

"Moving and magical . . . [a] great American memoir." —*Elle*

A Strong West Wind

Gail Caldwell

Winner of the Pulitzer Prize

Strong West Wind A Memoir

James Prinsep

Strong West Wind A Memoir:

A Strong West Wind Gail Caldwell, 2007-12-18 In this exquisitely rendered memoir set on the high plains of Texas Pulitzer Prize winner Gail Caldwell transforms into art what it is like to come of age in a particular time and place A Strong West Wind begins in the 1950s in the wilds of the Texas Panhandle a place of both boredom and beauty its flat horizons broken only by oil derricks grain elevators and church steeples Its story belongs to a girl who grew up surrounded by dust storms and cattle ranches and summer lightning who took refuge from the vastness of the land and the ever present wind by retreating into books What she found there from renegade women to men who lit out for the territory turned out to offer a blueprint for her own future Caldwell would grow up to become a writer but first she would have to fall in love with a man who was every mother's nightmare live through the anguish and fire of the Vietnam years and defy the father she adored who had served as a master sergeant in the Second World War A Strong West Wind is a memoir of culture and history of fathers and daughters of two world wars and the passionate rebellions of the sixties But it is also about the mythology of place and the evolution of a sensibility about how literature can shape and even anticipate a life Caldwell possesses the extraordinary ability to illuminate the desires stories and lives of ordinary people Written with humanity urgency and beautiful restraint A Strong West Wind is a magical and unforgettable book destined to become an American classic Let's Take the Long Way Home Gail Caldwell, 2011-08-09 NEW YORK TIMES BESTSELLER They met over their dogs Gail Caldwell and Caroline Knapp author of Drinking A Love Story became best friends talking about everything from their love of books and their shared history of a struggle with alcohol to their relationships with men Walking the woods of New England and rowing on the Charles River these two private self-reliant women created an attachment more profound than either of them could ever have foreseen Then several years into this remarkable connection Knapp was diagnosed with cancer With her signature exquisite prose Caldwell mines the deepest levels of devotion and courage in this gorgeous memoir about treasuring a best friend and coming of age in midlife Let's Take the Long Way Home is a celebration of the profound transformations that come from intimate connection and it affirms once again why Gail Caldwell is recognized as one of our bravest and most honest literary voices More Than a Memoir NELSON J. LEONARD, 2006-03-28 In this unusual autobiography you will find the full story of a life spanning much of the twentieth century Selective reading will disclose How a teacher/scientist may develop The importance of focus and integrity The fascination of doing chemical and biochemical research with students and colleagues The excitement of discovery and of facing new challenges Personal details about family life and friendships Career choices and diversions Plus In the 23 appendices you will find details concerning Other activities attendant upon a career in science The influence of conferences symposia and international scientific connections The coworkers who built the reputation of the author Rough Country Robert Wuthnow, 2016-04-05 How the history of Texas illuminates America's post-Civil War past Tracing the intersection of religion race and power in Texas from

Reconstruction through the rise of the Religious Right and the failed presidential bid of Governor Rick Perry Rough Country illuminates American history since the Civil War in new ways demonstrating that Texas s story is also America s In particular Robert Wuthnow shows how distinctions between us and them are perpetuated and why they are so often shaped by religion and politics Early settlers called Texas a rough country Surviving there necessitated defining evil fighting it and building institutions in the hope of advancing civilization Religion played a decisive role Today more evangelical Protestants live in Texas than in any other state They have influenced every presidential election for fifty years mobilized powerful efforts against abortion and same sex marriage and been a driving force in the Tea Party movement And religion has always been complicated by race and ethnicity Drawing from memoirs newspapers oral history voting records and surveys Rough Country tells the stories of ordinary men and women who struggled with the conditions they faced conformed to the customs they knew and on occasion emerged as powerful national leaders We see the lasting imprint of slavery public executions Jim Crow segregation and resentment against the federal government We also observe courageous efforts to care for the sick combat lynching provide for the poor welcome new immigrants and uphold liberty of conscience A monumental and magisterial history Rough Country is as much about the rest of America as it is about Texas The Works of T. Adams ... With Memoir by Joseph Angus Thomas Adams,1861 *Progressive Country* Jason Mellard,2013-10-01 Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University **Journal of the Asiatic Society of Bengal** ,1844 The Journal of the Asiatic Society of Bengal. Ed. by James Prinsep James Prinsep,1840 **Journal** Asiatic Society of Bengal,1839 **Self-discipline, a memoir of Percy Clabon Glover** Richard Glover (of Wotton rectory, Dorking.),1889 The Readers' Advisory Guide to Nonfiction Neal Wyatt,2007-05-14 Navigating what at she calls the extravagantly rich world of nonfiction renowned readers advisor RA Wyatt builds readers advisory bridges from fiction to compelling and increasingly popular nonfiction to encompass the library s entire collection She focuses on eight popular categories history true crime true adventure science memoir food cooking travel and sports Within each she explains the scope popularity style major authors and works and the subject s position in readers advisory interviews Wyatt addresses who is reading nonfiction and why while providing RAs with the tools and language to incorporate nonfiction into discussions that point readers to what to read next In easy to follow steps Wyatt Explains the hows and whys of offering fiction and nonfiction suggestions together Illustrates ways to get up to speed fast in nonfiction Shows how to lead readers to a variety of books using her read around and reading map strategies Provides tools to build nonfiction subject guides for the collection This hands on guide includes nonfiction bibliography key authors benchmark books with annotations and core collections It is destined to become the nonfiction bible for readers advisory and collection development helping librarians library workers and patrons select great reading from the entire library collection **On My Own** Florence Falk,2007-03-20 At some point over the course of the average American woman s life she will find herself alone whether she is divorced widowed single or in

