Strong Democracy Participatory Politics For A New Age:

Strong Democracy Benjamin Barber, 2003 One of the chosen few an enduring contribution to democratic thought Bruce Ackerman Sterling Professor of Law and Political Science Yale University *Understanding Democratic Politics* Roland Axtmann, 2003-02-17 This textbook is designed for first time students of politics It provides an ideal introduction and survey to the key themes and issues central to the study of democratic politics today The text is structured around three major parts concepts institutions and political behaviour and ideologies and movements Within each section a series of short and accessible chapters serve to both introduce the key ideas institutional forms and ideological conflicts central to the study of democratic politics and provide a platform for further in depth studies Each chapter contains a bullet point summary a guide to further reading and a set of questions for tutorial discussion Designed and written for an undergraduate readership *Understanding Democratic Politics* An Introduction will become an essential guide and companion to all students of politics throughout their university degree **Public Opinion** Rosalee A. Clawson, Zoe M. Oxley, 2020-07-21 In *Public Opinion* Democratic Ideals Democratic Practice Fourth Edition Clawson and Oxley link the enduring normative questions of democratic theory to existing empirical research on public opinion Organized around a series of questions In a democratic society what should be the relationship between citizens and their government Are citizens opinions pliable Are they knowledgeable attentive and informed the text explores the tension between ideals and their practice Each chapter focuses on exemplary studies explaining not only the conclusion of the research but how it was conducted so students gain a richer understanding of the research process and see methods applied in context *Public Participation in Foreign Policy* J. Headley, A. Reitzig, J. Burton, 2012-03-02 Experts from academia governments think tanks NGOs trade unions and business investigate whether the public should play a greater role in foreign policy making by analysing their current role in the Iraq war USA Post Apartheid South Africa trade relations with China New Zealand and other cases *Religion in Public and Private Life (Routledge Revivals)* Clarke E. Cochran, 2014-06-27 Religious crosses the spheres of both the private life and the public institution In a liberal democracy public and private interests and goals prove to be inseparable Clarke Cochran s interdisciplinary study brings political theory and the sociology of religion together in a fresh interpretation of liberal culture First published in 1990 this analysis begins with a reassessment of the nature of the public and the private in relation to the political The controversy over religion and politics is examined in light of such contested issues of political life as sexuality abortion and the changing nature of the family Clarifying a number of debates central to contemporary society this timely reissue will be of particular value to students with an interest in the relationship between religious society and politics

Cosmopolitanism and the Legacies of Dissent Tamara Caraus, Camil Alexandru Parvu, 2014-07-17 The core idea shared by all cosmopolitan views is that all human beings belong to a single community and the ultimate units of moral concern are individual human beings not states or particular forms of human associations Nevertheless the attempts to

ground a political theory on overarching universal principles is in contradiction with the plurality of social cultural political religious interpretative standpoints in the contemporary world Is dissent cosmopolitan Is there a legacy of dissent for a theory of cosmopolitanism This book is a comparative historical analysis of dissident thought and practice for contemporary debates on cosmopolitanism Divided into two parts the editors and contributors explore the contribution of paradigmatic dissidents like Gandhi Martin Luther King Havel Sakharov Mandela Liu Xiaobo Aung San Suu Kyi towards a post universalist cosmopolitan theory Part Two examines the inherent cosmopolitanism of the seemingly peripheral dissent of contemporary forms of protests resistance direct action like NO TAV movement and Occupy Wall Street A timely book which allows for a much needed new engagement in contemporary debates of cosmopolitanism we learn how practical resistance to totalizing hegemonic claims is generated and how dissident thinking might contribute to new enriched ways of conceiving the non totalizing foundations of cosmopolitanism An innovative look at what lessons can scholars of cosmopolitanism learn from dissent dissident movements and what the role of dissent in cosmopolitan democracy could be

Comparative Public Administration Eric E. Otenyo, Nancy S. Lind, Lawrence R. Jones, 2006-07-24 Public administration scholars and practitioners are increasingly concerned with the need to broaden the field's scope beyond particularistic accounts of administration in given countries This title brings together seminal readings in comparative development public administration and contemporary public management scholarship

Compassion and Education Andrew Peterson, 2016-12-01 This book makes a defence of compassion as an essential and significant quality that should be at the heart of the education of young people It provides a careful exploration of what compassion means how it is relevant to the various relationships among students teachers and the wider community and the particular pedagogical processes that can and might develop compassion Understanding and justifying compassion as a virtue this book argues that compassion is a virtue central to all human relationships from the familial to the communal and to the global It will be of interest to academics research and students of education

Women and Citizenship Marilyn Friedman, 2005-10-27 The notion of citizenship is complex it can be at once an identity a set of rights privileges and responsibilities an elevated and exclusionary status a relationship between individual and state and more In recent decades citizenship has attracted interdisciplinary attention particularly with the transnational growth of Western capitalism Yet citizenship's relationship to gender has gone relatively unexplored despite the globally pervasive denial of citizenship to women historically and in many places ongoing today This highly interdisciplinary volume explores the political and cultural dimensions of citizenship and their relevance to women and gender Containing essays by a well known group of scholars including Iris Marion Young Alison Jaggar Martha Nussbaum and Sandra Bartky this book examines the conceptual issues and strategies at play in the feminist quest to give women full citizenship status The contributors take a fresh look at the issues going beyond conventional critiques and examine problems in the political and social arrangements practices and conditions that diminish women's citizenship in various parts of the world

