Trafficking Women in Korea Sallie Yea, 2015-03-24 Based on in depth ethnographic work this book presents a study of Filipinas trafficked to South Korea focusing on women who entered South Korea as migrant entertainers and subsequently became deployed in exploitative work environments around US military bases there It contributes to the extension of our knowledge about human trafficking in the Asian region through an exploration of the experiences of more than 100 women who took part in the study The book challenges many of the accepted understandings about trafficking victims and unravels the implications of these narrow understandings for the women themselves It explores the ways women negotiate trafficking largely outside of the emerging formal anti trafficking framework and explains how new community formations and social networks emerge crafted by the women themselves to manage and overcome their vulnerabilities in migration

Still Alive Rusty Lee, 2011-12-07 Im quite certain that before you finish this book you will not like me I do not flatter myself for I have discovered looking back on my life I made many poor decisions Nevertheless Ive been told by many is that war veterans addicts and those who face deadly disease and those who have lost all hope can benefit from what Ive learned You my friends like I continue striving to do can persevere even when it seems the road before you leads to nothingness
