PENINSULA CAMPAIGN 1862

Joseph P. Cullen

McClellan & Lee STRUGGLE FOR RICHMOND

The Peninsula Campaign 1862 Mcclellan And Lee Struggle For Richmond

US Army Military History Research Collection

The Peninsula Campaign 1862 Mcclellan And Lee Struggle For Richmond:

The Peninsula Campaign 1862 Joseph P. Cullen, 2018-02-28 Here is the detailed story of The first serious attempt to capture Richmond The struggle that marked the emergence of Robert E Lee The rise and fall of the North's great hope General George B McClellan In this first book on the subject in 50 years historian Cullen presents incisive evaluations of the men and movements of the Confederate and Union Armies and disputes the long held theory that interference form President Lincoln caused McClellan's failure Reporting the campaign from both viewpoints and then judging from the fascinating omniscience of history he brings fresh research to an old subject that may be new in this depth to many From the first skirmish to the concluding bloody battle at Malvern Hill Cullen dissects the strategies of both sides reports the battles and skirmished examines the character and abilities of the men who made the decisions in this early campaign that tested two newly formed armies started Lee on his long war and brought ignominious retirement to McClellan Campaign, 1862 Joseph P. Cullen, 1973 To the Gates of Richmond Stephen W. Sears, 2014-11-11 This account of McClellan's 1862 campaign is a wonderful book Ken Burns and military history at its best The New York Times Book Review From the finest and most provocative Civil War historian writing today To the Gates of Richmond is the story of the one of the conflict's bloodiest campaigns Chicago Tribune Of the 250 000 men who fought in it only a fraction had ever been in battle before and one in four was killed wounded or missing in action by the time the fighting ended The operation was Gen George McClellan's grand scheme to march up the Virginia Peninsula and take the Confederate capital For three months McClellan battled his way toward Richmond but then Robert E Lee took command of the Confederate forces In seven days Lee drove the cautious McClellan out thereby changing the course if not the outcome of the war Deserves to be a classic The Washington Post The Era of the Civil War--1820-1876 Louise A. Arnold-Friend, US Army Military History Institute, 1982

The Era of the Civil War--1820-1876 US Army Military History Research Collection, Benjamin Franklin Cooling (III), 1974 Seven Days Before Richmond Iii Schroeder, 2009 Combining meticulous research with a unique perspective Seven Days Before Richmond examines the 1862 Peninsula Campaign of Union General George McClellan and the profound effects it had on the lives of McClellan and Confederate General Robert E Lee as well as its lasting impact on the war itself Rudolph Schroeder's twenty five year military career and combat experience bring added depth to his analysis of the Peninsula Campaign offering new insight and revelation to the subject of Civil War battle history Schroeder analyzes this crucial campaign from its genesis to its lasting consequences on both sides Featuring a detailed bibliography and a glossary of terms this work contains the most complete Order of Battle of the Peninsula Campaign ever compiled and it also includes the identification of commanders down to the regiment level In addition this groundbreaking volume includes several highly detailed maps that trace the Peninsula Campaign and recreate this pivotal moment in the Civil War Impeccably detailed and masterfully told Seven Days Before Richmond is an essential addition to Civil War scholarship Schroeder artfully enables us

to glimpse the innermost thoughts and motivations of the combatants and makes history truly come alive A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U.S. Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery Lee and His Generals Lawrence Lee Hewitt, Thomas E. Schott, 2012-06-25 A legendary professor at Louisiana State University T Harry Williams not only produced such acclaimed works as Lincoln and the Radicals Lincoln and His Generals and a biography of Huey Long that won both the Pulitzer Prize and the National Book Award but he also mentored generations of students who became distinguished historians in their own right In this collection ten of those former students along with one author greatly inspired by Williams s example offer incisive essays that honor both Williams and his career long dedication to sound imaginative scholarship and broad historical inquiry The opening and closing essays fittingly enough deal with Williams himself a biographical sketch by Frank I Wetta and a piece by Roger Spiller that place Williams in larger historical perspective among writers on Civil War generalship The bulk of the book focuses on Robert E Lee and a number of the commanders who served under him starting with Charles Roland's seminal article The Generalship of Robert E Lee the only one in the collection that has been previously published Among the essays that follow Roland's are contributions by Brian Holden Reid on the ebb and flow of Lee's reputation George C Rable on Stonewall Jackson's deep religious commitment A Wilson Greene on P G T Beauregard's role in the Petersburg Campaign and William L Richter on James Longstreet as postwar pariah Together these gifted historians raise a host of penetrating and original questions about how we are to understand America's defining conflict in our own time just as T Harry Williams did in his And by encompassing such varied subjects as military history religion and historiography Lee and His Generals demonstrates once more what a fertile field Civil War scholarship remains Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University Most recently he and Arthur W Bergeron now deceased coedited three volumes of essays under the collective title Confederate Generals in the Western Theater Thomas E Schott served for many years as a historian for the U S Air Force and U S Special Operations Command He is the author of Alexander H Stephens of Georgia A Biography which won both the Society of American Historians Award and the Jefferson Davis Award The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning

assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience Special Bibliography - US Army Military History Research Collection US Army Military History Research Collection, 1974 American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and guick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict A Companion to the U.S. Civil War Aaron Sheehan-Dean, 2014-02-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

