The Passion Of The Christ:

On The Passion of the Christ Paula Fredriksen, 2006-02-14 These essays are well informed interesting and written in an accessible style The perspectives represented raise unexpected and important issues eliciting the reader's engagement and creating an absorbing conversation Margaret R Miles author of *Seeing and Believing Religion and Values in the Movies*

On the Passion of Christ According to the Four Evangelists Thomas (^ Kempis), 2004-01-01 In this wonderful meditation book perfect for Lent or any time of the year the great spiritual writer and monk presents profound short reflections on Gospel passages about the passion and death of Christ Each chapter focusing on a specific aspect of the Passion of Our Lord gives a prayer a meditation and spiritual advice and closes with another short prayer Amazon *The Dolorous Passion of Our Lord Jesus Christ* Anne Catherine Emmerich, 2012-07-17 A 19th century German nun's ecstatic visions offer a compelling visionary account of the events surrounding the Crucifixion A primary source for Mel Gibson's epic movie *The Passion of the Christ* **The Passion of the Christ** Greg Laurie, 2004 Why the Passion? Greg Laurie, 2004 The blockbuster film *The Passion of the Christ* has many people asking questions about the life and message of Jesus Popular evangelist Greg Laurie provides a simple effective book for believers to use to introduce their unbelieving friends to the truth of the Gospel of Jesus Christ Written in a friendly devotional style *Why the Passion* will help further engage those interested in learning about the truth presented in Mel Gibson's movie A Guide to The Passion Tom Allen, 2004 Evangelical guide to the film *The Passion of the Christ* including an analysis of the film's theological and artistic elements **Mel Gibson's Bible** Timothy K. Beal, Tod Linafelt, 2006 Biblical scholars Timothy K Beal and Tod Linafelt along with an esteemed group of contributors offer a provocative range of views on *The Passion of the Christ* The book is organized in three parts The first analyzes the film in terms of its religious foundations including the Gospels and nonbiblical religious texts The second group of essays focuses on the ethical and theological implications of the film's presentation of the Christian Gospel Finally the third section explores the film as a pop cultural phenomenon Embracing the Passion Jason Shick, 2011-03-28 With the release of *The Passion of Christ* in 2004 Mel Gibson brought the sobering story of Jesus Christ to the big screen Grossing over 600 million dollars it became the highest grossing non English film of all time Visually and emotionally draining audiences flocked to the theaters to get a fresh view of the significance of the cross The film reminds viewers of the severity and savageness of the Gospel It forces the question on audiences what if this is true The claim of Christ is unlike any man made religion ever created Fully man Fully God Crucified Raised again It's preposterous It's insane It's passionate but what if it's true Raised in the church Jason Shick knew the story He believed the story But *The Passion of The Christ* made the sacrifice personal It burnt brutal images as reminders of Christ's suffering into his memory This book is an attempt to digest the film and help others embrace Christ's passion in their own lives It was written with the small group in mind but would be a great individual study as well How passionate are you living How passionate is your faith We serve a passionate God who

loves us with a passion we can't even imagine. He offers passionate Grace and passionate love to each one of us. So begin embracing the Passion of Christ today.

Inside The Passion John Bartunek, 2005. Deepen your journey into the unforgettable film *The Passion of The Christ*. In this authorized behind-the-scenes look at the movie, Fr. John Bartunek, L.C., provides biblical, historical, and theological insights gleaned from hours spent on the set and interviews with the director, actors, and filmmaking crew. *Inside The Passion* is the most complete and thorough commentary on the movie you will read.

The Passion of the Christ Anne Catherine Emmerich, 2013-05. Anne Catherine Emmerich was an Augustinian nun recognized as the recipient of many mystic gifts and vision. She is believed to have received the full stigmata of which she reported suffering the physical effects of Jesus' punctured hands, feet, side, and forehead. Moved by her religious piety, German poet Clemens Brentano was inspired to document her ordeal. Brentano spent many months with Anne Catherine as she dictated the details of her encounters, which Brentano later compiled into the book *The Dolorous Passion of our Lord Jesus Christ*. In this book, Anne Catherine's visions of Christ's agony and death are documented in unimaginable detail. While Anne Catherine's sacred wounds were witnessed by many during her time, the highly poetical and extravagant imagery in Brentano's book have led scholars to believe that Brentano may have embellished her descriptions as he recorded them. Consequently, this account of Anne Catherine's visions should be appreciated for its meditative value rather than for its historical accuracy.

The Passion of the Christ Mel Gibson. For his film *The Passion of the Christ*, Mel Gibson was also inspired by the diaries of Emmerich.

Passions of the Christ F. Scott Spencer, 2021-03-16. A senior New Testament scholar delves into the emotional life of Jesus in the Gospels: his anger, grief, disgust, surprise, compassion, and joy that reveal what mattered most to Jesus and motivated his mission.

The Passion of the Christ Neal King, 2017-09-16. A study of controversies over *The Passion of the Christ* that shows how conservative Christians united in support of Mel Gibson and in opposition to liberal, secular, and Jewish critics. King explores how the public battle in the USA over the editing and rating of this film generated more controversy than any other in recent cinematic history.

The Theology of The Passion of the Christ Monica Migliorino Miller, 2005. A serious scene-by-scene, in-depth theological study of the Mel Gibson film *The Passion of the Christ*. Dr. Miller's analysis not only focuses on the more obvious Marian, Eucharistic, and Incarnational themes but she also discusses and explains the more difficult images and gestures of the movie, such as the demon child held by Satan, the decaying carcass behind Judas, and the raven above the thief's cross, etc. Written in a very reader-friendly style, the book also discusses the film's depiction of the Jews and Romans and examines the various sources of *The Passion*, notably *The Dolorous Passion of Our Lord Jesus Christ* by Anne Catherine Emmerich. One chapter examines how the movie has changed people's lives, and an Appendix compares *The Passion of the Christ* to other movies about the life of Jesus. Religious studies classes in high schools, colleges, and seminaries, as well as discussion groups in parishes and individuals eager to explore the Church's teachings as depicted in this film, will find this book invaluable. Even more, it makes for wonderful meditative reading, especially during Lent, but also

throughout the year privately or in the presence of the Blessed Sacrament
