

The Passion Stone

Jing Wang

The Passion Stone:

The Story of Stone Jing Wang, 1992 In this pathbreaking study of three of the most familiar texts in the Chinese tradition all concerning stones endowed with magical properties Jing Wang develops a monumental reconstruction of ancient Chinese stone lore Wang's thorough and systematic comparison of these classic works illuminates the various tellings of the stone story and provides new insight into major topics in traditional Chinese literature Bringing together Chinese myth religion folklore art and literature this book is the first in any language to amass the sources of stone myth and stone lore in Chinese culture Uniting classical Chinese studies with contemporary Western theoretical concerns Wang examines these stone narratives by analyzing intertextuality within Chinese traditions She offers revelatory interpretations to long standing critical issues such as the paradoxical character of the monkey in *The Journey to the West* the circularity of narrative logic in *The Dream of the Red Chamber* and the structural necessity of the stone tablet in *Water Margin* By both challenging and incorporating traditional sinological scholarship Wang's *The Story of Stone* reveals the ideological ramifications of these three literary works on Chinese cultural history and makes the past relevant to contemporary intellectual discourse Specialists in Chinese literature and culture comparative literature literary theory and religious studies will find much of interest in this outstanding work which is sure to become a standard reference on the subject

The Stone Mover Mark Riso, 2020-03-04 Advocacy in public policy is all about moving mountains as it relates to understanding that it's all about the stone Ultimately in the public policy arena we are all lawmakers who can move mountains when we accept that we are all empowered in a democracy Nothing is unattainable and the key to moving the mountain is our passion and focusing on the stone I've been an advocate public policy professional lobbyist my entire personal and professional life it's been a way of life that I would encourage anyone to explore Here's more about what I think

Stone Jeffrey Jerome Cohen, 2015-05-06 *Stone* maps the force vivacity and stories within our most mundane matter stone For too long stone has served as an unexamined metaphor for the really real blunt factuality nature's curt rebuke Yet medieval writers knew that stones drop with fire from the sky emerge through the subterranean lovemaking of the elements tumble along riverbeds from Eden partner with the masons who build worlds with them Such motion suggests an ecological enmeshment and an almost creaturely mineral life Although geological time can leave us reeling Jeffrey Jerome Cohen argues that stone's endurance is also an invitation to apprehend the world in other than human terms Never truly inert stone poses a profound challenge to modernity's disenchantments Its agency undermines the human desire to be separate from the environment a bifurcation that renders nature out there a mere resource for recreation consumption and exploitation Written with great verve and elegance this pioneering work is notable not only for interweaving the medieval and the modern but also as a major contribution to ecotheory Comprising chapters organized by concept *Geophilia Time Force and Soul* Cohen seamlessly brings together a wide range of topics including stone's potential to transport humans into nonanthropocentric scales of place and time the

petrification of certain cultures the messages fossils bear the architecture of Bordeaux and Montparnasse Yucca Mountain and nuclear waste disposal the ability of stone to communicate across millennia in structures like Stonehenge and debates over whether stones reproduce and have souls Showing that what is often assumed to be the most lifeless of substances is in its own time restless and forever in motion Stone fittingly concludes by taking us to Iceland a land that writes the author reminds us that stone like water is alive that stone like water is transient The Passion Stone Harriette de Jarnette

Madison,1980 **Ideal and Actual in the Story of the Stone** Dore Jesse Levy,1999 Levy explores the classic Chinese novel The Story of the Stone also known as The Dream of the Red Chamber illuminating the work by interpreting its four major themes the inversion of traditional family dynamics the function of illness and medicine in a Buddhist society the role of poetry in a dynastic Chinese society and the use of poetry as a vehicle for spiritual retribution **The Evolution of Sympathy in the Long Eighteenth Century** Jonathan Lamb,2015-10-06 This work represents a concise history of sympathy in the eighteenth and early nineteenth centuries considering the phenomenon of shared feeling from five related angles charity the market global exploration theatre and torture **The Book of Stones** Robert Simmons,Naisha