The 96th Pennsylvania Volunteers in the Civil War David A. Ward, 2018-05-27 The 96th Pennsylvania Volunteers infantry regiment was formed in 1861 its ranks filled by nearly 1 200 Irish and German immigrants from Schuylkill County responding to Lincoln's call for troops The men saw action for

three years with the Army of the Potomac s VI Corps participating in engagements at Gaines Mill Crampton s Gap Salem Church and Spotsylvania Drawing on letters diaries memoirs and other accounts this comprehensive history documents their combat service from the point of view of the rank and file soldier along with their views on the war slavery emancipation and The A to Z of the Civil War and Reconstruction William L. Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated. There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history and Lee at War Steven E. Woodworth, 1995 Woodworth shows how the lack of a unified purpose and strategy in the East sealed the Confederacy s fate Historical Dictionary of the Civil War and Reconstruction William L. Richter, 2004-05-17 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North While not always a period to be proud of it did have higher goals and compelling ends This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history Substantial coverage is given to the time that followed the Civil War Reconstruction This was a period construed in many different ways by the individuals involved many of whom had little concern for the impact of their acts on others and even fewer who were interested in the plight of the newly enfranchised blacks for whom the war had supposedly been fought While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government No matter how one looks at it the Civil War continues to affect the politics constitutionalism and societal norms of the United States in

an irrevocable way and it probably always will It was a very personal war not fought by machines but by men affecting countless Americans who have one or more Civil War veterans hidden in their family trees It s a war modern enough to be relevant to today s military interests yet gentlemanly enough to be The Battle of Fair Oaks Robert P. Broadwater, 2014-01-10 In the spring of 1862 Union Major General George B McClellan's Army of the Potomac launched a bloody offensive up the Virginia Peninsula in an effort to capture the Confederate capital of Richmond This study chronicles the pivotal but often overlooked turning point of the Peninsula Campaign the Battle of Fair Oaks also known as Seven Pines At Fair Oaks Confederate troops succeeded in driving back Union forces from the edge of Richmond before the Union troops stabilized their position Though both sides claimed victory the battle marked the end of the Union offensive Robert E Lee J E B Stuart and Winfield Scott Hancock all rose to national prominence for their roles at Fair Oaks while McClellan saw his reputation ruined In the end the legacy of Fair Oaks is one of missed chances and faulty execution ensuring the war would continue for nearly three more years Special Bibliography, 1982 The Battle of Glendale: Robert E. Lee's Lost Opportunity Douglas Crenshaw, 2017-01-09 By late June 1862 the Union army under George B McClellan stood at the doorstep of Richmond In a desperate hour for the Confederate capital Robert E Lee attacked McClellan and drove the Union army into a full retreat toward the safety of the James River Lee recognized an opportunity to seal a decisive victory and commanded his Army of Northern Virginia to prevent the Union forces from retreating A P Hill James Longstreet and Stonewall Jackson were among those who engaged in the harrowing day of battle during the Seven Days Campaign Author Confederate General R.S. Ewell Paul D. Douglas Crenshaw details the dramatic Battle of Glendale in the Civil War Casdorph, 2014-07-15 Richard Stoddert Ewell is best known as the Confederate General selected by Robert E Lee to replace Stonewall Jackson as chief of the Second Corps in the Army of Northern Virginia Ewell is also remembered as the general who failed to drive Federal troops from the high ground of Cemetery Hill and Culp's Hill during the Battle of Gettysburg Many historians believe that Ewell's inaction cost the Confederates a victory in this seminal battle and ultimately cost the Civil War During his long military career Ewell was never an aggressive warrior He graduated from West Point and served in the Indian wars in Oklahoma Kansas New Mexico and Arizona In 1861 he resigned his commission in the U S Army and rushed to the Confederate standard Ewell saw action at First Manassas and took up divisional command under Jackson in the Shenandoah Valley Campaign and in the Seven Days Battles around Richmond A crippling wound and a leg amputation soon compounded the persistent manic depressive disorder that had hindered his ability to make difficult decisions on the battlefield When Lee reorganized the Army of Northern Virginia in May of 1863 Ewell was promoted to lieutenant general At the same time he married a widowed first cousin who came to dominate his life often to the disgust of his subordinate officers and he became heavily influenced by the wave of religious fervor that was then sweeping through the Confederate Army In Confederate General R S Ewell Paul D Casdorph offers a fresh portrait of a major but deeply flawed figure in the

Confederate war effort examining the pattern of hesitancy and indecisiveness that characterized Ewell's entire military career This definitive biography probes the crucial question of why Lee selected such an obviously inconsistent and unreliable commander to lead one third of his army on the eve of the Gettysburg Campaign Casdorph describes Ewell's intriguing life and career with penetrating insights into his loyalty to the Confederate cause and the Virginia ties that kept him in Lee's favor for much of the war Complete with riveting descriptions of key battles Ewell's biography is essential reading for Civil War historians

Yeah, reviewing a ebook **The Peninsula Campaign 1862 Mcclellan And Lee Struggle For Richmond** could be credited with your close contacts listings. This is just one of the solutions for you to be successful. As understood, completion does not suggest that you have astonishing points.
