Striving Towards Being

Jaan Valsiner Kevin J. Connolly

Striving Towards Being:

Striving Towards Being Thomas Merton, Czesław Miłosz, Robert Faggen, 1997-01 In selections from their ten year correspondence the Trappist monk and the Polish writer debate the role of communism and exchange contrasting views on the natural world **Striving Towards Being** Thomas Merton, Czesław Miłosz, 1997 **On Thomas Merton** Mary Gordon, 2020-01-07 From the best selling novelist and memoirist a deeply personal view of her discovery of the celebrated modern monk and thinker through his writings If Thomas Merton had been a writer and not a monk we would never have heard of him If Thomas Merton had been a monk and not a writer we would never have heard of him So begins acclaimed author Mary Gordon in this probing candid exploration of the man who became the face and voice of mid twentieth century American Catholicism Approaching Merton writer to writer Gordon illuminates his life and work through his letters journals autobiography and fiction Pope Francis has celebrated Merton as a man of dialogue and here Gordon shows that the dialogue was as much internal as external an unending conversation and at times a heated conflict between Merton the monk and Merton the writer Rich with excerpts from Merton s own writing *On Thomas Merton* produces an intimate portrait of a man who lived life in all its imperfectability reaching toward it in exaltation pulling back in anguish but insisting on the primacy of his praise as a man of God **The Blue Sapphire of the Mind** Douglas E. Christie, 2013 In *The Blue Sapphire of the Mind* Douglas E **The Will to Being** Manuel Cojocaru, 2024-07-16 This book addresses death and immortality by paralleling Plato s philosophy of becoming like God through exercising one s intellect and virtues with the Greek archaic and heroic way of gaining immortal glory through remarkable deeds In doing so this study focuses on the explicit and implicit references to earthly immortality and heroism in Plato s dialogues arguing for a distinction between the Time bound ontology of the glory seeking individual and the Being centered ontology of the philosopher Such an underlining of the ontological discrepancy between the ways of the hero and those of the philosopher makes this book a novel academic contribution The dual focus discloses the clash of ontologies yet also reveals an implicit existential turmoil in Ancient Greek culture as to the anxieties surrounding one s potential immortality This title appeals to students and researchers working in Ancient philosophy and existentialism *Theology and Intelligibility* Michael Durrant, 2014-07-16 This is Volume III out of nine in a collection of *Studies in Ethics and the Philosophy of Religion* which is meant to provide an opportunity for philosophical discussions of a limited length which pursue in some detail specific topics in ethics or the philosophy of religion or topics which belong to both fields Originally published in 1973 this text looks at *Theology and Intelligibility* and discusses a proposition from natural theology and also a formula which in the context of sacred doctrine is the doctrine of the Holy Trinity **The Selected Works of Arne Naess** Arne Naess, 2007-11-17 Arne Naess is considered one of the most important philosophers of the twentieth century He has been a tremendously prolific author yet his works as a whole have remained largely unavailable until now Springer made available for the first time a definitive 10 volume collection of Arne Naess s life s works The

Selected Works of Arne Naess The Selected Works of Arne Naess SWAN presents a major overview of Arne Naess s thinking and provides an extensive collection of this prolific philosopher s principal writings Some of Naess s most important publications have never before been available in English Many others are out of print Often his papers were published in obscure and inaccessible journals And because Naess has been so prolific many of his most important papers still remain unpublished The publication of SWAN makes Naess s work more fully accessible to scholars students and critics alike

