Portraits Chosen by Emery Walker, 1919 *John Ruskin: Praeterita* John Ruskin, 2019-08-07 *Praeterita* is perhaps the best loved of all the fruits of Ruskin's many-sided and tormented genius. This exceptional biography, the first of Ruskin's works in the Whitehouse edition, simultaneously presents a deeply reflective portrait of an early 19th-century Protestant family, its genuine piety, its severities, its suffocating possessive affections, and the product at once intellectually brilliant and emotionally damaged of its educational system.

Churches and Churchyards of England and Wales Richard Hayman, 2019-05-30 The parish church is a symbol of continuity, a cornerstone of the urban and rural landscape and a treasure trove often as rich in cultural history as any museum. This compact and accessible guide explores all of these aspects of the parish church, beginning by examining why churches are built where they are and going on to explain how both church buildings and churchyards have changed over time. It also describes their fixtures and furnishings, including fonts, screens, stained glass, and monuments, explaining the ritual and symbolic purpose of these features and how their significance has shifted over time. Lavishly illustrated with colour photographs, this book will provide an indispensable primer for anyone who is curious about the nation's parish churches and wants to explore them further.

Millicent Garrett Fawcett Melissa Terras, Elizabeth Crawford, 2022-06-09 *Courage calls to courage everywhere* is the best-known phrase associated with Millicent Garrett Fawcett, 1847-1929, the leading UK suffragist and campaigner of the late 19th and early 20th centuries. But what is the source of her quote and what is its context? This book reproduces Fawcett's essential speeches, pamphlets, and newspaper columns to tell the story of her dynamic contribution to public life. Thirty-five texts and 22 images are contextualised and linked to contemporary news coverage as well as to historical and literary references. These speeches, articles, artworks, and photographs cover both the advances and the defeats in the campaign for women's votes. They also demonstrate a variety of the topics and causes Fawcett pursued: the provision of education for women, feminist history, a love of literature, and Fawcett's own attempt at fiction, purity and temperance, the campaign against employment of children, the British Army's approach to the South African War, the Unionist cause against Home Rule for Ireland, and the role of suffrage organisations during World War I. Here is a rich intertextual web of literary works, preferred reading material, organisations, contacts, friends, and sometimes enemies that reveals Fawcett the individual throughout 61 years of campaigning. The first scholarly appraisal of Fawcett in over 30 years, this is essential reading for those wishing to understand the varied political, social, and cultural contributions of Dame Millicent Garrett Fawcett.

Praise for Millicent Garrett Fawcett: Selected writings Millicent Fawcett's influence in the suffrage movement is often overlooked in favour of the more radical suffragette Emmeline Pankhurst. Millicent was hugely important, concentrating on non-violent, rational persuasion. This book explains the work of this dogged suffragist, Dame Jenni Murray, former president of the Fawcett Society.

Millicent Garrett Fawcett: Selected writings invites the reader to delve into the life and passions of this great suffragist leader. Millicent Fawcett paved the way for women to take their place in public life; that's why I'm so proud that in 2018 her sculpture was unveiled in London.

becoming Parliament Square's first ever statue of a woman The statue depicts Millicent holding a banner bearing the powerful quote Courage Calls to Courage Everywhere This book explores important aspects of the rich and too often untold history of women's rights including the origins of that inspirational quote Sadiq Khan Mayor of London This is a vital collection of the vital speeches of a vital person You need to read this to understand the history of Millicent Fawcett and if you don't understand the history of Millicent Fawcett you don't understand one of the most important developments in modern civilisation Lord Daniel Finkelstein Millicent Fawcett is one of the pivotal voices in UK political history Her work paved the way for every woman who has ever taken her place in a parliament anywhere on these islands When any of us talk about standing on the shoulders of giants Millicent Fawcett was that giant of female empowerment Baroness Ruth Davidson Millicent Fawcett was one of the most influential figures of her age yet history has tended to overlook her Extraordinarily astute and forward thinking she inspired women to change their world by giving them a political voice and the confidence to use it Thanks to this collection which is both scholarly and accessible we can now hear her own voice as never before She continues to inspire us to speak out on behalf of women's progress everywhere Jane Robinson Senior Associate Somerville College Oxford author of Ladies Can't Climb Ladders The Pioneering Adventures of the First Professional Women Terras and Crawford have brought together a powerful and accessible collection of contributions from Millicent Garrett Fawcett whose speeches and writings gave a political voice to the women of her generation This book allows us to follow the footsteps of a momentous albeit often overlooked suffragist who blazed the trail we now walk Nicola Sturgeon First Minister of Scotland

The Grand Tour Diary of Frederica Murray, 1819-1820 Mark Guscini, 2024-01-15 In 1819 the Murray family set out on one of the last Grand Tours before railways forever changed the way people travelled The eldest daughter of the Second Earl of Mansfield Lady Frederica Murray later Stanhope as she married James Hamilton Stanhope the youngest son of the 3rd Earl of Stanhope kept a diary on the tour which this book explores in detail The diary has never been published not even mentioned in any of the Grand Tour literature and is a fascinating and essential look at the Murray Mansfield family and Europe at the time Frederica was a deeply observant traveller and noted down numerous picturesque and historical details she was also very open and sometimes even cutting in her opinions when she came across something or someone she did not like Frederica's diary shows a very mature 19 year old with clear opinions on art literature and the world around her This book will therefore be interesting for scholars of travel Grand Tours and Regency England and its society as well as anyone with an interest in travel and history
