Stronger Than Prison Walls Richard Wurmbrand, 1972 Agape Road Bob Mumford, 2011-07-28 The road believers travel is broken with twists turns and detours into worldliness and man made religion Thankfully God uses that broken road to draw us back toward the destination our hearts long for intimacy with Him In Agape Road author Bob Mumford illustrates how to avoid taking detours by abiding in Jesus Experiencing God s unconditional agape love gives us the security identity and belonging we cannot get any other way **GOTTI: The Rise, Rule, and Ruthless Legacy of the Last Real** John Levesley, 2025-05-23 John Gotti was more than a mob boss He was a symbol of power defiance and discipline in a world built on silence From the streets of New York to the courtroom spotlight he ruled with presence loyalty and absolute control This gripping true account dives deep into Gotti s rise through the ranks his fearless command of the Gambino family and the betrayals that led to his fall Told with raw detail and powerful storytelling it captures the last era of real order in the underworld and the man who stood at its centre Gotti never bent He never broke This is the story of the man who became the myth **Somebody's Ned** Mrs. A. population and a continuous erosion of solidarity The condition of prisoners is influenced by renewed governmental logic that has become more effective for management and even reproduced by the prisoners themselves Italian prison governmentality has been presented in its softest and hardest discursive forms and material regimes as part of a whole differentiated repertoire Through the narratives of prison letters the book shows the sophistication of these carceral logics from the perspective of prisoners engaged in the struggle Engaging theories of carceral geography and critical criminology the book focuses on space and time as the dimensions from which to observe power relations and governmentality Narratives on Prison Governmentality will be of great interest to students and scholars of Penology Narrative Criminology Carceral Geography and Critical Criminology Signs of the Times, and Doctrinal Advocate and Monitor ,1913 **Catholic World** ,1874 *Lessons on the Acts of the Apostles ... Prison Rap Arthur Lee Hall, Jr.,2024-01-01 Prison Rap Stories from the Inside is an accumulated literary forum by one prisoner incarcerated in the Florida Department of Corrections began with the author reaching out to numerous community based newspapers in hopes of being given an opportunity to express his views and share his personal experiences in life as well as what he has observed and lived through in twenty years in prison Out of all the query cover letters that were sent to editors across the country the idea of adding a Prison Rap column drew the attention of only one newspaper The Miami Times which ran weekly in the author's own hometown Stopping the press to make room for a serious weekly discussion about the life of a prisoner had proven to be a successful move as made evident by the positive feedback in letters submitted to D Kevin McNeir Senior Editor at the Miami Times While prison life has always in some way been at the core of every Prison Rap discussion with each passing week the many topics raised had naturally began to run wild ranging from events occurring in prison to events occurring in the free world from learning how to forgive to being thankful for small blessings from sharing personal moments of the past to reports about the interesting lives of fellow convicts from engaging in spiritual conversations to motivational pep talks from expressing the love for a mother to being equally appreciative of a grandmother

from nostalgic love to romantic relationships involving prisoners and individuals in the free world from health issues to preparing for life after death from life tragedies to weathering troublesome times from believing that dreams can come true to achieving success in spite of being designated the underdog by others As the author continues to write a weekly column for The Miami Times his well of multiples topics have certainly not run dry At some point though the thought of putting a collection of his most well received work into a book from had crossed his mind Over time what began as a bright idea had become a passionate dream eventually brought to life In all 72 heartfelt weekly writings made the drafts and at least two selected writings are follow ups to others previously ran in the paper Chiming in briefly at the beginning and the conclusion of the book are wise sayings and encouraging excerpts from several previously ran columns Included in the book are wise sayings encouraging excerpts from movies and a few of well known people One unequivocal fact about Prison Rap is that it is heavily laced with love motivation hope for tomorrow survival resilience information about prison and sharing with an overall concept of leading life to improvement whether one is in prison or in the free world Amassing great riches has never been the primary goal of the author presenting his collection of writings to the world More important to him is succeeding at conveying to his readers the personal sentiments and in depth feelings of a man held captive away from society while demonstrating that the heart and mind of a prisoner is indeed capable of functioning humanely despite poor decisions made in the past Whether one can find pleasure in reading any part of the book is something readers must determine for themselves What the author can guarantee though is that an honest illustration of a prisoner s life will be offered in the book which he hopes will become etched in the hearts of every soul that judges it