The ^ANotebooks of Alexander Skryabin ,2018-04-16 This new source book for the Russian composer Alexander Skryabin provides a full translation of his writings as published in Moscow in 1919 with supplementary texts and letters from the composer Commentary by Simon Nicholls examines the sources of Skryabin s thought and its relation to aspects of his compositional techniques and an outline biography relates Skryabin s work to his extraordinary short life *Ecstatic Pessimist* Peter Dale Scott,2023-02-28 *Ecstatic Pessimist* is a timely book about the Central and Eastern European experience of the mid 20th century as told through the poetry and experiences of Czeslaw Milosz Nobel Laureate for literature who wrote on the horrors of war and the human experience Written by a colleague and friend of the poet it is part literary criticism and part memoir This biography memoir of Czeslaw Milosz is a first hand account of the poet s life and his relationship to the author beginning in the 1960s Milosz was a Polish American poet prose writer translator and diplomat Regarded as one of the great poets of the 20th century he won the 1980 Nobel Prize in Literature In its citation the Swedish Academy called Milosz a writer who voices man s exposed condition in a world of severe conflicts *Ecstatic Pessimist* expands on Czeslaw Milosz s commitment to unpolitical politics working for a revolution in culture and above all poetry as a necessary preparation for a revolution in politics This is a familiar notion in Poland which for two centuries was politically divided but poets preserved and enhanced a lively Polish consciousness And as the book shows Milosz took steps over two decades to help reunite Poles in the successful Solidarity movement whose struggle eventually changed the regime and forced the Soviet armies to withdraw But the book is designed to encouraged a similar development in America Milosz s ambition for poetry may at first sound exotic but as the book says it is in the spirit of what John Adams wrote late in life to Thomas Jefferson The American revolution was in the mind of the people and in the union of the colonies both of which were accomplished before the hostilities commenced Though the book is also designed for those who already know and love Milosz it is primarily written for those looking for someone whose genius could similarly inspire Americans of both left and right to unite in restoring the badly broken politics of this country The book argues that Czeslaw Milosz is that genius as perhaps the only person who has been praised by intellectual leaders like Chris Hedges on the left and has also spoken at Hillsdale College the intellectual citadel of the American right **Self-in-Relationship Psychotherapy in Action** Augustine Meier,Micheline Boivin,2024-06-14 This book presents a comprehensive guide to applying Meier and Boivin s Self in Relationship Psychotherapy model to clinical work with individuals couples families and children The central theme of the book is that the

paradigm of affects cognitive processes and behaviors that informs current psychotherapy approaches needs to be broadened to include core self relational and physical intimacy needs as motivating factors in psychotherapy Drawing on multiple influences including relational psychoanalysis the authors illustrate how to work with core needs when providing therapy to children and adults They establish that core needs are universal and their realizations are essential for healthy living and argue that clients achieve the healthiest outcomes by finding a way to balance the self alongside their relations with others The concept of core self relational and physical intimacy needs is what binds all the chapters in this book and makes it unique among psychotherapy approaches With a clear transtheoretical approach and rich clinical vignettes this book is core reading for any psychotherapists psychoanalyst or practicing psychologists **Mental Life (Psychology Revivals)** Beatrice

Edgell,2014-04-08 Originally published in 1926 the aim of this textbook was the interpretation of human behaviour and conduct Beatrice Edgell is an important figure in the history of psychology She was the first British woman to receive a PhD in psychology the first female psychology professor in Britain and the first woman president of the British Psychological Society 1930 1931 of which she had been a founding member in 1901 As the Head of Psychology at Bedford College she established one of the first psychological laboratories in the UK She also taught a number of women who went on to become prominent in the field One of her many publications this book was thought to be suitable for students training for social work or for the general reader interested in educational and social questions Get Over Yourself Dave Kerpen,2024-03-19

Discover time tested strategies to growing a successful business and leading a team without sacrificing your personal life The key is delegation Drawing on his own experience launching and scaling multiple companies New York Times bestselling author Dave Kerpen shares the secrets of how you can shift your mindset and your workload to focus on the things that are most important for your business your employees and you With the rise of remote work the gig economy AI and social media the boundaries between work and home are dissolving leaving workplace leaders with less time for themselves than ever before Featuring real life examples and prompts for goal setting Get Over Yourself is a blueprint to help readers become master delegators by learning how to Embrace delegation as a strategy for long term growth and success Avoid common challenges faced by small business owners and corporate leaders Navigate the changing work landscape including remote work hybrid work ChatGPT and the gig economy Choose the right people for your team and encourage a workplace of trust and autonomy Create a healthy sustainable work life balance in today s dynamic work environment Build a business that serves your life not a life that serves your business Get Over Yourself is an evergreen guide for entrepreneurs small business owners and leaders growing their businesses in a new world By shifting your mindset in small impactful ways you can reclaim your time with peace of mind and turn your attention to what matters most *Themistius: On Aristotle Physics 5-8*

