**Ira Berlin**

## Slavery And Abolition In American History:

**Slavery and Abolition in American History** Linda Jacobs Altman, 1999 Until the Civil War ended in 1865 many considered slavery vital to the survival of the United States especially in the South In the North however during the years before the Civil War most people came to reject slavery for moral or political reasons and it was among these Northerners that the abolition movement began Author Linda Jacobs Altman explores the extraordinary efforts of the people who used words money violence or simply courage to fight for the freedom of the slaves Tracing the history of slavery from its origins in America through its end with the Thirteenth Amendment Altman shows how abolitionists and slaves themselves helped make the Civil War a fight not only to preserve the Union but to make the nation free      **Encyclopedia of Antislavery and Abolition** Peter P. Hinks, 2007 Volume one of a two volume set featuring alphabetically arranged entries that cover a wide range of topics related to the antislavery movement and abolitionist activities in the eighteenth and nineteenth centuries highlighting people and events that played a key role in ending slavery in the United States      *The Story of Slavery and Abolition in United States History* Linda Jacobs Altman, 2014-12-15 Prior to the end of the Civil War in 1865 many considered slavery vital to the economy of the United States especially in the South Most people in the North though came to reject slavery for moral or political reasons Influential Northerners spearheaded the abolition movement In this well researched account author Linda Jacobs Altman explores how abolitionists used words money violence or simply courage to fight to free the slaves Tracing the history of slavery from its origins in America through its legal end with the Thirteenth Amendment Altman shows how abolitionists and slaves themselves helped make the Civil War a fight not only to preserve the Union but to make the nation free      **Slavery and Abolition, 1831-1841** Albert Bushnell Hart, 1906      *American Abolitionists* Stanley Harrold, 2014-09-25 This book the latest in the Seminar Studies in History series examines the movement to abolish slavery in the US from the origins of the movement in the eighteenth century through to the Civil War and the abolition of slavery in 1865 Books in this Seminar Studies in History series bridge the gap between textbook and specialist survey and consists of a brief Introduction and or Background to the subject valuable in bringing the reader up to speed on the area being examined followed by a substantial and authoritative section of Analysis focusing on the main themes and issues There is a succinct Assessment of the subject a generous selection of Documents and a detailed bibliography Stanley Harrold provides an accessible introduction to the subject synthesizing the enormous amount of literature on the topic *American Abolitionists* explores the roles of slaves and free blacks in the movement the importance of empathy among antislavery whites for the suffering slaves and the impact of abolitionism upon the sectional struggle between the North and the South Within a basic chronological framework the author also considers more general themes such as black abolitionists feminism and anti slavery violence For readers interested in American history      **The American Nation: Slavery and abolition, 1831-1841** Albert Bushnell Hart, 1906      **Abolition and Antislavery** Peter Hinks, John McKivigan, 2015-07-14 The clearly

and concisely written entries in this reference work chronicle the campaign to end human slavery in the United States bringing to life the key events leading figures and socioeconomic forces in the history of American antislavery abolition and emancipation The struggle to abolish human slavery is one of the most important reform campaigns in history The eventual success of this decades long struggle serves as an inspiring example that even the most deeply rooted social wrongs can be corrected This valuable reference work details the history of antislavery abolition and emancipation to illustrate the various forms of these forces and the courses they followed in the bitterly contested struggle against the institution of slavery affording readers the most current compendium of the diverse scholarship of this important historical topic Geared toward readers seeking to learn about antislavery and abolition in U S or African American history Abolition and Antislavery A Historical Encyclopedia of the American Mosaic addresses a period of particular significance the years that shaped the sectional debates leading up to the Civil War The coverage encompasses both white abolitionists such as Theodore Dwight Weld and William Lloyd Garrison and black abolitionists such as Frederick Douglass Martin Delaney and Sojourner Truth Each alphabetically organized entry contains cross references as See Also at the end of each entry text An introductory essay ensures that all readers have a clear framework for understanding the subject regardless of their previous background knowledge

Slavery and Abolition, 1831-1841 Albert Bushnell Hart, 2023-07-18 A comprehensive history of the abolitionist movement in the United States from 1831 to 1841 with a focus on the role of slavery and its impact on American society and politics This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**The Long Emancipation** Ira Berlin, 2015-09-15 Perhaps no event in American history arouses more impassioned debate than the abolition of slavery Answers to basic questions about who ended slavery how and why remain fiercely contested more than a century and a half after the passage of the Thirteenth Amendment In The Long Emancipation Ira Berlin draws upon decades of study to offer a framework for understanding slavery's demise in the United States Freedom was not achieved in a moment and emancipation was not an occasion but a near century long process a shifting but persistent struggle that involved thousands of men and women Ira Berlin ranks as one of the greatest living historians of slavery in the United States The Long Emancipation offers a useful reminder that abolition was not the charitable work of respectable white people or not mainly that Instead the demise of slavery was made possible by the constant discomfort inflicted on middle class white society by black activists And like the participants in today's Black Lives Matter movement Berlin has not forgotten that the history of slavery in the United States especially the history of how

