Strings Megan Edwards, 2017-09-12 The Merino Rose Ted Spencer has a hard enough time believing the celebrated violin really exists To find it sitting on his coffee table is nothing short of incredible The stuff of legend the exquisite Guarnerius has been missing for centuries But even though the renowned instrument is a violin lover's dream come true it holds only heartache for Ted The value of the Merino Rose may be beyond measure but he has acquired it at too high a cost Ted found his soul mate when he met Olivia de la Vega his senior year in high school In the school's production of Camelot Ted was cast as Lancelot Olivia as Guenevere They should have spent their lives together but strings got in the way family ties career objectives and the tangled web of fate Will the Merino Rose bring the two star crossed lovers together at last or will their love always remain the melancholy sound of distant violins