Ahsian,2021-01-12 Explores 455 crystals minerals gemstones and their metaphysical energies including vivid color photographs for each stone For each stone shares its scientific information its element and chakra correspondences its history and its physical emotional and spiritual benefits Includes guidance on how to work with crystals and stones and also explores the concept of crystal resonance Offering an illuminating alphabetical journey through the mineral kingdom this comprehensive reference guide takes you deep into the world of crystals and their uses for spiritual awakening and self healing Exploring 455 gemstones and their metaphysical energies the encyclopedia includes vivid color photographs for each stone to aid identification and showcase its beauty as well as listing each gem s physical emotional and spiritual benefits The book begins with two introductory chapters by authors Naisha Ahsian and Robert Simmons detailing how to work with crystals and stones and exploring the concept of crystal resonance Each stone entry includes the mineral name and photo its elemental and chakra correspondences keywords that indicate its properties and a description of the crystal structure hardness history and known locations of each mineral plus any relevant legend or lore from the past Each author then offers personal insights on the subtle energy properties and spiritual applications of the stone The entries conclude with the spiritual emotional and physical healing qualities of the stone and an affirmation for evoking its potential benefits This edition also includes an index of the stones healing and energetic properties making it easy to find the stone best suited to your needs Shadow on the Stones Moyra Caldecott,2009 Temple of the Sun priests Lady Kyra and Lord Khuren must maintain the peace and spiritual strength of their civilization and defend Lady Kyra s daughter Deva from the rising influence of Groth the dark god of chaos and barbarity Stone by Stone Robert Thorson,2009-05-26 There once may have been 250 000 miles of stone walls in America s Northeast stretching farther than the distance to the moon They took three billion man hours to

build And even though most are crumbling today they contain a magnificent scientific and cultural story about the geothermal forces that formed their stones the tectonic movements that brought them to the surface the glacial tide that broke them apart the earth that held them for so long and about the humans who built them Stone walls layer time like Russian dolls their smallest elements reflecting the longest spans and Thorson urges us to study them for each stone has its own story Linking geological history to the early American experience Stone by Stone presents a fascinating picture of the land the Pilgrims settled allowing us to see and understand it with new eyes *A Lapidary of Sacred Stones* Claude Lecouteux,2012-12-04 A comprehensive dictionary of sacred and magical gem lore that draws on the rarest source texts of Antiquity and the Middle Ages Reveals the healing and magical virtues of familiar gemstones such as amethyst emerald and diamond as well as the lore surrounding exotic stones such as astrios a stone celebrated by ancient magicians Examines bezoars stones formed in animals bodies and magnets that attract materials other than metal Based on ancient Arabic Greek Jewish and European sources ranging from the observations of Pliny the Elder to extremely rare texts such as the Picatrix and Damigeron s Virtue of Stones Our ancestors believed stones were home to sacred beings of power entities that if properly understood and cultivated could provide people protection from ill fortune envy and witchcraft grant invisibility and other magical powers improve memory and heal the sick from a wide variety of diseases These benefits could be obtained by wearing the stone on a ring bracelet or pendant through massage treatments with the stone or by reducing the gem into a powder and drinking it mixed with water or wine Drawing from a wealth of ancient Arabic Greek Jewish and European sources from the observations of Pliny the Elder to extremely rare texts such as the Picatrix and Damigeron s Virtue of Stones Claude Lecouteux provides a synthesis of all known lore for more than 800 stones He includes such common examples as the emerald which when engraved with the figure of a harpy holding a lamprey in its claws will banish panic and nightmares and beryl which when appropriately carved can summon water spirits or win its owner high renown as well as more exotic stones such as astrios a stone celebrated by ancient magicians and whose center glows like a star Lecouteux also examines bezoars stones formed in animals bodies as well as magnets that attract materials other than iron such as gold flesh cotton or scorpions This comprehensive dictionary of sacred and magical gem lore drawn from the rarest sources of Antiquity and the Middle Ages represents a one of a kind resource for gem enthusiasts and magical practitioners alike

The Spirit of Bead Embroidery Heidi Kumml,2013-01-11 Discover the many layers of bead embroidery Through 14 astonishingly beautiful projects including one from Sherry Serafini and one from Margie Deeb Heidi Kumml guides beaders to a greater understanding of how to infuse their jewelry with deeper meaning From animal totems to the four elements to the healing power of gemstones beaders will create pieces that reveal how the natural world can enhance their jewelry making journey [Anna Zieglerin and the Lion's Blood](#) Tara Nummedal,2019-04-19 In 1573 the alchemist Anna Zieglerin gave her patron the Duke of Braunschweig Wolfenb ttel the recipe for an extraordinary substance she called the lion s blood

