The Subject Index to Periodicals ,1928 *The Instruments of the Modern Orchestra & Early Records of the Precursors of the Violin Family: The precursors of the violin family; records, researches and studies ... with over 200 illustrations and plates, a bibliography of music and archæology and indices to the two volumes* Kathleen Schlesinger,1910 The precursors of the violin family; records, researches and studies ... with over 200 illustrations and plates, a bibliography of

music and archæology and indices to the two volumes Kathleen Schlesinger,1910      **The Instruments of the Modern Orchestra & Early Records of the Precursors of the Violin Family** Kathleen Schlesinger,1910      The History of the Violin, and Other Instruments Played on with the Bow from the Remotest Times to the Present William Sandys,Simon Andrew Forster,1864      **A dictionary-index of musicians (eds. F. H. Martens, M. W. Cochran, and W. D. Darby)** Daniel Gregory Mason,1917      **The Artistic Pianist** Jacob Eisenberg,1929      *The Orchestra* Liz Miles,2009-07-01 Brief history of orchestras discussing the different instruments used and famous composers of the world      **The Cambridge History of Musical Performance** Colin Lawson,Robin Stowell,2012-02-16 The intricacies and challenges of musical performance have recently attracted the attention of writers and scholars to a greater extent than ever before Research into the performer s experience has begun to explore such areas as practice techniques performance anxiety and memorisation as well as many other professional issues Historical performance practice has been the subject of lively debate way beyond academic circles mirroring its high profile in the recording studio and the concert hall Reflecting the strong ongoing interest in the role of performers and performance this History brings together research from leading scholars and historians and importantly features contributions from accomplished performers whose practical experiences give the volume a unique vitality Moving the focus away from the composers and onto the musicians responsible for bringing the music to life this History presents a fresh integrated and innovative perspective on performance history and practice from the earliest times to today      **The Encyclopædia Britannica** Hugh Chisholm,James Louis Garvin,1926      *A Performer's Guide to Medieval Music* Ross W. Duffin,2000 A Performer s Guide to Medieval Music is an essential compilation of essays on all aspects of medieval music performance with 40 essays by experts on everything from repertoire voices and instruments to basic theory This concise readable guide has proven indispensable to performers and scholars of medieval music      The Study of the Ancient and Medieval Harp Martin Van Schaik,2017-12-31 This is the first volume of a series of compilations of music archaeological bibliographic source material      **Fundamentals of Musical Art: Glossary of terms and index** Edward Dickinson,1928      *The History of the Violin* William Sandys,Simon Andrew Forster,1864      *Musical Instruments* Alexandr Buchner,1973      **Music as Concept and Practice in the Late Middle Ages** Reinhard Strohm,Bonnie J. Blackburn,2001 Music as Concept and Practice in the Late Middle Ages is an entirely new addition to the New Oxford History of Music series rather than a revision of the volume s predecessor published in 1960 It takes account not only of the developments in late medieval music scholarship during the latter decades of the twentieth century but also of the experience gained through significant changes in the performance practice of the late medieval repertory witnessed during this period All the chapters include areas of discussion whose coverage in the series hitherto has been either wholly lacking or at best marginal Muslim and Jewish musical traditions of the Middle Ages late medieval office chant medieval dance music musical instruments in society music in Central and Eastern Europe music theory of the fourteenth and fifteenth centuries music and early Renaissance

humanism The first chapter and the last three present the conceptualization of music in speculative theory philosophy compositional and didactic practice and musical historiography Four chapters and part of the first illustrate important musical repertories and genres as they were developed within diverse societies The eight authors all of them with a long standing interest in their respective subjects have created through their collaboration a blend of mature scholarship and original investigation The volume s novelty of approach and content is complemented by a firm anchorage in the specialist literature and documentary source material Today no single view of the Middle Ages can be acceptable to the musician or to the historian The present volume which addresses itself to both provides solid information on formerly marginal themes and advocates further exploration of the other Middle Ages