Promoting

Participation: Law Or Politics? David Campbell,2012-07-23 The authors argue for constitutional reform which would facilitate British citizens effective participation in the making of the decisions that set the basic pattern of their collective life They assert that this failure of the British Constitution is unacceptable

Mediated Communication Philip M. Napoli,2018-09-24 Media scholarship has responded to a rapidly evolving media environment that has challenged existing theories and methods while also giving rise to new theoretical and methodological approaches This volume explores the state of contemporary media research Focusing on Intellectual Foundations Theoretical Perspectives Methodological Approaches Context and Contemporary Issues this volume is a valuable resource for media scholars and students

Politics and Public Policy Donald C. Baumer,Carl E. Van Horn,2013-07-09 Getting beyond the traditional policy cycle discussed in most textbooks the fully updated fourth edition of *Politics and Public Policy* offers a more comprehensive and realistic view of policymaking in the United States one that looks beyond the jockeying between presidents and members of Congress and explores the influence of corporate leaders interest groups bureaucrats judges and journalists The book explores six distinct yet connected policy domains Boardroom Politics decisions by business leaders and professionals Bureaucratic Politics rule making and adjudication by administrators Cloakroom Politics lawmaking by legislators Chief Executive Politics decision making by presidents governors mayors and their advisers Courtroom Politics rulings by judges and Living Room Politics opinions expressed through the mass media grassroots movements political activists and voters The authors unique framework prepares students to evaluate the strategies of various political actors within each domain

Tweeting to Power Jason Gainous,Kevin M. Wagner,2013-11-29 Using theory and data Gainous and Wagner illustrate how online social media is bypassing traditional media and creating new forums for the exchange of political information and campaigning The authors illustrate how political actors utilized these networks to control the flow of information and garner votes in the 2010 congressional elections

Politics Peter Ferdinand,Robert Garner,Stephanie Lawson,2018 An unrivalled combination of exceptional clarity and analysis

Public Knowledge And Environmental Politics In Japan And The United States John C Pierce,Nicholas P Lovrich,Taketsugu Tsurutani,Takematsu Abe,2019-07-09 This book grows out of the authors conviction that as public policy issues become suffused with scientific and technical content they become difficult for the democratic citizens to understand It attempts to determine mass public capacity and their motivation to respond to the challenges

Can The Internet Strengthen Democracy? Stephen Coleman,2017-05-11 From its inception as a public communication network the Internet was regarded by many people as a potential means of escaping from the stranglehold of top down stage managed politics If hundreds of millions of people could be the producers as well as receivers of political messages could that invigorate democracy If political elites fail to respond to such energy where will it leave them In this short book internationally renowned scholar of political communication Stephen Coleman argues that the best way to strengthen democracy is to re invent it for the twenty first century Governments and global institutions have failed to seize

the opportunity to democratise their ways of operating but online citizens are ahead of them developing practices that could revolutionise the exercise of political power

Public Participation as a Tool for Integrating Local Knowledge into Spatial Planning Tal Berman, 2016-11-22 This book provides a state of the art approach to participatory planning and generates innovative thought in planning theory and knowledge study The book introduces a new conceptual framework for participatory planning one which redefines concepts that have been taken for granted for too long those of public participation and local knowledge It draws on the rich repertoire of public participation practices that have developed globally over the last 50 years and investigates the following questions Which participatory practices most effectively capture residents genuine spatial needs perceptions and desires And how can these be incorporated into actual plans The book is based on an empirical comparative examination of the effectiveness of various participatory processes and proposes practical solutions for public participation through two new instruments the Practices Evaluation Tool and the Participatory Methods Ladder These instruments calibrate participation methods according to certain criteria in order to improve their ability to extract local knowledge and incorporate it into planning deliverables These new instruments correspond to and elaborate on Arnstein s ladder the 1969 theoretical landmark for participatory planning Both academics and practitioners in the area of urban and regional planning will find this book to be an invaluable resource given the way it develops both theoretical and practical cutting edge outcomes

The Politics and Civics of National Service Melissa Bass, 2013-01-17 The author focuses on the history current relevance and impact of domestic national service She argues that only by examining programs over time can we understand national service s successes and limitations both in terms of its political support and its civic lessons Through extensive archival and documentary research supplemented with interviews this is the first detailed policy history of VISTA and AmeriCorps and of America s main national service programs taken together as a whole It furthers our understanding of twentieth century American political development by comparing programs founded during three distinct political eras the New Deal the Great Society and the early Clinton years and tracing them over time To a remarkable extent the CCC VISTA and AmeriCorps reflect the policymaking ethos and political controversies of their times illuminating principles that hold well beyond the field of national service and here the author expertly evaluates the civic effects of national service policy in the context of political development in the United States At the same time by emphasizing the programs effects on citizenship and civic engagement this volume deepens our understanding of how programs can act as public policy for democracy
