The Papers Of Andrew Johnson Volume 14 April August 1868:

The Papers of Andrew Johnson. Volume 14, April - August 1868 Leroy P. Graf, 1983 **The Papers of Andrew Johnson** Andrew Johnson, 1967 The correspondence in this volume is related to the immediate aftermath of his impeachment

Andrew Johnson and Ulysses S. Grant Garry Boulard, 2022-09-15 In the spring of 1865 after the end of the Civil War and the assassination of Abraham Lincoln two men bestrode the national government as giants Andrew Johnson and Ulysses S Grant How these two men viewed what a post war America should look like would determine policy and politics for generations to come impacting the lives of millions of people North and South black and white While both Johnson and Grant initially shared similar views regarding the necessity of bringing the South back into the Union fold as expeditiously as possible their differences particularly regarding the fate of millions of recently freed African Americans would soon reveal an unbridgeable chasm Add to the mix that Johnson having served at every level of government in a career spanning four decades very much liked being President and wanted to be elected in his own right in 1868 at the same time that a massive move was underway to make Grant the next president during that same election and conflict and resentment between the two men became inevitable In fact competition between Johnson and Grant would soon evolved into a battle of personal destruction one lasting well beyond their White House years and representing one of the most all consuming and obsessive struggles between two presidents in U S history

Andrew Johnson Garry Boulard, 2021-04-05 Few presidents have been as eviscerated in history as Andrew Johnson who suddenly on a rainy morning in April of 1865 became the nation s new chief executive upon the assassination of Abraham Lincoln A man who rose from dire poverty through a sheer primal force of will Johnson was elected to every level of government always taking his case to the people in a remarkable if often chaotic career that included service as a state legislator member of Congress Governor of Tennessee U S Senator vice president and finally the presidency itself During the Civil War Johnson bravely stood up to Confederates his life repeatedly threatened serving at Lincoln s pleasure as the Military Governor of Tennessee and pushing for an end to slavery Yet he is the same man who upon succeeding Lincoln could not see his way clear to securing the full Constitutional rights for ex slaves Because of his endless fights and many confrontations Johnson s presidency has since been roundly condemned as one of the most disastrous in U S history Johnson notes Page Smith in his seminal *People s History* series put on full display a reckless and demonic spirit that drove him to excess to violence harsh words and actions He was thrust into a role that required tact flexibility and sensitivity to the nuance of public opinion qualities that Lincoln possessed in abundance but that Johnson lacked asserts historian Eric Foner He was an angry man notes David Stewart a chronicler of Johnson s impeachment trial and he was rigid and these were qualities that served him terribly as president Yet for all of the scholarly indictments of the 17th President indictments supported by a recent Siena College Research Institute historians survey placing him at the bottom in overall performance Andrew Johnson challenges us as a singularly American story of triumph defeat and renewal a man who overcame the

challenges of poverty class and alienation to reach the highest peaks of power in the country That drive was ironically most tellingly on display after Johnson left the White House denied even the opportunity of a party nomination for another term in office From the ashes of that loss Johnson methodically rose again winning election to the U S Senate and improbably returning to national prominence Andrew Johnson s renaissance coming 6 years after an unprecedented effort to impeach and remove him from the presidency represents one of the greatest comebacks in American political history and serves as a testament to a man who could never be totally defeated Two against Lincoln William C. Harris,2017-04-14 Reverdy Johnson 1796 1876 Maryland senator and Horatio Seymour Democratic governor of New York were two influential opponents of Abraham Lincoln and the Republicans during the Civil War But unlike the Copperheads they staunchly supported the war to suppress the rebellion The story of these two figures of the loyal opposition by Lincoln Prize winning author William C Harris provides a new way of understanding critical controversies relating to the purpose of the Civil War its conduct emancipation white racial opinion loyalty military conscription and civil liberties Johnson a distinguished lawyer former Whig and conservative Unionist did not believe that the secessionist states had left the Union an idea with broad implications for post war reconstruction Like Seymour he opposed Republican efforts in Washington to end slavery assuming such a policy would backfire against the Union However Johnson in 1864 spoke in favor of the Thirteenth Amendment to abolish slavery Before the war Seymour supported Stephen Douglas s popular sovereignty policies allowing the territories to decide whether or not to permit slavery and during the war he opposed any tampering with slavery Two Against Lincoln explores how these two men negotiated issues of emancipation reconstruction and reconciliation all while navigating the roiling currents of partisan politics The book includes illuminating accounts of the framing of the Fourteenth Amendment in 1866 the ephemeral National Union Democratic Party of 1866 the role of Senator Johnson in the approval of the military reconstruction acts of 1867 the impeachment of President Andrew Johnson and finally the presidential election of 1868 in which Seymour as the Democratic candidate did better than expected against war hero U S Grant Building on the author s award winning work on Lincoln and the border states Two Against Lincoln illustrates the complexity of political divisions in the Union states as embodied in two powerful controversial leaders of the time **Ulysses S. Grant** Garry Boulard,2024-06-10 Tolling slowly tolling the alarm bells of all America sent to every heart this morning the news long expected and long dreaded that Ulysses S Grant was dead announced the Boston Globe on July 23 1885 just hours after the one time Commanding General of the U S Army and former President of the United States had passed on Taking note of the extraordinary tributes and declarations of love expressed by people in all regions of the country black and white as Grant endured a months long struggle with throat cancer the paper asserted that such praise had sweetened the draught from Death s chalice till all the bitterness of the deadly poison had passed away and it was but as drinking from the Holy Grail In this work Ulysses S Grant The Story of a Hero Garry Boulard chronicles the career of one of the most consequential figures in American history Rightly regarded as a

