The Papers Of Woodrow Wilson Volume 19 1909 1910

Peri E. Arnold

The Papers Of Woodrow Wilson Volume 19 1909 1910:

The Papers of Woodrow Wilson Woodrow Wilson,1966 This massive collection includes all important letters speeches interviews press conferences and public papers on Woodrow Wilson The volumes make available as never before the materials essential to understanding Wilson s personality his intellectual religious and political development and his careers as educator writer orator and statesman The Papers not only reveal the private and public man but also the era in which he lived making the series additionally valuable to scholars in various fields of history between the 1870 s and the 1920 s
Publisher **Presidential Personality And Performance** Alexander L George,Juliette L George,2019-09-11 This book which examines the leadership styles and decisionmaking practices of presidents from Woodrow Wilson to Bill Clinton reflects the authors interest for over half a century in the impact of personality on the political behavior of our political leaders Its contents range from the story of the Georges collaboration on their pioneering stud Congress and the People Donald R. Wolfensberger,2001-04-27 Will some form of direct democracy supplant representative deliberative government in the twenty first century United States That question is at the heart of Donald R Wolfensberger s history of Congress and congressional reform which runs back to the Constitution s creation of a popularly elected House of Representatives and forward to the surreal ending of the 105th Congress featuring barrels of pork resignation of the speaker and impeachment of the president The author s expertise comes from twenty eight years as a staff member in the House culminating in service as chief of staff of the powerful House Rules Committee He was a top parliamentary expert and a principal Republican procedural strategist Sensitive to the power of process Wolfensberger is an authoritative guide to reform efforts of earlier eras And as a participant in reforms since the 1960s he offers a unique perspective on forging the 1970s sunshine coalition televising House proceedings debating term limits and coping with democracy in an electronic age **The Public Papers of Woodrow Wilson: War and peace; presidential messages, addresses, and public paper (1917-1924)** Woodrow Wilson,1927 **The Public Papers of Woodrow Wilson: The new democracy; presidential messages, addresses, and other papers (1913-1917)** Woodrow Wilson,1927 **The Public Papers of Woodrow Wilson** Woodrow Wilson,1925

All the Presidents' Bankers Nomi Prins,2014-04-08 A groundbreaking narrative of how an elite group of men transformed the American economy and government dictated foreign and domestic policy and shaped world history Culled from original presidential archival documents All the Presidents Bankers delivers an explosive account of the hundred year interdependence between the White House and Wall Street that transcends a simple analysis of money driving politics or greed driving bankers Nomi Prins ushers us into the intimate world of exclusive clubs vacation spots and Ivy League universities that binds presidents and financiers She unravels the multi generational blood intermarriage and prot relationships that have confined national influence to a privileged cluster of people These families and individuals recycle their power through elected office and private channels in Washington DC From the Panic of 1907 to the financial crisis of

2008 this unprecedented history of American power illuminates how the same financiers retained their authoritative position through history swaying presidents regardless of party affiliation All the Presidents Bankers explores the alarming global repercussions of a system lacking barriers between public office and private power Prins leaves us with an ominous choice either we break the alliances of the power elite or they will break us **The Public Papers of Woodrow Wilson: War and peace : presidential messages, addresses, and public papers (1917-1924)** Woodrow Wilson,1927 *The Public Papers of Woodrow Wilson: College and state, educational, literary and political papers (1875-1913)* Woodrow Wilson,1925

