Strong at the Broken Places Selwyn Hughes,2003-04 Strong in the Broken Places Quentin Vennie,Jon Sternfeld,2017-05-30 An inspiring memoir about one man s journey to overcome addiction anxiety and depression through meditation yoga and juicing Quentin Vennie shouldn t be alive he has walked a path that many don t live long enough to write about Growing up in Baltimore he was surrounded by nothing but dead ends Statistics mapped out his future and he grew hostile toward a world that viewed him with suspicion and disdain He was shot at sold drugs up and down the East Coast lingered on the brink of incarceration and stared down death more than once Haunted by feelings of abandonment and resentment he struggled with chronic anxiety and depression and battled a crippling prescription drug addiction The day he contemplated taking his life was the day he rediscovered his purpose for living Vennie s survival depended upon his finding a new path but he didn t know where to turn his doctor was concerned only with prescribing more medication Vennie refused and in a desperate attempt to save his own life decided to pursue a journey of natural healing After researching a few self healing methods he immediately bought a juicer from an all night grocery store He started juicing in the hopes that it would help him repair his body and clear his mind He jumped headfirst into the world of wellness and started incorporating yoga and meditation into his life This wellness trinity helped him cut back on and then quit the many medications he was on overcome his addictions and ultimately transform his life while inspiring others to find their own unique path to wellness *Strong in the Broken Places* is the harrowing story of Vennie s life the detours that almost ended it and the inspiring turns that saved it The odds were stacked against him but he was able to defy expectations and claw his way out on his own terms He is living proof that during our weakest moments we have the power and ability to unlock unimaginable strength
