Congress,1853 **Prodigal** Mary York Carr,2022-09-13 Prodigal is a collection of prose and poetry in which the author attempts to bring the reader into a greater appreciation of the scriptures The writings create a plausible truth that is often lost in the familiarity with or in the cursory reading of the scriptures There are hints throughout every chapter and verse of the Bible of a more complex backdrop than is first realized and this is where her writings take us The interpretations herein tell of how it could have been based on the truth that is *Navy and Marine Corps List and Directory* ,1939 *Report of the American Home Missionary Society* American Home Missionary Society,1849 *Trow's New York City Directory* ,1860 *Annual Report of the Executive Committee of the Young Men's Association of the City of Buffalo* Young Men's Association of the City of Buffalo,1856 **Archangels & Archaeology** Geoffrey A. C. Ginn,2012 John Sebastian Marlow Ward 1885 1949 was an English antiquarian mystic occult scholar and museums pioneer Ward s provocative works on Masonic symbolism secret societies and spirit communications remain in print and the innovative social history museum the Abbey Folk Park which he founded in New Barnet north London in the 1930s was later transplanted to Queensland Australia where it continues to flourish His career demonstrates a remarkable fusion of the esoteric and spiritual pre occupations of the early 20th century with the deeper currents of antiquarianism and Christian mysticism Ward s life of energetic work spiritual exploration and public activity presents a compelling narrative His career moved from Cambridge Freemasonry and Edwardian Britain s occult revival to wartime spirit communications and mystical visions of a Pentecostal apocalypse as World War II approached His unique and populist history museum fused a passion for Britain s disappearing heritage with his conviction that the collapse of Western civilization was imminent When Ward was unfairly disgraced in a sensational court case in May 1945 he and his followers departed England for Cyprus in self imposed exile Archangels and Archaeology examines Ward s extraordinary life and career demonstrating how these religious intellectual and cultural themes so often

treated in isolation came together in the turbulent decades of the early 20th century But his career also has its own tragic arc from youthful antiquarian to the mature scholar to full blown mystic and eccentric religious leader and finally to his own fall from public grace in exile and decline **Boston Directory** ,1859 *A Census of Pensioners for Revolutionary Or Military Services, with Their Names, Ages, and Places of Residence, as Returned by the Marshals of the Several Judicial Districts, Under the Act for Taking the Sixth Census* United States.