great military commander whose skills and strategic vision combined to bring about the end of the Civil War thus also forever obliterating a slavery that had entrapped nearly 4 million people Grant would serve two controversial terms as president working assiduously to foster a regional and racial reconciliation of the country At the time of his death he had just completed his monumental two volume Personal Memoirs of U S Grant since praised by generations of historians and regarded as one of the most important works in all of American non fiction literature

Apocalypse and the Millennium in the American Civil War Era Ben Wright,Zachary W. Dresser,2013-11-04 In the Civil War era Americans nearly unanimously accepted that humans battled in a cosmic contest between good and evil and that God was directing history toward its end The concept of God s Providence and of millennialism Christian anticipations of the end of the world dominated religious thought in the nineteenth century During the tumultuous years immediately prior to during and after the war these ideas took on a greater importance as Americans struggled with the unprecedented destruction and promise of the period Scholars of religion literary critics and especially historians have acknowledged the presence of apocalyptic thought in the era but until now few studies have taken the topic as their central focus or examined it from the antebellum period through Reconstruction By doing so the essays in Apocalypse and the Millennium in the American Civil War Era highlight the diverse ways in which beliefs about the end times influenced nineteenth century American lives including reform culture the search for meaning amid the trials of war and the social transformation wrought by emancipation Millennial zeal infused the labor of reformers and explained their successes and failures as progress toward an imminent Kingdom of God Men and women in the North and South looked to Providence to explain the causes and consequences of both victory and defeat and Americans black and white experienced the shock waves of emancipation as either a long prophesied jubilee or a vengeful punishment Religion fostered division as well as union the essays suggest but while the nation tore itself apart and tentatively stitched itself back together Americans continued looking to divine intervention to make meaning of the national apocalypse Contributors Edward J BlumRyan CordellZachary W DresserJennifer GraberMatthew HarperCharles F IronsJoseph MooreRobert K NelsonScott Nesbit Jason PhillipsNina Reid MaroneyBen Wright *Annotation* ,1994

The Notorious John Morrissey James C. Nicholson,2016-05-20 An Irish immigrant a collection agent for crime bosses a professional boxer and a prolific gambler John Morrissey was if nothing else an unlikely candidate to become one of the most important figures in the history of Thoroughbred racing As a young man he worked as a political heavy in New York before going to San Francisco in search of fortune at the height of the Gold Rush After returning to the east coast he was hired by Tammany Hall and was soon locked in a deadly rivalry with William Poole better known as Bill the Butcher As time went on Morrissey parlayed his youthful exploits into a remarkably successful career as a businessman and politician After establishing a gambling house in Saratoga Springs the hardnosed entrepreneur organized the first Thoroughbred race meet at what would become Saratoga Race Course in 1863 Morrissey went on to be elected to two terms in the U S House of

Representatives and two terms in the New York State Senate In this book James C Nicholson explores the improbable life of the man who brought Thoroughbred racing back to prominence in the United States Though few of his contemporaries did more to develop the commercialization of sports in America Morrissey s colorful background has prevented him from getting the attention he deserves This entertaining and long overdue biography finally does justice to his astounding rags to riches story while exploring an intriguing chapter in the history of horse racing **Humanities** ,1998 **Gideon Welles** John Niven,1973-11-08 A full scale life and times biography of an important Civil War figure *Program of the ... Annual Meeting* Organization of American Historians. Meeting,1998 *Choice* ,1997 **No Vote for Women** Bernadette Cahill,2019-10-11 From 1865 Susan B Anthony and Elizabeth Cady Stanton led campaigns for equal rights for all but were ultimately defeated by a Congress and reformers intent on applying suffrage established with constitutional amendments and legislation to men only Ignoring all women black and white advocates argued that enfranchising black men would solve race problems masking the effect on women This book weaves Anthony s and Stanton s campaigns together with national and congressional events in the process uncovering relationships among these events and revealing the devastating impact on the women and their campaign for civil rights for all citizens **Index to the Andrew Johnson Papers** Library of Congress. Manuscript Division,1963 **Historical Documentary Editions 2000** United States. National Historical Publications and Records Commission,2000 **Current Contents** ,1999 **America, History and Life** ,2000 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Joint Volumes of Papers Presented to the Legislative Council and Legislative Assembly ...** New South Wales. Parliament,1909 Includes various departmental reports and reports of commissions Cf Gregory Serial publications of foreign governments 1815 1931 **Southwestern Historical Quarterly** ,2000