The Princeton Fugitive Slave Lolita Buckner Inniss,2019-09-03 A study of the life of a Maryland slave his escape to freedom in New Jersey and the trials that ensued James Collins Johnson made his name by escaping slavery in Maryland and fleeing to Princeton New Jersey where he built a life in a bustling community of African Americans working at what is now Princeton University After only four years he was recognized by a student from Maryland arrested and subjected to a trial for extradition under the 1793 Fugitive Slave Act On the eve of his rendition after attempts to free Johnson by force had failed a local aristocratic white woman purchased Johnson s freedom allowing him to avoid re enslavement The Princeton Fugitive Slave reconstructs James Collins Johnson s life from birth and enslaved life in Maryland to his daring escape sensational trial for re enslavement and last minute change of fortune and through to the end of his life in Princeton where he remained a figure of local fascination Stories of Johnson s life in Princeton often describe him as a contented jovial soul beloved on campus and memorialized on his gravestone as The Students Friend But these familiar accounts come from student writings and sentimental recollections in alumni reports stories from elite predominantly white often southern sources whose relationships with Johnson were hopelessly distorted by differences in race and social standing In interrogating these stories against archival records newspaper accounts courtroom narratives photographs and family histories author Lolita Buckner Inniss builds a picture of Johnson on his own terms piecing together the sparse evidence and disaggregating him from the other black vendors with whom he was sometimes confused By telling Johnson s story and examining the relationship between antebellum Princeton s Black residents and the economic engine that supported their community the book questions the distinction between employment and servitude that shrinks and threatens to disappear when an individual s freedom is circumscribed by immobility lack of opportunity and contingency on local interpretations of a hotly contested body of law Praise for The Princeton Fugitive Slave Fascinating historical detective work Deeply researched the book overturns any lingering idea that Princeton was a haven from the broader society Johnson had to cope with the casual racism of students occasional eruptions of racial violence in town and the ubiquitous use of the N word by even the supposedly educated This book contributes to our understanding of slavery s legacy today Shane White author of Prince of Darkness The Untold Story of Jeremiah G Hamilton Wall Street s First Black Millionaire Collectively Inniss s work provides an exciting model for future scholars of slavery and labor Perhaps most importantly Inniss skillfully and compassionately restores Johnson s voice to his

own historical narrative G Patrick O'Brien H Slavery Remaking the Presidency Peri E. Arnold, 2009 The first comprehensive study of the three Progressive Era presidents who stretched the limits of the early twentieth century presidency in order to meet the emerging public expectations Explains the leadership differences between the three presidents and looks at the impact the Progressive movement had on the office of the presidency **Woodrow Wilson** John A. Thompson, 2015-12-14 Most famous in Europe for his efforts to establish the League of Nations under US leadership at the end of the First World War Woodrow Wilson stands as one of America's most influential and visionary presidents A Democrat who pursued progressive domestic policies during his first term in office he despised European colonialism and believed that the recipe for world peace was the self-determination of all peoples particularly those under the yoke of the vast Ottoman and Austro-Hungarian Empires His efforts to resist heavy reparations on Germany fell on deaf ears while the refusal of France Russia and Britain to accept a League of Nations led by America together with the US Senate's refusal to ratify the League led to its ultimate failure Woodrow Wilson has traditionally been seen by both admirers and critics as an idealist and a heroic martyr to the cause of internationalism But John Thompson takes a different view arguing that Wilson was a pragmatist whose foreign policy was flexible and responsive to pressures and events His conclusion that Wilson was in fact an exceptionally skilful politician who succeeded in maintaining national unity whilst leading America onto the world stage for the first time in its history offers a challenging interpretation for anyone interested in the man and his era **The Publishers Weekly**, 1928 **The Papers of Woodrow Wilson, Volume 26** Woodrow Wilson, 1980 This massive collection includes all important letters speeches interviews press conferences and public papers on Woodrow Wilson The volumes make available as never before the materials essential to understanding Wilson's personality his intellectual religious and political development and his careers as educator writer orator and statesman The Papers not only reveal the private and public man but also the era in which he lived making the series additionally valuable to scholars in various fields of history between the 1870s and the 1920s Volume 26 contains the Contents and Index of Volumes 14 25 1902 1912 The Encyclopædia Britannica Hugh Chisholm, 1922 *The Encyclopaedia Britannica* Hugh Chisholm, 1922 **Ruling Minds** Erik Linstrum, 2016-01-04 The British Empire used intelligence tests laboratory studies and psychoanalysis to measure and manage the minds of subjects in distant cultures Challenging assumptions about the role of scientific knowledge in the exercise of power Erik Linstrum shows that psychology did more to reveal the limits of imperial authority than to strengthen it *Current Book Review Citations*, 1980 **Woodrow Wilson** Edwin A. Weinstein, 2014-07-14 Throughout this narrative the author combines the historical material with an expert understanding of Wilson's ailments to point out ways in which the state of his health changed the course of national and international events Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while

presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Routledge Handbook of American Military and Diplomatic History Christos

Frentzos, Antonio S. Thompson, 2013-08-29 The Routledge Handbook of U S Military and Diplomatic History provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States in the modern period Each chapter begins with a brief introductory essay that provides context for the topical essays that follow by providing a concise narrative of the period highlighting some of the scholarly debates and interpretive schools of thought as well as the current state of the academic field Starting after the Civil War the chapters chronicle America s rise toward empire first at home and then overseas culminating in September 11 2001 and the War on Terror With authoritative and vividly written chapters by both leading scholars and new talent maps and illustrations and lists of further readings this state of the field handbook will be a go to reference for every American history scholar s bookshelf