slavery ended is never far away when contemporary Americans debate whether their nation needs to change Edward E Baptist New York Times Book Review **Citizen Or Slave** Gilder Lehrman Institute of American History,2009-05-01 The constitutional legacy of the Dred Scott case has been long lasting What started as a freedom suit filed by Dred Scott and his wife in the St Louis Circuit Court in 1846 erupted into a U S Supreme Court case that ended in 1857 Read about the case details and political consequences surrounding one of the most infamous court decisions of our time Also includes a timeline of important dates **History of American Abolitionism** Felix Gregory De Fontaine,1861 A critique of American abolitionism after 1787 with emphasis upon the negative impact of the movement on the South and slavery De Fontaine blames fanatic abolitionists for causing dissolution of the Union and for spoiling chances for gradual emancipation in the South He also gives basic facts and figures on the initial six states of the southern confederacy including biographies of Jefferson Davis and Alexander Stevens and the slave and free populations of these states *The Abolition Crusade And Its Consequences - Four Periods Of American History* Hilary A. Herbert,2013-05-31 The author in the following pages is undertaking to write a connected story of events that happened most of them in his lifetime and as to many of the most important of which he has vivid recollections but save in one respect he has not relied upon his own memory for any important fact The picture he has drawn of the relations between the slave holder and non slave holder in the South is much of it given as he recollects it His opportunities for observation were somewhat extensive and here he is willing to be considered in part as a witness Great Debates in American History: Slavery from 1790 to 1857 Marion Mills Miller,1913 *Abolition of Slavery: Oxford Bibliographies Online Research Guide* Michael Guasco,2010-06 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com) The Slave's Cause Manisha Sinha,2016-02-23 Traces the history of abolition from the 1600s to the 1860s a valuable addition to our understanding of the role of race and racism in America Florida Courier Received historical wisdom casts abolitionists as bourgeois mostly white reformers burdened by racial paternalism and economic conservatism Manisha Sinha overturns this image broadening her scope beyond the antebellum period usually

associated with abolitionism and recasting it as a radical social movement in which men and women black and white free and enslaved found common ground in causes ranging from feminism and utopian socialism to anti imperialism and efforts to defend the rights of labor Drawing on extensive archival research including newly discovered letters and pamphlets Sinha documents the influence of the Haitian Revolution and the centrality of slave resistance in shaping the ideology and tactics of abolition This book is a comprehensive history of the abolition movement in a transnational context It illustrates how the abolitionist vision ultimately linked the slave s cause to the struggle to redefine American democracy and human rights across the globe A full history of the men and women who truly made us free Ira Berlin The New York Times Book Review A stunning new history of abolitionism Sinha plugs abolitionism back into the history of anticapitalist protest The Atlantic Will deservedly take its place alongside the equally magisterial works of Ira Berlin on slavery and Eric Foner on the Reconstruction Era The Wall Street Journal A powerfully unfamiliar look at the struggle to end slavery in the United States as multifaceted as the movement it chronicles The Boston Globe

*Encyclopedia of Antislavery and Abolition* Peter Hinks, John McKivigan, 2006-11-30 The emergence of a sophisticated antislavery ideology and the rise of organized opposition to slavery in the Atlantic World in the eighteenth and nineteenth centuries represented nothing less than one of the great intellectual and social revolutions in the history of the world An institution which by the early eighteenth century was near axiomatically accepted as necessary useful and thoroughly in accord with Judaeo Christian tenets and virtues and which profoundly informed the lives of millions of people had by the mid nineteenth century come increasingly to be viewed as the chief vector of evil and the Devil in the world the very quintessence of evil as some called it and the chief repository of all that was socially politically and especially economically archaic and stagnant This encyclopedia is organized around three principal concerns the illustration and explication of the various forms of antislavery and its emergence as an organized movement the immediate precipitants of abolition and the processes of its passage and the enactment of emancipation and its consequences While the earliest expressions of antislavery may have only comprised one or a few isolated voices the antislavery most commonly reviewed here is that animated by a systematic and ardent opposition to slavery and intended to mobilize large numbers of people to attack and end the institution A wide variety of people and organizations nurtured and extended this antislavery religious figures political economists slaves sailors artisans missionaries planters captains of slave ships democratic enthusiasts and others were all involved along with the various organizations secular religious or otherwise with which they were associated Antislavery was by no means exclusively or even principally the work of an intellectual elite and the force of all from the lowly and unlearned to the privileged and prominent is represented The presence of slavery continued to be attacked in the contracting Ottoman Empire in the early twentieth century in Liberia in the 1930s in Saudi Arabia in the mid twentieth century and even in the latter years of the century in countries like Sudan Pakistan India and others in Southeast Asia The entries have a worldwide focus covering antislavery movements and important developments in

slavery abolition and slave emancipation in many places around the globe Other entries cover individuals groups events documents and organizations related to the history of abolition and emancipation over the last two centuries Coverage also address a wide range of topics issues and ideas related to the broad topic of ending historical systems of slavery and human bondage Besides over 400 cross referenced entries most of which conclude with lists of additional readings the encyclopedia also includes an Introduction tracing the history of abolition and emancipation a selected general bibliography a guide to related topics numerous illustrations and a detailed subject index

**Abolition** Seymour Drescher,2009-07-27 In one form or another slavery has existed throughout the world for millennia It helped to change the world and the world transformed the institution In the 1450s when Europeans from the small corner of the globe least enmeshed in the institution first interacted with peoples of other continents they created in the Americas the most dynamic productive and exploitative system of coerced labor in human history Three centuries later these same intercontinental actions produced a movement that successfully challenged the institution at the peak of its dynamism Within another century a new surge of European expansion constructed Old World empires under the banner of antislavery However twentieth century Europe itself was inundated by a new system of slavery larger and more deadly than its earlier system of New World slavery This book examines these dramatic expansions and contractions of the institution of slavery and the impact of violence economics and civil society in the ebb and flow of slavery and antislavery during the last five centuries

Wilberforce, Lincoln, and the Abolition of Slavery Gilder Lehrman Institute of American History,2007 These materials provide a selective account of slavery and abolition in the United States and place the slave trade and the campaign to end slavery within an international context

**Prophets Of Protest** Timothy Patrick McCarthy,John Stauffer,2006-05-22 Presents a collection of original contributions on American abolitionism by African Americans women and other less represented groups drawing on a new body of research in African American studies literature and law

Illustrated Topics for American History Albert Edward McKinley,1912
