Norfolk Timothy Latham,2005-09-01 Four years after it happened police have finally arrested a man over the baffling murder of Janelle Patton on Norfolk Island The murder may or may not yet be solved but Norfolk Island still has plenty of secrets I always thought the biggest coup for Norfolk Island would be to get on the big blue weather map to be broadcast to millions of viewers who would say So that s where Norfolk Island is Instead Norfolk Island got on a different map and it had nothing to do with sunshine or rain On the afternoon of Easter Sunday 2002 somebody killed a woman A vicious nasty prolonged attack which pitted a feisty pretty brunette against a person of great strength anger and hatred Her name was Janelle Patton She fought for her life And died In the tradition of true crime reportage Norfolk scratches the facade of this secretive and protective community probing murder myth history politics and gossip Despite being an Australian territory Norfolk is wonderfully and strangely different a culture where deception tension and age old animosities lie just beneath the surface of life in paradise
