murder in America at the time The case reveals gross failures in the way cops handled parents pleas to look for their missing sons and how law enforcement possibly protected a larger conspiracy The Serial Killer s Apprentice tells the story of Corll and his accomplices in its fullest form to date It also explores the concept of murder the predator s instinct for exploitable kids current neuroscience about adolescent brain vulnerabilities the role of compartmentalization the dynamic of a murder apprenticeship and how tales like Henley s can aid with early intervention Despite his youth and cooperation Henley went to trial and received six life sentences He s now sixty five and has a sense of perspective about how adult predators can turn formerly good kids into criminals Unexpectedly he s willing to talk This book is his warning and the story of the unspeakable evil and sorrow that befell Houston in the early 1970s The Principles of Equity and Trusts Graham Virgo,2012-05-03 The Principle of Equity and Trusts offers students a new approach to this dynamic area of law Professor Graham Virgo has created a rigorous yet accessible student companion which draws the field in its contemporary context offering a critical and insightful commentary on the law its application and development The text communicates the dynamic and thought provoking nature of this area of law and reflect the modern understanding of the subjects as propounded both by the judiciary and commentators The text offers a student focused approach providing a clearly written and accessible guide to this most fascinating area of law while equally providing the critical rigour and referencing expected from academics in the field The Principle of Equity and Trusts promises to be a new classic in the field of equity and trusts textbook one which is admired by lecturers and students alike Stand Your Ground Douglas Brown, Kelly ,2015-05-05 The 2012 killing of Trayvon Martin an African American teenager in Florida and the subsequent acquittal of his killer brought public attention to controversial Stand Your Ground laws The verdict as much as the killing sent shock waves through the African American community recalling a history of similar deaths and the long struggle for justice On the Sunday morning following the verdict black preachers around the country addressed the question Where is the justice of God What are we to hope for This book is an attempt to take seriously social and theological questions raised by this and similar stories and to answer black church people s questions of justice and faith in response to the call of God But Kelly Brown Douglas also brings another significant interpretative lens to this text that of a mother There has been no story in the news that has troubled me more than that of Trayvon Martin s slaying President Obama said that if he had a son his son would look like Trayvon I do have a son and he does look like Trayvon Her book will also affirm the truth of a black mother s faith in these times of stand your ground **A Serial Killer's Guide to Marriage** Asia Mackay,2025-01-14 Two former serial killers trying to keep their past buried realize that old habits die hard in this sharp compulsive thriller I wasn t smashing the patriarchy I was killing it Literally Hazel and Fox are an ordinary married couple with a baby Except for one small thing they re murderers Well they used to be They had it all An enviable London lifestyle five star travels and plenty of bad men to rid from the world Then Hazel got pregnant Now they re just another mom and dad and baby They gave up vigilante justice for life in the suburbs arranged play dates instead

of body disposals diapers over daggers mommy conversations instead of the sweet seduction right before a kill Hazel finds her new life terribly dull And the more she forces herself to play her monotonous predictable role the more she begins to feel that murderous itch again Meanwhile Fox has really taken to being a father Always the planner he loves being five steps ahead of everyone and knowing exactly what s coming around the bend Plus if anyone can understand Hazel needing one more kill it s Fox But then Hazel kills someone without telling Fox And when police show up at their door Hazel realizes it will take everything she has to keep her family together
