## **The Palace Of Versailles:**

**The Palace of Versailles** James Barter, 1999 Describes the building of the extravagant palace at Versailles in its historical context particularly as a reflection of the personality and influence of Louis XIV **Versailles** Antony Spawforth, 2008 *Versailles* Robert W. Berger, 1985 As the author writes Versailles is the most famous palace in the world Its name evokes more than that of any other monument the political institution of absolute monarchy and the aesthetic qualities of vast scale and bombastic display features which are often evident in Baroque art In 1668 Louis XIV decided to enlarge Versailles by preserving his father s building the Petit Chateau and by enclosing it in a new structure the Enveloppe This decision and the history of indecision that went before and after it are prominent themes in this book about the new Chateau of Louis XIV and its most important interior spaces Architect of the Enveloppe Louis Le Vau departed from his usual Italian Baroque sources to draw upon Italian High Renaissance models for the first and last time in his career Inside the Escalier des Ambassadeurs was designed by Francois d Orbay who drew upon a slightly earlier project for a Louvre stair by Claude Perrault The history of the frescoes in d Orbay s staircase proves that decorative schemes at Versailles were especially susceptible to bearing imagery directly alluding to or representing contemporary events Chapters on the Planetary Room and the Galerie des Glaces then continue the discussions of decorative themes and the pull between tradition and innovation in design The palace at Versailles has been the subject of an abundance of published documents and modern art historical studies however the investigator will discover that numerous art historical problems are unresolved and there are new and fruitful questions to be posed The author offers new solutions to old problems explores new questions and discusses artistic forms within a broader art historical context than is encountered in past treatments Though modern scholarship on Versailles has been strengthened by important studies by Alfred Marie Fiske Kimball and other who have drawn on both primary published sources and unpublished documents Professor Berger has discovered that published sources of the late 17th century and the 18th century provide rich material that has as yet been underutilized **Palace of Versailles: Home to the Kings of France** Jennifer Howse, 2015-08-01 The opulent Palace of Versailles became the official royal residence of French monarchs during the reign of King Louis XIV With 551 112 square feet 51 200 square meters of floor space rooms filled with gilded furniture and more than 7 000 works of art the Palace of Versailles showcases the luxurious lifestyles of the kings of France Explore the facility history people and science behind the building in Palace of Versailles a Castles of the World book **Visitors to Versailles** Daniëlle Kisluk-Grosheide, Bertrand Rondot, 2018-04-16 What was it like to visit one of the most magnificent courts of Europe Based on a wealth of contemporary documents and surviving works of art this lavish book explores the experiences of those who swarmed the palace and grounds of Versailles when it was the seat of the French monarchy Engaging essays describe methods of transportation the elaborate codes of dress and etiquette precious diplomatic gifts royal audiences and tours of the palace and gardens Also presented are the many types of visitors and guests who

**History of the Palace of Versailles** Marguerite Jallut,1958

**The History and Haunting of the Palace of Versailles** Rebecca F. Pittman,2021-06-13 It was a palace of the Kings of France the creation of the Sun King Louis XIV The marvel of all Europe it soon became a gilded cage for the monarchs and the courtiers who lived there The saga of Versailles is filled with intrigue scandal glory and tragedy It is here that the nobility of France manipulated and poisoned their way to the top Marriages deaths mistresses secret passageways and betrayal it all added up to the French Revolution that cost Louis XVI and Marie Antoinette their heads Yet it is also within these opulent walls that we find the dreams of those who conquered Europe through military campaigns or outsmarting their own bloodline No one was safe No one was exempt from the King s spies who secretly opened letters and reported on every move within the palace and grounds Join me as we look behind the scenes at the lives of the French Kings their wives their mistresses and blood relations as they built tore down and rebuilt a name