She claimed that this golden oil could stimulate the growth of plants create gemstones transform lead into the coveted philosophers stone and would serve a critical role in preparing for the Last Days Boldly envisioning herself as a Protestant Virgin Mary Anna proposed that the lion s blood paired with her own body could even generate life repopulating and redeeming the corrupt world in its final moments In Anna Zieglerin and the Lion s Blood Tara Nummedal reconstructs the extraordinary career and historical afterlife of alchemist courtier and prophet Anna Zieglerin She situates Anna s story within the wider frameworks of Reformation Germany s religious political and military battles the rising influence of alchemy the role of apocalyptic eschatology and the position of women within these contexts Together with her husband the jester Heinrich Schombach and their companion and fellow alchemist Philipp Sommering Anna promised her patrons at the court of Wolfenbittel spiritual salvation and material profit But her compelling vision brought with it another darker possibility rather than granting her patrons wealth or redemption Anna s alchemical gifts might instead lead to war disgrace and destruction By 1575 three years after Anna s arrival at court her enemies had succeeded in turning her from holy alchemist into poisoner and sorceress culminating in Anna s arrest torture and public execution In her own life Anna was a master of self fashioning in the centuries since her death her story has been continually refashioned making her a fitting emblem for each new age Interweaving the history of science gender religion and politics Nummedal recounts how one resourceful woman s alchemical schemes touched some of the most consequential matters in Reformation Germany

Stones of the New Consciousness

Robert Simmons,2009 Stones of the New Consciousness begins with a new approach to meditation with stones and to the possibility of conscious relationship with the spiritual beings who express themselves in our world as crystals and minerals This beautifully designed book examines the most important stones that help accelerate and enhance human evolution Each entry is illustrated with color photos of exceptional examples The stones include Moldavite the extraterrestrial amorphous crystal Nuummite the oldest gemstone on Earth and Circle Stones the highly energetic Flint found in crop circle formations Other featured rarities include Nirvana Quartz from the Himalayas and high vibrational Natrolite from the emerald mines of Russia Author Robert Simmons includes historical and mythological references for each stone positing that the fabled Stone of the Holy Grail and the Philosopher s Stone of the alchemists may have physical counterparts among the materials discussed Simmons presents practices for deepening one s awareness of the stones gifts from expanding one s consciousness to healing to fulfilling one s personal and collective destiny While emphasizing direct contact with stones the book also explores crystal energy tools energy environments and applications such as stone elixirs and essences that can aid anyone on a spiritual path

Precious Stones: for Curative Wear William Thomas Fernie,1907 *Gemlore* Diane

Morgan,2008-06-30 Every culture has developed its own lore of rocks From the stones of Aaron s breastplate to the foundational rocks of the New Jerusalem from the creation tales of South America to the blood stones of Burma gems have taken their place in the mythology and magic of the human race This book details the lore attached to particular gems Each

chapter covers a particular stone and discusses the gem's geological, historical, mythical and legendary qualities. A valuable resource for anyone researching symbols, myth, history or literature, this book also helps science students understand the humanistic context of gemstones and offers social studies students a fascinating view of gems in world cultures. Each chapter covers a particular gemstone such as diamonds, rubies, sapphires and emeralds. It also covers organic gems such as pearl, coral and amber. The chapters discuss the natural history of the stone, including where the gem is found, its value and its use, the role the gem has played in history, especially for certain famous stones such as the Hope Diamond, and the myths, powers and legends that have attached to the stone over the centuries. Science students will appreciate the humanistic context the book offers for gemstones while social studies students will appreciate its consideration of gems across times and places. Students of literature and the arts will welcome the book's attention to gems as symbols and general readers will find it a fascinating guide to the lore and legend of precious stones. Paragons and Paragone Rudolf Preimesberger, 2011

