My Gawd! and Other Stories Fairbanks,2018-03-22 My Gawd and Other Stories by Fairbanksjust the one word like Moses like Prince My Gawd Is that allowed Can you write that If it was a film it would be rated R adults only But not rated X by any means this is not erotica Thats the fun of the clever writing Its fiction It sometimes gets very close to the line but then it backs off There are only a couple of jolts in retrospect Some stories have no sex at all Does sex between insects count This is a collection of thirteen short stories set out as one per month plus New Years It is fun to take up the authors suggestion and read the last story first and then again at the end This tantalizing New Years story is written as a play and the other one is a humorous narrative poem The stories are full of interesting and varied charactersyoung old male female ordinary eccentric naughty and nice Settings include the authors backyard Central Australia other rural backgrounds and Canberra Each short story is different holding the readers interest and moving along without dragging There are no boring bits at all There is

poetry in the prose touching descriptions of setting and character Two of the stories are longer giving the reader the chance to follow an interesting plot and the characters more fully Watch out for the famous Fairbanks twist Lots of marketing potential with this one Put it on your bedside table and read one story a night for fun and for titillation The next Fifty Shades The naughty outback Aussies version My gawd **A Family Party in the Piazza of St. Peter and Other Stories** Thomas Adolphus Trollope, 2025-08-03 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Red Cavalry and Other Stories Isaac Babel, 2005-07-07 Throughout his life Isaac Babel was torn by opposing forces by the desire both to remain faithful to his Jewish roots and yet to be free of them This duality of vision infuses his work with a powerful energy from the earliest tales including Old Shloyme and Childhood which affirm his Russian Jewish childhood to the relatively non Jewish world of his collection of stories entitled Red Cavalry Babel s masterpiece Red Cavalry is the most dramatic expression of his dualism and in his simultaneous acceptance and rejection of his heritage heralds the great American Jewish writers from Henry Roth to Saul Bellow and Philip Roth **The Immortal Mouth and Other Stories** Joseph Sutton, 2003 Joseph Sutton has an eye for navel oranges and red rubies for heroic cats and noble geckoes for perfect mouths and super sized bartenders He has an ear for festival rhythms and regional accents bedtime stories and cautionary tales He has a heart for the pull of tradition and the call of the road for bright eyed Greek beauties and unresponsive ladies of the night for boys becoming men and writers scraping by Most of all Joseph Sutton has a voice that emerges strong and true in this remarkable collection of stories *The Six Days of Creation* Tayler Lewis, 1855 **The Little Angel and other Stories** Leonid Andreyev, 2019-09-25 Reproduction of the original The Little Angel and other Stories by Leonid Andreyev The Queen of Spades and Other Stories Alexander Pushkin, 2004-07-01 The Queen of Spades one of his most popular and chilling short stories tells of an inveterate card player who develops a dangerous obsession with the secret of an old lady s luck which he believes will bring him the wealth he craves The Negro of Peter the Great a story based on the life Pushkin s own great grandfather is a vivid depiction and criticism of both French and Russian society while Dubrovsky is the Byronic tale of a dispossessed young officer The Captain s Daughter tells of a young man sent to military service based on the actual events of the rebellion against Catherine II it demonstrates Pushkin s unparalleled skill at blending fiction and history Together these four stories display the versatility and innovation that earned Pushkin his reputation as a master of prose and established him as the towering figure in Russian literature *Out of This World* Rachel S. Cordasco, 2021-12-28 The twenty first century has witnessed an explosion of speculative fiction in translation SFT Rachel Cordasco examines speculative fiction published in English translation since 1960 ranging from Soviet era fiction to the Arabic language dystopias that emerged following the Iraq War Individual chapters on SFT from Korean Czech Finnish and eleven other source languages feature an introduction by an expert in the

language's speculative fiction tradition and its present day output Cordasco then breaks down each chapter by subgenre including science fiction fantasy and horror to guide readers toward the kinds of works that most interest them Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language She also examines the reasons a given subgenre has been translated into English An informative and one of a kind guide Out of This World offers readers and scholars alike a tour of speculative fiction's new globalized era

The Devil's Church and Other Stories Joaquim Maria Machado de Assis, 1977 The modern Brazilian short story begins with the mature work of Joaquim Maria Machado de Assis 1839-1908 acclaimed almost unanimously as Brazil's greatest writer Collectively these nineteen stories are representative of Machado's unique style and world view and this translation doubles the number of his stories previously available in English The stories in this volume reflect Machado's post 1880 emphasis on social satire and experimentation in psychological realism If he had continued to produce the moralistic love stories and parlor intrigues of his earlier fiction Machado's legacy would have been an entertaining but inconsequential body of work However by 1880 he had begun a devastating satirical assault on society through his fiction In spite of his ruthlessness Machado does at times reveal an ironic sympathy for his characters He is not indifferent to human conflict but uses humor and irony to stress the absurdity of these conflicts acted out against the backdrop of an indifferent universe Such a spectacle creates a sense of helplessness that can only inspire wistful amusement In his technical mastery of the short story Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves That his stories elicit such strong and diverse reactions today is a tribute to their richness complexity and significance