that became synonymous with jaw dropping opulence power wealth fashion and scandal Come with me inside the golden gates of Versailles Packed with photographs floor plans and maps this is a comprehensive look at the palace s history Also included is the documented hauntings at the palace including the bestselling account of two women academics who visited the Petit Trianon grounds in 1901 and interacted with the ghost of Marie Antoinette and others of her time period It is a story that has fascinated the world for decades Other reports of paranormal activity at the palace are also included Rebecca F Pittman is a bestselling author of 14 titles Her History and Haunting Of series is regularly featured on international TV radio and podcast shows She researches the most haunted venues in the world staying in their shadowed bedrooms and interviewing the owners and staff Her book The History and Haunting of Lizzie Borden spotlights five new pieces of evidence Ms Pittman found in the famous murder case of 1892 A companion rummy style card game The Lizzie Borden Paranormal Card Game featuring evidence suspects alibis and a paranormal twist is available for sale on her website She makes her home in Colorado [The Palace of Versailles](#) ,2011 **Versailles** Béatrix Saule, Lucina Ward, 2016 **Versailles** André Pératé, 1922 *Versailles: My Father's Palace* Maïte Labat, Jean-Baptiste Veber, Alexis Vitrebert, Stéphane Lemardelé, 2020-09-22 A fascinating historical biography of the man who brought fame grandeur and revolution back to the Palace of Versailles *Versailles* Colin Jones, 2018 The vivid story of the creation renovation and enduring legacy of the most famous building in France the palace of Versailles Nothing represents the glorious and fraught history of France quite like the Palace of Versailles Made famous by the absolutist king Louis XIV Versailles became legendary for the splendor of its revels but then after the Revolution of 1789 it fell into disrepute as a reminder of royal excess and abuse of power Subsequent French governments struggled with how to handle the opulent palace and grounds should the site be memorialized trivialized rehabilitated or even destroyed outright Drawing on a new wave of recent research historian Colin Jones masterfully traces the evolution of Versailles as a space of royal politics and aristocratic pleasures a building of mythic status and one of the world s great tourist destinations Accessible and compelling this book is a must read for all Francophiles [Versailles](#) Charles River Editors, 2017-02-14 Includes pictures Includes contemporary descriptions of Versailles and its construction Includes online resources and a bibliography for further reading Growing up in Versailles is like growing up in a museum and the people living there are almost the security Thomas Mars In every nation in every era of history there are inevitably one or two places that become the symbol of the times Mention Valley Forge to an American and it will immediately conjure up visions of a hard won fight for freedom Likewise the word Dunkirk said to a Briton will elicit a sense of both pride and horror at the lives lost and saved at that desperate point in World War II For the French and those who study their history Versailles is a symbol of as Charles Dickens once put it the best of times the worst of times It was here that the Sun King Louis XIV built a palace worthy of a great nation during a time when peace was at best short lived It was at Versailles that Russian Tsar Peter the Great to study the palace s architecture and gardens so that he could recreate

them in his home country Indeed the greatest minds and artistic geniuses of the later stages of the Renaissance came to Versailles to build and paint and it was here that Madame de Pompadour and her successor Madame du Barry used their wit and beauty to charm a king into doing their bidding However as history constantly demonstrates nothing good lasts forever and so it was with Versailles From the royal palace Louis XVI and Queen Marie Antoinette frittered away the goodwill of their people leading to the French Revolution and their executions Here the mobs amassed to demand freedom equality and brotherhood but mainly a piece or two of pilfered bric a brac In the wake of the French Revolution the palace was gutted and most of the beautiful reminders of its glory were sold away along with the monarchy's birthright and the concept of the divine right of kings While the palace was neglected for a time its original workmen had done their jobs well enough that it managed to weather both time and the political storms that raged around it during the early 19th Century In fact it seems as though Versailles was destined to survive if only so that such a thing of beauty wouldn't be lost forever Even as he focused on the rest of Europe Napoleon felt the need to save Versailles and over time it was restored to its original glory if not its original purpose no monarch has lived in Versailles for a long time Instead there is a republic and with it a sense that the palace once available only for the wealthy few is now a place for people across the world to come and enjoy the splendor of a bygone era that while not exactly missed can nonetheless still be appreciated Versailles The History and Legacy of France's Most Famous Royal Palace chronicles the remarkable history of one of the world's most famous palaces and tourist spots Along with pictures depicting important people places and events you will learn about Versailles like never before
