redeem the karma accrued by our own individual souls but for our spiritual work to be fruitful for all humanity it must be brought into connection with Christ What we take into ourselves in such a way that it is done from the perspective of Not I this is what Christ makes into a common possession for all humanity July 14 1914 To know Christ means to undergo the school of selflessness Under the influence of materialism the selflessness of humanity was lost in a way as will be understood in future ages of humanity However through absorption in the Mystery of Golgotha the penetration of the knowledge of the Mystery of Golgotha with our whole feeling and soul being we can once again acquire a culture of selflessness We can come to understand that what Christ did for the development of the Earth is contained in the fundamental impulse of selflessness and that what he can become for the conscious development of the human soul is the school of selflessness Rudolf Steiner June 1 1914 To read these lectures is to strike out on the heart's path of fellowship with the living Christ This book is a translation from German of *Christus und die Menschliche Seele ber den Sinn des Lebens Theosophische Moral Anthroposophie und Christentum* GA 155 3rd ed Rudolf Steiner Verlag Dornach Switzerland 1994 Cover image Salvator Mundi 1499 1510 by Leonardo da Vinci

The Immortality of the Soul and the Final Condition of the Wicked Carefully Considered Robert Wharton Landis, 1859

Body and Soul in Ancient Philosophy Gesellschaft für antike Philosophie. Kongress, 2009

The problem of body and soul has a long history that can be traced back to the beginnings of Greek culture The existential question of what happened to the soul at the moment of death whether and in what form there is life after death and of the exact relationship between body and soul was answered in different ways in Greek philosophy from the early days to Late Antiquity The contributions in this volume not only do justice to the breadth of the topic they also cover the entire period from the Pre Socratics to Late Antiquity Particular attention is paid to Plato Aristotle and Hellenistic philosophers that is the Stoics and the Epicureans

Soul-Violence Wolfgang Giegerich, 2020-04-17 All steps forward in the improvement of the human psyche have been paid for by blood Further to this statement from C G Jung Wolfgang Giegerich's third volume of *Collected English Papers* shows that the soul is not merely the innocent recipient or victim of violence it also produces itself through violent deeds and expresses itself through violent acts Beginning in primordial times with the ritual spilling of blood in animal and human sacrifice a light was kindled within the darkness of what would otherwise have been mere biological existence the light of consciousness mindedness and the soul And following upon this in the clearance thus created the soul attained new statuses of itself on the historic battlefields of war and revolution First order killings gave way to second order killings the killings of metaphysics and philosophy Turning around upon itself even as it violently engaged those adversarial others through whom its self relation was mediated the soul learned to self critically cut into itself It was in this way as the

Drew,2025-09-12 If there is one quote from this book which deserves to be emblazoned on the opening pages of your Book of Shadows above the door of your house or temple and in every mind it is this Wicca is not a place to go it is a journey to take Spiral NatureFor thousands of years we have been told that God was a man Then someone reminded us of when God was a woman Now we have a reference for the sensible folk who have always felt that it takes two If you have ever thought there was more to religion than ancient rituals performed for reasons unknown this book will show you exactly what you have been looking for If you have already come to the realization that Wicca is the religion for you this book will help fill those many blanks that have been left by other books Author A J Drew makes no attempt to dictate religious dogma or routine He is quick to point out that the title does not start with the word the He illustrates the many issues a person s religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world A Wiccan Bible takes you through the journey of life in three stages Maiden and Master Creation Wiccaning and Self dedication Mother and Father Initiation Handfasting Handparting and the Wheel of the Year Crone and Sage Community the world and death Mythology and science converge as the author details a life s journey into a religion with

both old world ritual and new world science fusing both into a creation myth which satisfies not only mind but soul as well A Wiccan Bible not only shows a religious path filled with joy but one that offers the ability to accept and manage sorrow It is filled with ritual and with the reasons why ritual is fulfilling rewarding and a necessary part of everyday life As A J addresses each issue he demonstrates not only how he found the solutions in Wicca and the many ways in which science and magick have helped him to do so A Wiccan Bible also contains select recipes that the author has collected including mixtures for incense oils and baths
