Debra Johanyak

Sitagita Speaks On Communication And Relationships Womens Life Enriching Series:

Love Talk Workbook for Women Les Parrott, Leslie Parrott, 2019-01-08 We set off to crack the code for meaningful conversation a plan that would move our communication from good to great And we found it A deep and simple plan for everything a loving conversation has to offer We call it Love Talk Drs Les and Leslie Parrot This women s workbook will help you personalize the concepts you encounter in the Parrotts book Love Talk and put them to work in your relationships Inside you ll find exercises assessments self tests tips applications all the tools and guidance you need to Identify your personal communication style Understand how it interacts with that of your partner Talk your way to a healthier stronger relationship Love Talk is like no other communication book you ve ever read The fruit of years of research by two foremost relationship experts who also happen to be husband and wife this book forges a new path to the heart of loving conversation You ll begin by identifying your security need and determining your personal communication style Then you ll put together everything you discover to learn how the two of you can speak each other s language like never before This very day you can begin an adventure in communication that will draw the two of you closer and closer and close consistently in a way that creates the depth and connection you long for in your relationship *Love Talk Workbook for Women* Les Parrott, III, 2004-09-23

Couples regularly name improved communication as the greatest need in their relationships Love Talk is a deep yet simple plan full of insights that will revolutionize communication in relationships This workbook for women is full of exercises and self tests that help you apply what you are learning about communication to your relationship Say What You Really Mean! Debra Johanyak, 2014-11-06 Most of us claim to value honesty and openness in communication but we often settle for insincerity and ambiguity We valiantly try to say what we mean all the while using words attitudes and expressions that sabotage the real message Results can be frustrating or even devastating A recent workplace report claims that 25% of the business sector experience communication problems on the job The actual percentage is probably much higher Most large companies recruiting and hiring employees are looking for effective communication as one of the top three skills in addition to being a team player and having job expertise Knowing what to say as well as how and when to say it are critical factors in communicating about important issues Finding the courage to give an honest response can give you a bad case of nerves or insomnia Yet keeping quiet or minimizing a message can be potentially problematic In romantic relationships avoiding sensitive topics may seem like the right thing to do But chances are women are lighting the fuse to a cache of fireworks that s bound to explode sooner or later ruining any chance of a truly meaningful relationship Frank and focused discussion can build positive interactions and mutually respectful relationships Say What You Really Mean How Women Can Learn to Speak Up offers hope for improving personal and professional communication for those who struggle to find the right words Why being direct is respectful not rude How silence plays a key role when used appropriately Knowing when to listen and when to speak up Bridging gender differences Using a message plan to get results Saying no without causing friction This book has

grown out of years of research observation and practice of effective communication in college teaching and from consulting and training in the business world The author s articles and workshops have helped people learn how to become more articulate and enjoy satisfying relationships based on meaningful conversations The book features Anecdotes and observations from real life situations Statistics on communication problems in personal and professional relationships Case histories from actual companies names changed Tips from employers employees parents and spouses who rely on clear communication for occupational and relational needs Inspirational quotes Self quizzes

Say what You Really Mean!

Debra Johanyak, 2014 Most of us claim to value honesty and openness in communication but we often settle for insincerity and ambiguity We valiantly try to say what we mean all the while using words attitudes and expressions that sabotage the real message Results can be frustrating or even devastating A recent workplace report claims that 25% of the business sector experience communication problems on the job The actual percentage is probably much higher Most large companies recruiting and hiring employees are looking for effective communication as one of the top three skills in addition to being a team player and having job expertise Knowing what to say as well as how and when to say it are critical factors in communicating about important issues Finding the courage to give an honest response can give you a bad case of nerves or insomnia Yet keeping quiet or minimizing a message can be potentially problematic In romantic relationships avoiding sensitive topics may seem like the right thing to do But chances are women are lighting the fuse to a cache of fireworks that s bound to explode sooner or later ruining any chance of a truly meaningful relationship Frank and focused discussion can build positive interactions and mutually respectful relationships Say What You Really Mean How Women Can Learn to Speak Up offers hope for improving personal and professional communication for those who struggle to find the right words Why being direct is respectful not rude How silence plays a key role when used appropriately Knowing when to listen and when to speak up Bridging gender differences Using a message plan to get results Saying no without causing friction This book has grown out of years of research observation and practice of effective communication in college teaching and from consulting and training in the business world The author s articles and workshops have helped people learn how to become more articulate and enjoy satisfying relationships based on meaningful conversations The book features Anecdotes and observations from real life situations Statistics on communication problems in personal and professional relationships Case histories from actual companies names changed Tips from employers employees parents and spouses who rely on clear communication for occupational and relational needs Inspirational quotes Self quizzes right thing to do But chances are women are lighting the fuse to a cache of fireworks that s bound to explode sooner or later ruining any chance of a truly meaningful relationship Frank and focused discussion can build positive interactions and mutually respectful relationships Say What You Really Mean How Women Can Learn to Speak Up offers hope for improving personal and professional communication for those who struggle to find the right words Why being direct is respectful not rude How silence plays a key

role when used appropriately Knowing when to listen and when to speak up Bridging gender differences Using a message plan to get results Saying no without causing friction This book has grown out of years of research observation and practice of effective communication in college teaching and from consulting and training in the business world The author s articles and workshops have helped people learn how to become more articulate and enjoy satisfying relationships based on meaningful conversations The book features Anecdotes and observations from real life situations Statistics on communication problems in personal and professional relationships Case histories from actual companies names changed Tips from employers employees parents and spouses who rely on clear communication for occupational and relational needs Inspirational quotes Self quizzess have helped people learn how to become more articulate and enjoy satisfying relationships based on meaningful conversations The book features Anecdotes and observations from real life situations Statistics on communication problems in personal and professional relationships Case histories from actual companies names changed Tips from employers employees parents and spouses who rely on clear communication for occupational and relational needs Inspirational quotes Self quizzes right thing to do But chances are women are lighting the fuse to a cache of fireworks that s bound to explode sooner or later ruining any chance of a truly meaningful relationship Frank and focused discussion can build positive interactions and mutually respectful relationships Say What You Really Mean How Women Can Learn to Speak Up offers hope for improving personal and professional communication for those who struggle to find the right words Why being direct is respectful not rude How silence plays a key role when used appropriately Knowing when to listen and when to speak up Bridging gender differences Using a message plan to get results Saying no without causing friction This book has grown out of years of research observation and practice of effective communication in college teaching and from consulting and training in the business world The author s articles and workshops have helped people learn how to become more articulate and enjoy satisfying relationships based on meaningful conversations The book features Anecdotes and observations from real life situations Statistics on communication problems in personal and professional relationships Case histories from actual companies names changed Tips from employers employees parents and spouses who rely on clear communication for occupational and relational needs Inspirational quotes Self quizzes right thing to do But chances are women are lighting the fuse to a cache of fireworks that s bound to explode sooner or later ruining any chance of a truly meaningful relationship Frank and focused discussion can build positive interactions and mutually respectful relationships Say What You Really Mean How Women Can Learn to Speak Up offers hope for improving personal and professional communication for those who struggle to find the right words Why being direct is respectful not rude How silence plays a key role when used appropriately Knowing when to listen and when to speak up Bridging gender differences Using a message plan to get results Saying no without causing friction This book has grown out of years of research observation and practice of effective communication in college teaching and from consulting and training in the business world The author s articles
