **The Holy Bible: Genesis, Exodus, Leviticus and Numbers**, 1825 **The Publishers' Trade List Annual**, 1904 *The American Catalogue*, 1885 American national trade bibliography **The Pastime of Eternity** Beatrix Demarest Lloyd, 1904 **Theology; Explained and Defended, in a Series of Sermons** Timothy Dwight, 1829 **The Woman's Bible** Elizabeth Cady Stanton, 1993 Every once in a while as we turn the pages of this impressive book there is the temptation to sigh and shout an enthusiastic Amen Oakland Press The Woman's Bible, 1895 **The Holy Bible, Containing the Old and New Testaments, the Text Carefully Printed from the Most Correct Copies of the Present Authorized Translation, Including the Marginal Readings and Parallel Texts** Adam Clarke, 1820 *Summa Theologica, Volume 4 (Part III, First Section)* St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225-1274 widely considered the Catholic Church's greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas's masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume IV Aquinas addresses chastity and lust