a loveless isolating relationship And when that time comes it is likely that she will be at a loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified On My Own boldly shifts that paradigm With inspiring intimate stories of women from all backgrounds Falk illuminates the essential role that being alone plays in women s lives Whether she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society s stigmas about being alone life and all its possibilities will open up for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily

Memoir of Norman Macleod Donald Macleod,1876 **South! - The Story of Shackleton's Last Expedition, 1914-1917** Ernest Henry Shackleton,2023-11-19 Ernest Henry Shackleton s South The Story of Shackleton s Last Expedition 1914 1917 is a gripping tale of survival and courage in the face of unimaginable challenges Shackleton s literary style is both descriptive and heartfelt allowing readers to vividly imagine the harsh conditions of the Antarctic landscape and the struggles of his crew The book is a classic example of exploration literature capturing the essence of the Heroic Age of Antarctic Exploration Shackleton s attention to detail and ability to convey the emotions of his crew make this book a truly immersive read Ernest Henry Shackleton a seasoned explorer led the ill fated Imperial Trans Antarctic Expedition His personal experience during the expedition including the loss of his ship and the heroic rescue of his crew inspired him to write South as a testament to the indomitable human spirit Shackleton s determination and leadership qualities shine through in this vivid account of survival against all odds I highly recommend South The Story of Shackleton s Last Expedition 1914 1917 to readers who are interested in true stories of adventure leadership and resilience Shackleton s narrative prowess and the incredible story of survival in the Antarctic make this book a must read for anyone fascinated by the exploration of the unknown **The Great Texas Wind Rush** Kate Galbraith,Asher Price,2013-07-01 From two environmental journalists the improbable story of how the oil and gas state became the nation s wind power leader The Texas Observer In the late 1990s West Texas was full of rundown towns and pumpjacks aging reminders of the oil rush of an earlier era Today the towns are thriving as 300 foot tall

wind turbines tower above those pumpjacks Wind energy has become Texas s latest boom How did this dramatic transformation happen in a state that fights federal environmental policies at every turn In The Great Texas Wind Rush environmental reporters Kate Galbraith and Asher Price tell the compelling story of a group of unlikely dreamers and innovators politicians and profiteers The tale spans a generation and more and it begins with the early wind pioneers precocious idealists who saw opportunity after the 1970s oil crisis Operating in an economy accustomed to exploiting natural resources and always looking for the next big thing their ideas eventually led to surprising partnerships between entrepreneurs and environmentalists as everyone from Enron executives to T Boone Pickens as well as Ann Richards George W Bush and Rick Perry ended up backing the new technology In this down to earth account the authors explain the policies and science that propelled the windcatters to reap the great harvest of Texas wind They also explore what the future holds for this relentless resource that is changing the face of Texas energy Enjoyable to read I learned something on every page Michael Webber Associate Director Center for International Energy and Environmental Policy University of Texas at Austin A thoughtful valuable story for anyone who cares about renewable energy or climate change The Associated Press The Three Voyages of Captain Cook Round the World. With ... a Portrait, and a Memoir of His Life. Embellished with ... Engravings. A New Edition James Cook,1824 A Memoir of the Life and Labors of the Rev. Adoniram Judson, D.D. Francis Wayland,1853 **New Books on Women and Feminism** ,2005 Memoir, Descriptive and Explanatory, to Accompany the General Chart of the Northern Ocean, Davis' Strait and Baffin's Bay John Purdy,1820 **Gazetteer of the Bombay Presidency** James MacNabb Campbell,2024-01-16 Reprint of the original first published in 1884
