# Stringing Together A Nation Candido Mari

**Michael Hoelscher**

## **Stringing Together A Nation Candido Mari:**

*Stringing Together a Nation* Todd A. Diacon, 2004-02-04 This analysis of the career of Candido Rondon an army officer who founded and directed Brazil's Indian Protection Service provides an avenue to deconstruct recent Brazilian historiography on nation building indigenous people and state action

**Religion** Hent de Vries, 2008 What do we talk about when we talk about religion Is it an array of empirical facts about historical human civilizations Or is religion what is in essence unpredictable perhaps the very emergence of the new In what ways are the legacies of religion its powers words things and gestures reconfiguring themselves as the elementary forms of life in the twenty first century Given the Latin roots of the word religion and its historical Christian uses what sense if any does it make to talk about religion in other traditions Where might we look for common elements that would enable us to do so Has religion as an overarching concept lost all its currency or does it ineluctably return sometimes in unexpected ways the moment we attempt to do without it This book explores the difficulties and double binds that arise when we ask What is religion Offering a marvelously rich and diverse array of perspectives it begins the task of rethinking religion and religious studies in a contemporary world Opening essays on the question What is religion are followed by clusters exploring the relationships among religion theology and philosophy and the links between religion politics and law Pedagogy is the focus of the following section Religion is then examined in particular contexts from classical times to the present Pentecostal revival leading into an especially rich set of essays on religion materiality and mediatization The final section grapples with the ever changing forms that religion is taking such as spirituality movements and responses to the ecological crisis Featuring the work of leading scholars from a wide array of disciplines traditions and cultures Religion Beyond a Concept will help set the agenda for religious studies for years to come It is the first of five volumes in a collection entitled The Future of the Religious Past the fruit of a major international research initiative funded by the Netherlands Organization for Scientific Research
