Sixpence In Her Shoe And Other Stories:

Sixpence in Her Shoe, and Other Stories Maura Treacy, 1977 *Representing the Troubles in Irish Short Fiction* Michael L. Storey, 2004-05 *Representing the Troubles in Irish Short Fiction* offers a comprehensive examination of Irish short stories written over the last eighty years that have treated the Troubles Ireland's intractable conflict that arose out of its relationship to England *Little Goody Two-Shoes and Other Stories* Matthew O. Grenby, 2017-07-07 John Newbery is celebrated as the first successful publisher of children's books and the founder of modern children's literature Three classic works published by Newbery the authors unknown are now available for a new generation of readers Edited by M O Grenby with an introduction explanatory notes and suggestions for further reading **Stories by Contemporary Irish Women** Daniel J. Casey, Linda M. Casey, 1990-04-01 These short stories invite the reader to see Ireland afresh Included are works by well known authors such as Mary Lavin Edna O'Brien and Julia O Faolain the collection also showcases new writers such as Clare Boylan Rita Kelly and Una Woods Repeatedly the stories bring us up against the inherent contradiction of provincial Ireland and Ireland as a modern European state and the complexities of women's lives in both Helen Lucy Burke writes tellingly of an older devout Irish Catholic woman as she encounters the startling realities of Italian Catholic Rome Other stories also dwell on traditional Irish themes and situations through refreshingly varied voices Ita Daly movingly portrays the problems of an educated sensitive schoolteacher resigned to her life in a country town Anne Devlin handles yet another familiar theme the Irishlander in England an England edgy about IRA bombings A few stories deal with the troubles in Northern Ireland while others address the troubles of the country as a whole too many children too much hypocrisy too little communication especially between women and men The editors have provided an introduction that examines the role of women writers in Irish literature They have also supplied detailed biographical notes for each contributing author **A Fine Pair of Shoes and Other Stories** Flynn Clare, 2018-12-21 *A Tapestry of True Tales from Then and Now* This collection of nine short stories comes from best selling historical fiction author Clare Flynn There are five historical tales four based on stories from her own family history and one a tragic tale from eighteenth century Sussex Clare has also branched out into contemporary fiction with four intriguing stories modern morality tales set in England Paris the USA and an island in the Indian Ocean Beautifully crafted vividly brought to life on the page these quirky stories give an insight into human nature at its best and its worst **Two Irelands** Rebecca Pelan, 2005-06-27 The very different histories of the North and South are reflected in their literature While women in the Republic of Ireland have tended to write about social issues sexism crime unemployment and domestic violence women in Northern Ireland focused on their society's historical tension and primarily nationalist and unionist politics However Pelan maintains that feminist ideology has provided contemporary Irish women with an alternate political stance that incorporates gender and nationality ethnicity and allows them to move beyond the usual binaries of politics history and language Irish and English In an analysis enriched by a sophisticated but accessible

engagement with contemporary feminist and gender theory Pelan concludes that Irish women's writing whether at the community or mainstream level North or South consistently articulates political issues of direct relevance to the lives of Irish women today As a result such work retains close links with the initial impetus of the second wave of feminism as a political movement and questions the legitimacy of long standing social religious and political conventions From within the framework provided by this second wave argues Pelan Irish women can critique certain masculine ideologies nationalist unionist imperialist and capitalist without forfeiting their own sense of gender and national or ethnic identity The book's significance lies in its placement of women's writing in the center of contemporary political discourse in Ireland and in ensuring that the writing from this period much of it long out of print continues to exist as sociological as well as literary records It will be of interest to a general and scholarly audience especially those in the fields of contemporary Irish writing feminism and literary history *Play with Your Own Marbles, and Other Stories* John James Wright, 1880 **Racketty-Packetty House and**

Other Stories Frances Hodgson Burnett, 2012-10-11 In addition to *Little Lord Fauntleroy* *The Secret Garden* *A Little Princess* and other beloved classics of childhood Frances Hodgson Burnett created a delightful legacy of short stories for children This volume includes six of the best of these tales *Racketty Packetty House* the centerpiece of the collection is a touching tale of a once elegant dollhouse and its shabby inhabitants happy creatures who love to dance But the little girl who owns the dolls is tired of them much preferring her new Tidy Castle dollhouse with its haughty upperclass dolls and her nurse wants to burn the *Racketty Packetty House* Children will love finding out what happens to the old house and its ragtag occupants Also included here are *Behind the White Brick* a Lewis Carroll like fantasy of a hidden world behind a chimney's brickwork *The Story of Prince Fairyfoot* a fairy tale about a young man of royalty who because of his tiny feet is rejected by his parents *Sara Crewe* an early version of *A Little Princess* as well as *Little Saint Elizabeth* and *The Proud Little Grain of Wheat* Heartwarming and instructive these charming stories reprinted here complete and unabridged will enthrall anyone with a love of make believe They are sure to delight today's youngsters as much as they entertained children generations ago
