The Last Stand Nathaniel Philbrick, 2023-01-03 An engrossing and tautly written account of a critical chapter in American history Los Angeles Times Nathaniel Philbrick author of *In the Hurricane's Eye* Pulitzer Prize finalist *Mayflower* and *Valiant Ambition* is a historian with a unique ability to bring history to life The Last Stand is Philbrick's monumental reappraisal of the epochal clash at the Little Bighorn in 1876 that gave birth to the legend of Custer's Last Stand Bringing a wealth of new information to his subject as well as his characteristic literary flair Philbrick details the collision between two American icons George Armstrong Custer and Sitting Bull that both parties wished to avoid and brilliantly explains how the battle that ensued has been shaped and reshaped by national myth *Custer, Curley, Curtis* Jack L. Pennington, 2005 Author Jack Pennington became aware of new evidence that supports his previous views on the Battle of the Little Big Horn Many of these views have been contrary to general accepted beliefs about this epic event James S Hutchins book *The papers of Edward S Curtis relating to Custer's Last Battle* a speech by Michael Reynolds delivered to the Western Writers of America in 1975 in Billings Montana and a recently discovered map in which Crow Scout Curley recorded his exit from the Custer battlefield on June 25 1876 all reinforced Pennington's rationale for writing another book on the battle In *Custer Curley Curtis* an expanded view of the Battle of the Little Big Horn Jack Pennington addresses and

expands upon his thesis A critical and more extensive analysis of the Edward S Curtis Papers a deeper insight into the battlefield scenario and a fresh new evaluation of the Benteen Goldin Letters are included as well as his timetable of the events of June 25 1876 Also in this volume 9 of the Custer Trails Series appendices provide previously unpublished material that supports the author s research Jacket **Short Nights of the Shadow Catcher** Timothy Egan,2012 Edward Curtis was charismatic handsome a passionate mountaineer and a famous photographer the Annie Leibovitz of his time He moved in rarefied circles a friend to presidents vaudevill stars leading thinkers And he was thirty two years old in 1900 when he gave it all up to pursue his Great Idea to capture on film the continent s original inhabitants before the old ways disappeared

Journal of the Indian Wars Michael Hughes,2001-03-01 *Journal of the Indian Wars* or JIW was a quarterly publication on the study of the American Indian Wars Before JIW no periodical dedicated exclusively to this fascinating topic was available JIW s focus was on warfare in the United States Canada and the Spanish borderlands from 1492 to 1890 Published articles also include personalities policy and military technologies JIW was designed to satisfy both professional and lay readers with original articles of lasting value and a variety of columns of interest plus book reviews all enhanced with maps and illustrations JIW s lengthy essays of substance are presented in a fresh and entertaining manner **Rosebud, June 17, 1876** Paul L. Hedren,2019-04-11 The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West The monumental clash on June 17 1876 along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse It set the stage for the battle that occurred eight days later when just twenty five miles away George Armstrong Custer blundered into the very same village that had outmatched Crook Historian Paul L Hedren presents the definitive account of this critical battle from its antecedents in the Sioux campaign to its historic consequences Rosebud June 17 1876 explores in unprecedented detail the events of the spring and early summer of 1876 Drawing on an extensive array of sources including government reports diaries reminiscences and a previously untapped trove of newspaper stories the book traces the movements of both Indian forces and U S troops and their Indian allies as Brigadier General Crook commenced his second great campaign against the northern Indians for the year Both Indian and army paths led to Rosebud Creek where warriors surprised Crook and then parried with his soldiers for the better part of a day on an enormous field Describing the battle from multiple viewpoints Hedren narrates the action moment by moment capturing the ebb and flow of the fighting Throughout he weighs the decisions and events that contributed to Crook s tactical victory and to his fateful decision thereafter not to pursue his adversary The result is a uniquely comprehensive view of an engagement that made history and then changed its course Rosebud was at once a battle won and a battle lost With informed attention to the subtleties and significance of both outcomes as well as to the fears and motivations on all sides Hedren has given new meaning to this consequential fight and new insight into its place in the larger story of the Great Sioux War **Military Register of Custer's Last Command**