Themistius,2014-04-22 Themistius treatment of Books 5 8 of Aristotle s Physics shows this commentator s capacity to identify isolate and discuss the core ideas in Aristotle s account of change his theory of the continuum and his doctrine of the

unmoved mover His paraphrase offered his ancient students as they will now offer his modern readers an opportunity to encounter central features of Aristotle's physical theory synthesized and epitomized in a manner that has always marked Aristotelian exegesis but was raised to a new level by the innovative method of paraphrase pioneered by Themistius Taking selective but telling accounts of the earlier Peripatetic tradition notably Theophrastus and Alexander of Aphrodisias this commentator creates a framework that can still be profitably used by Aristotelian scholars today Parenting the Guardian Class Jonathan I. Cloud, 2008-06 It has been a continuous struggle with myself as to whether I should write this journal I was frustrated and needed to ascertain some way of keeping my sanity It finally dawned on me that on the occasions when I was very frustrated writing thoughts down might become a way to alleviate some of that stress In writing this journal I hoped to shed some light on the employees and their perceptions and how they contributed to some of the problems at United Airlines In the years I worked at United Airlines I made some of the best friends I will ever have I do not want you to think all the time I spent at United was negative It was not I have had some very good times and enjoyed working for them Through all the challenges I faced the good times far outweigh the bad I always believed in doing things to enhance the work environment and make it a fun experience for everyone so that it did not feel like being on a job Therefore I helped organize plan and create that atmosphere through functions such as potlucks and steak barbecues In addition I would bring in bagels cakes cookies etc for the whole shop We had a lot of fun United had some of the best people you could ever imagine working for them we were all like family I had no intention of doing anything with these writings it was simply a catharsis for me When I retired there were so many things going on with United I decided at that point maybe I should publish my journal A lot of the things that happened were events I was afraid would happen And did such as the loss of so many jobs **The Wiley Encyclopedia of Personality and Individual Differences, Set**, 2020-11-04 The Encyclopedia of Personality and Individual Differences EPID besch ftigt sich in vier B nden mit Gemeinsamkeiten und Unterschieden bei Individuen Jeder Band konzentriert sich auf einen wichtigen Themenbereich bei der Untersuchung der Pers nlichkeitspsychologie und den Unterschieden von Individuen Der erste Band mit dem Titel Models and Theories betrachtet die wichtigsten klassischen und modernen Standpunkte Perspektiven Modelle und theoretischen Ans tze im Studium der Pers nlichkeit und Unterschiede von Individuen Der zweite Band Measurement and Assessment untersucht die wesentlichen klassischen und modernen Beurteilungsmethoden und Techniken Der dritte Band mit dem Titel Personality Processes and Individual Differences erl utert die traditionellen und aktuellen Dimensionen Konstrukte und Merkmale der Studienrichtung Im vierten Band werden drei Hauptkategorien behandelt klinische Zuarbeit angewandte Forschung und interkulturelle Betrachtungen Dar ber hinaus werden Themen wie Kultur und Identit t multikulturelle Identit ten interkulturelle Untersuchungen von Merkmalsstrukturen und Personalit tsprozessen u v m behandelt Jeder Band enth lt rund 100 Eintr ge zu Personalit t und individuellen Unterschieden Die Beitr ge stammen von international f hrenden Psychologen Besch ftigt sich mit wichtigen klassischen und

zeitgenössischen Modellen und Theorien der Persönlichkeitspsychologie mit Mess und Beurteilungsverfahren Persönlichkeitsprozessen und Unterschieden bei Individuen sowie mit Forschungsansätzen Bietet einen umfassenden und ausführlichen Überblick über die Persönlichkeitspsychologie The Encyclopedia of Personality and Individual Differences ist ein wichtiges Referenzwerk für Studenten der Psychologie und Fachexperten die sich mit der Untersuchung und Erforschung von Persönlichkeit beschäftigen

The Wiley Encyclopedia of Personality and Individual Differences, Models and Theories, 2020-11-04 Volume 1 Models and Theories of The Wiley Encyclopedia of Personality and Individual Differences The Encyclopedia of Personality and Individual Differences EPID is organized into four volumes that look at the many likenesses and differences between individuals Each of these four volumes focuses on a major content area in the study of personality psychology and individuals differences The first volume Models and Theories surveys the significant classic and contemporary viewpoints perspectives models and theoretical approaches to the study of personality and individuals differences PID The second volume on Measurement and Assessment examines key classic and modern methods and techniques of assessment in the study of PID Volume III titled Personality Processes and Individuals Differences covers the important traditional and current dimensions constructs and traits in the study of PID The final volume discusses three major categories clinical contributions applied research and cross cultural considerations and touches on topics such as culture and identity multicultural identities cross cultural examinations of trait structures and personality processes and more Each volume contains approximately 100 entries on personality and individual differences written by a diverse international panel of leading psychologists Covers significant classic and contemporary personality psychology models and theories measurement and assessment techniques personality processes and individuals differences and research Provides a comprehensive and in depth overview of the field of personality psychology The Encyclopedia of Personality and Individual Differences is an important resource for all psychology students and professionals engaging in the study and research of personality
