**Stronger Than Kryptonite** Regina Bovill, Rusty Fischer, 2004-05 In 1997 Regina Bovill was a crack addicted mother of three who had lost custody of her children drifted aimlessly from crack house to crack house in search of her next fix and had lost all conceivable hope of ever having a promising future Her days were filled with the endless quest for rock cocaine otherwise known as kryptonite or crack From dawn to dusk she did what she had to do to get and smoke her precious crack cocaine then buy and smoke some more Even when her newborn daughter was born drug free Regina didn't heed the unmistakable miracle of her drug filled afterbirth Instead she continued her headlong spiral into a living hell that only ended when a miraculous vision before yet another drug soaked bender put her off drugs for good For although Regina had given up on herself God had not yet given up on her

**Cracked, But Not Broken: One Woman's Triumph Over Crack Cocaine** Regina Lewis Duvall, Rusty Fischer, 2015-05-08 *Fast Lives* Claire Sterk, 1999-02-17 Providing insight into drug use from the point of view of female users this book tells of the complex lives challenges and choices of women who use crack cocaine While popular images of these women present them simply as unreliable individuals unfit mothers and women who will do almost anything for crack Claire Sterk's years of ethnographic research reveal the nature and meaning of crack cocaine use in the larger context of their lives including the impact of such issues as gender class and race Focusing on active crack users *Fast Lives* compiles information from participant observation informal conversations individual interviews and group discussions Sterk details the ways in which use affects the lives of these crack users She captures how these women arrived at their use how they survive under current circumstances such as the constant threat of HIV AIDS and violence how they combine the multiple social roles of mother and drug user and how as they share their aspirations and expectations for the future their stories underscore the effects of poverty sexism and racism on their lives Many of these women recognize their own responsibility for ensuring positive change Sterk's book which includes an argument for a harm reduction approach reminds us that their strength and courage will too often be futile without social policies that are realistic and appropriate for women *Fast Lives* will engage readers interested in social problems as well as students of cultural anthropology sociology criminology public health ethnography substance abuse and women's health
