## Structure Of Luke Acts:

**Stephen's Sermon and the Structure of Luke-Acts** Delbert Leroy Wiens, 1995 In this insightful and thorough study intended for serious students of the New Testament Delbert Wiens analyses Stephen's Sermon in Acts 7 and points out not only that it is a basic outline of the gospel the good news which the disciples were to proclaim but that its literary structure is paralleled by the structures of both Luke and Acts Stephen argued that Israel's sacred history revealed the developmental stages of the Kingdom of God which was completed with the event of the Christ Luke and Acts present the life of Jesus and the Church in parallel stages As Luke promised Theophilus Luke 1:1-4 the significance of the deeds and words of Jesus are to be discovered in the structure of what Luke had written [Towards a positive understanding of the structure of Luke-Acts](#)

Mike F. Nola, 1987 **The Gospel of Luke as Masterpiece** Nico Riemersma, 2023-12-15 This volume offers fifteen studies on the Gospel of Luke by Nico Riemersma who specialized in this gospel It contains both articles in which special pericopes from the Gospel of Luke are central Mary's visit to Elizabeth in Luke 1:39-56 the twelve year old Jesus in the temple in Luke 2:40-52 the baptism of Jesus in 3:21-23 and his testing in 4:1-13 the Fernheilung of a centurion's slave in 7:1-10 and the raising of a young man at Nain in 7:11-17 and studies on details in Luke 1:3 in Luke 2:49 in 7:14 and in 7:19-20 In addition there are thematic studies the parallelism between John and Jesus Elijah in relationship with John and Jesus the travelling motif in Luke Acts and articles with an eye for the structure of the overture 1:5-2:52 and of the whole book 1:1-24:53 Through close reading the book reveals Luke's high quality literary form and rich theological content This meticulous way of reading allows for a deeper understanding of the text giving this gospel extra shine This method is extremely helpful in solving text problems that the reader's will face *The Composition of Luke's Gospel* David E. Orton, 2023-08-14 This is the first in a series of publications designed to make previously published journal material available in a more convenient and accessible form Many university and seminary teachers will find the selections suitable not only for their personal use but also for their classes This reader contains a selection from the best articles in English on Luke's literary work to have appeared to date in the journal *Novum Testamentum* It offers a balanced representation of the discussion over a period of four decades The articles clearly demonstrate that interest in Luke's literary artistry is not merely a feature of the most recent biblical study Readers will find here many insights from decades past which are entirely relevant to current modes of biblical appreciation Indexes of authors and biblical references add to the usefulness of this volume *Lukan Theology in the Light of the Gospel's Literary Structure* Douglas S. McComiskey, 2007-01-01 Numerous scholars have noted various elements of literary structure in the Gospel of Luke many of them patterned such as chiasm Several of these scholars have rigorously explored the significance of such structure A common conclusion is that if Luke is consistent with other ancient writers then the observation of some elements of patterned structure e.g. what has already been discovered in the Gospel suggests that there is probably considerably more This book offers a comprehensive literary structure for the Gospel of Luke thoroughly and

critically evaluates it and ultimately focuses on theology that may be derived from this structure. As groundwork the Introduction provides rigorous tests for assessing the intentionality behind proposals of parallelism. The first chapter then employs the tests in an evaluation of Robert C. Tannehill's work on Luke Acts which is representative of studies on correspondences that are not strictly structural in nature. His contribution enables us to grasp how Luke encourages the reader to read passages in the light of other passages within the Gospel and accordingly provides an interpretive aid for our study. The second chapter applies the tests to the Lukan correspondences suggested by Charles H. Talbert which are inherently structural. His analysis of Luke Acts and other Greco-Roman literature provides a strong theoretical foundation for our own proposal. Chapter three surveys OT Greco-Roman and NT texts that bear a similar patterned structure to what we discover in Luke. The structure of Luke is presented and carefully evaluated in chapter four and the theological implications of that structure are developed in chapter five, shedding much fresh light on Lukan theology.

*The Prophethood of All Believers* Roger Stronstad, 1999-01-01. For centuries Christians have had the concept of the priesthood of all believers firmly engrained in their minds. The prophethood of all believers on the other hand is so. Stronstad believes the main focus of Spirit baptism in Luke Acts. A landmark study in Lukan pneumatology, this book is aimed at a mixed readership ranging from the scholar to the informed layperson. The role of the Spirit in Luke is clearly portrayed in terms of vocational empowerment. Traditionally Lukan pneumatology has been viewed through Pauline or Johannine spectacles but by interpreting Luke independently of the other Gospels and the epistles, Stronstad has cogently argued for the historical and contemporary relevance of Spirit baptism. He challenges the reader to develop a new appreciation of Luke's theology of the Holy Spirit and in fact to consider the role of the prophethood of all believers for today's world.

*Stephen's sermon and the structure of Luke-Acts* Delbert L. Wiens, 1981. The Structure of Luke and Acts Andrew Queen Morton, George Hogarth Carnaby Macgregor, 1964. *The Ongoing Feast* Arthur A. Just, 1993. From the perspective of the Emmaus narrative in Luke 24, this study is a literary critical analysis of Jesus' table fellowship as an expression of the eschatological kingdom. The first time Jesus is recognized by faith as the crucified and now risen Messiah occurs at Emmaus through his teaching on the road and in the breaking of the bread. Emmaus is the transition between the meals of Jesus and early Christian meals, setting the pattern of Christian worship as one of word and meal.

*Discipleship* Richard N. Longenecker, 2004      *The Gospels Are Dramas* Ian MacTavish, 2016-06-21 This is a study of the four gospels that goes beyond traditional boundaries After considering the dramatic structures of sources as diverse as Shakespeare and Star Wars this book makes the bold suggestion that the gospels were written as dramas and not as strict chronological histories Consider that the gospel authors had to compete for an audience If they wanted to gain followers they had to portray Jesus as a dramatic hero superior to any hero their audience already knew but with virtues that their audience would recognize admire and be drawn to The evidence in the gospels leads to the conclusion that when a gospel was intended for Jews the author based its structure on the 5 books of the Jewish Law And when a gospel was intended for gentiles the author based its structure on the 5 act plays written by the Roman dramatist Seneca This book also explains why Roman authorities would have looked favorably on the gospels Are the Gospels Dramas This book says YES      The American Journal of Theology University of Chicago.