Preimesberger's incisive and erudite analysis of social history, biography, rhetoric, art theory, wordplay and history illuminates these works anew, thus affording a modern audience a better understanding of the subtleties of their composition and meaning. Jacket **Theology from the Womb of Asia** C.S. Song, 2005-07-07. With *Theology from the Womb of Asia*, Song continues to demonstrate that he is one of the most creative and important theologians of our time. He forces us to expand the horizons of our theological vision not only by drawing on the resources of Asian thought and experience but also by insisting that we do theology with passion. Here he offers images, fables, poems, parables and visions woven together with his own compelling prose. The biblical stories with which we thought we were familiar become new and more compelling stories when we revisit them with this able and wise guide. And our whole approach to life and living is transformed by the freshness he breathes into all that he surveys with us. Robert McAfee Brown, Professor Emeritus of Theology and Ethics, Pacific School of Religion. In *Theology from the Womb of Asia*, C. S. Song shows how the story of God's compassion in Jesus and the many heartrending stories and poems of the Asian people are reaching out towards each other. Doing theology in this perspective is not a matter of application of doctrine but of recognition of a relation between the suffering God and suffering humanity which transcends many artificial and alienating distinctions. The book is an appeal to Asian theologians but at the same time a necessary challenge to a Western academic theology and missionary thinking. Bert Hoedemaker, Professor of Missions and Christian Ethics, University of Groningen, the Netherlands. A splendid example of doing theology with Asian resources. A breath of fresh air to liven up traditional theology using original reflections and observations with the backing of close knowledge of traditional theology. A book no theological college can do without. Yeow Choo Lak, The South East Asia Graduate School of Theology, Singapore. C. S. Song is Professor of Theology and Asian Cultures at Pacific School of Religion. His recent publications include *The Believing Heart* *Sacred Signs in Reformation Scotland*. Stephen Mark Holmes, 2015. *Sacred Signs in Reformation Scotland* is the first study of how public worship was interpreted in Renaissance Scotland and offers a

radically new way of understanding the Scottish Reformation It first defines the history and method of liturgical interpretation using the methods of medieval Biblical exegesis to explain worship then shows why it was central to medieval and early modern Western European religious culture The rest of the book uses Scotland as a case study for a multidisciplinary investigation of the place of liturgical interpretation in this culture Stephen Mark Holmes uses the methods of book history to discover the place of liturgical interpretation in education sermons and pastoral practice and also investigates its impact on material culture especially church buildings and furnishings A study of books and their owners reveals networks of clergy in Scotland committed to the liturgy and Catholic reform especially the Aberdeen liturgists Holmes corrects current scholarship by showing that their influence lasted beyond 1560 and suggests that they created the distinctive religious culture of North East Scotland later a centre of Catholic recusancy Episcopalianism and Jacobitism The final two chapters investigate what happened to liturgical interpretation in Scottish religious culture after the Protestant Reformation of 1559 60 showing that while it declined in importance in Catholic circles a Reformed Protestant version of liturgical interpretation was created and flourished which used exactly the same method to produce both an interpretation of the Reformed sacramental rites and an anti commentary on Catholic liturgy The book demonstrates an important continuity across the Reformation divide arguing that the Scottish Reformation is best seen as both Catholic and Protestant with the reformers on both sides having more in common than they or subsequent historians have allowed

Re-Genesis Yitzhaq Hayut-Man, 2019-03-20 How does the creation of the universe in six or seven days according to the Book of Genesis fit the evidence of the universe 15 milliard years of existence Why does the Book of Genesis contain three different creation stories In what sense is the Book of Genesis written in future tense What is the meaning of one of the very first commandments to till it and to keep it and why are we told in so many details about Noah's project of keeping the world's fauna Why is the Book of Genesis focused on fights between brothers even murders generation after generation and how can they be resolved Isaac's sacrifice who was testing whom and how did Isaac have the last laugh Is Israel a feminine maternal entity Esau and Jacob in the continual Jewish Christian contention and the mysterious and awesome role of the Ancient Kings of Edom What is the significance of the Twelve Tribes of Israel to our present time These questions and many others are the core of ReGenesis While giving fair treatment to key traditional Jewish and Christian and even Muslim exegesis this study reveals many novel discoveries based on recent research as well as on a wealth of letter codes and numerical patterns

The Cryptopedia Jonathan Maberry, David F. Kramer, 2007 A spooktacular guide to the mystery shrouded realm where the supernatural mingles with the paranormal Maberry and Kramer present witty and comprehensive chapters that explain the inexplicable from angels and poltergeists to UFOs and more The Cryptopedia decodes occult symbols demystifies the art of fortune telling and discusses the myriad strange and bizarre forces at work in the universe Packed with informative sidebars and fully illustrated throughout with an eight page colour insert
