**Heartthrobs** Carol Dyhouse,2017 What can a cultural history of the heartthrob teach us about women desire and social change From dreams of Prince Charming or dashing military heroes to the lure of dark strangers and vampire lovers from rock stars and rebels to soulmates dependable family types or simply good companions female fantasies about men tell us as much about the history of women as about masculine icons When girls were supposed to be shrinking violets passionate females risked being seen as unbridled or dangerously out of control Change came slowly and young women remained trapped in double binds You may have needed a husband in order to survive but you had to avoid looking like a gold digger Sexual desire could be dangerous a rash guide to making choices Show attraction too openly and you might be judged fast and undesirable Education and wage earning brought independence and a widening of cultural horizons Young women in the early twentieth century showed a sustained appetite for novel reading cinema going and the dancehall They sighed over Rudolph Valentino's screen performances as tango dancer Arab tribesman or desert lover Contemporary critics were sniffy

about shop girl taste in literature and in men but as consumers girls had new clout In Heartthrobs social and cultural historian Carole Dyhouse draws upon literature cinema and popular romance to show how the changing position of women has shaped their dreams about men from Lord Byron in the early nineteenth century to boy bands in the early twenty first Reflecting on the history of women as consumers and on the nature of fantasy escapism and fandom she takes us deep into the world of gender and the imagination A great deal of feminist literature has shown women as objects of the male gaze this book looks at men through the eyes of women *The Publishers Weekly*, 1998 **The Vintage Paper Doll Book of 20th Century Fashion** Pasquale De Marco, 2025-03-08 From the Roaring Twenties to the present day fashion has been a powerful form of self expression and a reflection of the times we live in It can tell stories about our culture our values and our aspirations It can also be a source of great joy and beauty In this book we take a journey through the history of fashion exploring the work of iconic designers the must have fashion items of each decade and the role that fashion plays in popular culture and our everyday lives We also examine the relationship between fashion and identity sustainability technology and the future We ask questions about the environmental impact of fashion the ethics of fashion production and the role that technology is playing in shaping the future of fashion Through this journey we gain a deeper understanding of fashion and its significance in our lives We learn how fashion can be used to express ourselves to connect with others and to make a difference in the world This book is a must have for anyone who loves fashion history or culture It is also a valuable resource for students researchers and anyone who wants to learn more about the world of fashion Join us on this journey through the world of fashion Let us explore the stories that fashion tells the beauty that it creates and the power that it holds If you like this book write a review [Music, Books on Music, and Sound Recordings](#) Library of Congress, 1986 **The Avelinos** Frances Diane Avalos, 2010-12-14 The Avelinos is a true story about a Small Town High Time Musician Avelino Avalos played the guitar and sang in different bands in Safford Arizona for over four decades He raised his eleven children in South Eastern Arizona Daughters memories about her dad included him gathering his instruments together getting them ready for playing by tuning his smoke green Anniversary Gretchen Electric Guitar Avelino played a variety of music Flamenco Country Corridos Rancheras and Rock His bands included The Lucky Four Charlie Hemphill Bass Guitar his brother Bill on Lead Guitar Brooks Nutell on Drums The Lucky Four had no problems getting gigs putting a variety of music together as an excellent form of entertainment as told by Hemphill The Mixers another band included Doughnut Delgado Jr Frank Shelton Charlie Hemphill George Reyes and Tom Guerena The Mixers traveled to Buffalo New York to audition on The Johnny Carson Show in the early 1960s reaching for a spotlight on National TV However that dream was short lived when one of the band members got cold feet and thus the band opted not to play for the audition Avelino had been practicing for a funeral he was to attend on that very night May 20 1985 he passed away at 59 His music was silenced for the first time in our entire life Jimmy Delgado Sr and Bobby Merino Sr dads best friends were in shock when their music companion suddenly died Music
