Desler,     **Strive for Truth ; Michtav Me-Eliyahu the Selected Writings of Rabbi E.E.Desler Rendered Into English...by Aryeh Carmell** ,1978     *Media Ethics and Regulation* Christina Chan-Meetoo, 2013-08-09 This book provides useful pointers to help journalists navigate the dilemmas they face in the professional practice It provides an enlightening overview of the views of Mauritian journalists on their own industry and an in depth look at the South African model for self regulation As part of the ethical approach the book also reviews the main issues related to gender sensitive reporting in view of the significant role the media have to play in gender education In an age of information overload over exposure to a hyper mediated culture and the rise of user generated content journalists increasingly strive to remain relevant The temptation to use lower standards resort to sensationalism and even paycheck journalism is strong Such examples of unethical practice can only further undermine the credibility of a profession which purports to act as a watchdog a Fourth Estate Claims that ethics is a private affair no longer hold good Journalism is a public good and the need to a clear social contract is stronger than ever in a world where transparency and accountability are on the agenda Mechanisms for ensuring ethical practice are essential and should be hailed as beacons for a stronger journalism     *On Strength* Nicholas J. Pappas, 2012 What is strength This book ponders various facets of strength in a philosophical dialogue that probes the meaning of character and values what is worth fighting for and why what it means to be a true friend how to know when it s right to stand up to others what it means to be strong and how to gain strength in our convictions in sum what it means to be strong and how to find and train our own inner strength Is real strength as obvious as it seems Does it require more strength to act or to hold yourself from acting Why do you need it Where does truth come into play and how do we know truth when we see it How do heart soul and mind figure into things and where do our gut feelings come from Can you be strong when you are at odds with yourself In this Dialogue Father and Director coach Youth who has just been bloodied by a bully Having stood for what he felt was right it was a technical win but left Youth questioning himself He can build physical strength readily enough but it s not merely physical strength he needs His journey is about finding the right kind of confidence the right kind of strength a trickier business but all the more worthwhile     **Aids to meditation** Richard Henry Cresswell, 1874     Strive for Truth!
