Swindoll, 2011-12-21 Join

pastor and bestselling author Charles Swindoll as he explores the lives of 13 biblical hidden figures whose stories have remained in the shadows of history for long enough. Somehow life has taught us poorly. We're trained to think that the most significant people are star athletes, actors, and musicians—the ones we applaud, whose autographs we seek, or those who have worldly fame. But Swindoll teaches us that most often the people really worth noting are those who turn from a nobody into a somebody but never receive credit. Fascinating Stories of Forgotten Lives reminds us of a core truth: success in God's kingdom and in the church depends upon faithful people the public rarely knows. The Old Testament contains numerous fascinating stories of forgotten lives, unsung heroes whose actions, sacrifices, or battles failed to ascribe them worldly applause. These great lives, however, reveal significant people whom God honors in the pages of His Word and therefore deserve our serious attention and emulation. From the misfortunes of Esau to the bravery of Abigail, each of these unlikely heroes has four unique elements in common: A selfless sense of devotion, A mission, A love of harmony, A contagious joy. Join Swindoll in this eighth volume of the bestselling Great Lives from God's Word series as he examines little remembered Bible characters and events, helping you discover biblical principles and practical applications for living so that you can be who you already are in God's eyes: a person of true significance. **The Grace Awakening Workbook** Charles R.

Swindoll, 2005-01-04 The Grace Awakening called all Christians to wake up and reject living in such legalistic, performance-oriented bondage. Freedom and joy, not lists and demands and duties, await all who believe in the Lord Jesus Christ. *Great Days with the Great Lives* Charles R.
