## **The Pearllkillers Four Novellas:**

**The Pearllkillers** Rachel Ingalls, 1988-09 These four bewitching novellas have the imaginative power and spellbinding inventiveness readers expect from the author whose *Mrs Caliban* was named one of the 20 best postwar American novels by the British Book Marketing Council

**The Pearllkillers** Rachel Ingalls, 2013-05-16 The Pearllkillers first published in 1986 is a collection of four novellas *Third Time Lucky* *People to People* *Captain Hendrik's Story* and *Inheritance* the action of which gives the volume its title Rachel Ingalls' characters all bear the mark of Cain They are innocents no matter that some may be killers who are swept along through tepid flat circumstances until suddenly all hell breaks loose and the Furies erupt to claim their prey In her best work Ingalls is as monochromatic as Edgar Allan Poe going straight to her target with the same ease and surety as an arrow skims to its bull's eye And just as Poe's craft was exactly suited to the conventions of the short story form so Ingalls' vision is exactly suited to the length and scope of the novella Like Poe Rachel Ingalls is more than a master storyteller She is also a superb artist *Los Angeles Times*

**The Pearllkillers** Rachel Ingalls, 1986-01 This is a collection of four novellas *Third Time Lucky* *People to People* *Captain Hendrik's Story* and *Inheritance* the action of which gives the volume its title

**Times Like These** Rachel Ingalls, 2005-10 His wasn't a world war It was one of the smaller wars but just as deadly as any other Wars are like snakes his first commanding officer said to him Some of the little ones can be even worse than the monsters from *Veterans* Franklin fears his family is in danger from a fellow veteran he saved during the war A young boy entranced by opera despite being born into the rock and roll generation finds himself playing the lead role in a present day tragedy Travel agents happily lost in the paperwork of other people's adventures break away for an impromptu trip without to their horror a destination Pitch perfect and unpredictable these stories cover a wide terrain of voices plot and imagery Rachel Ingalls's richly drawn characters slip from the ordinary into the surreal with an elegance that can only come from a master of the form Mostly set in the United States the stories in *Times Like These* are available for the first time to American
